Mission Statement

The mission of the Riverside Mayor's Commission on Aging is to enhance the quality of life for seniors in our community. We study local senior issues to learn about current programs, define future needs, and reference best practices. We then make recommendations to the Mayor and City Council on ways we think the City of Riverside can maintain and improve its status as a Senior-Friendly Community.

Accessibility to Meetings: The City of Riverside wishes to make all of its public meetings accessible to the public. Upon request, this agenda will be made available in appropriate alternative formats to persons with disabilities, as required by Section 202 of the Americans with Disabilities Act of 1990.
