This young man's devotion to the youth of Riverside and especially those in the Arlington area is obvious and exemplary. As a quality player, a knowledgeable coach and far-minded umpire it is our desire as the leaders and directors of Arlington Little League to have our major league field (#1) named after Steven B. Albertson. Steven was the best umpire we had. He treated parents, coaches, and most importantly our players with respect and class. He was always there to explain a rule, listen to an argument and teach a player about the game of baseball. His loss has affected many in our community. He was an irreplaceable member of our league. We urge the City of Riverside to consider this request and to consider it a high priority for the Arlington area.
