In order to adopt the proposed Charter, the measure must pass by a simple majority of the votes cast.

### CHARTER

#### ARTICLE I. INCORPORATION AND SUCCESSION

##### Sec. 100. Name and boundaries

The City of Riverside, hereinafter termed the city, shall continue to be a municipal corporation under its present name of "City of Riverside." The boundaries of the city shall be the boundaries as established at the time this Charter takes effect, or as such boundaries may be changed thereafter in the manner authorized by law.

##### Sec. 101. Succession to rights and liabilities.

The City of Riverside shall continue to own, possess and control all rights and property of every kind and nature owned, possessed or controlled by it at the time this Charter takes effect and shall be subject to all its debts, obligations, liabilities and contracts.

##### Sec. 102. Continuance of ordinances, rules and regulations.

All lawful comprehensive codes, ordinances, resolutions, rules and regulations, or portions thereof, in force at the time this Charter takes effect, and not in conflict or inconsistent herewith, are hereby continued in force until the same shall have been duly repealed, amended, changed or superseded by proper authority.

##### Sec. 103. Continuance of present officers and employees.

The occupants of offices, provided for in this Charter and employees, at the time this Charter takes effect, shall continue to perform the duties of their respective offices and employments without interruption and for the same compensations and under the same conditions until the appointment or election, and qualification, of their successors, but subject to the provisions of this Charter.

##### Sec. 104. Effective date of Charter.

This Charter shall take effect upon its acceptance and filing by the Secretary of State.

#### ARTICLE II POWERS OF CITY

##### Sec. 200. Generally.

The city shall have the power to make and enforce all laws and regulations in respect to municipal affairs, subject only to such restrictions and limitations as may be provided in this Charter and in the Constitution of the State of California. It shall also have the power to exercise, or act pursuant to any and all rights, powers, privileges or procedures, heretofore or hereafter established, granted or prescribed by any law of the state, by this Charter, or by other lawful authority, or which a municipal corporation might or could exercise, or act pursuant to, under the Constitution of the State of California. The enumeration in this Charter of any particular power shall not be held to be exclusive of, or any limitation upon, the generality of the foregoing provisions.

#### ARTICLE III. FORM OF GOVERNMENT

##### Sec. 300. Designated.

The municipal government established by this Charter shall be known as the "council-manager" form of government.

#### ARTICLE IV. CITY COUNCIL AND MAYOR

##### Sec. 400. Enumerated; number, term and manner of election; wards

(a) The elective officers of the city shall consist of a City Council of seven members, elected from wards; and a mayor elected from the city at large, at the times and in the manner provided in this Charter, who shall serve for a term of four years and until their respective successors qualify. The terms of all officials, so elected, shall be deemed to have commenced on the first Tuesday following the general municipal election.

(b) The members of the City Council shall be elected by wards by the registered voters of the respective wards only. One member of the City Council shall be elected by each ward, and only the registered voters of each ward shall vote for the member of the City Council to be elected by that ward. In those wards where there are more than two candidates, only a candidate receiving a majority of the total votes cast for the office shall be declared elected.

(c) If in an election for a member of the City Council for any ward, or for the office of mayor, no candidate receives a majority of the total votes cast for the

office, the City Council shall, immediately upon the determination of that fact, call a special election to be held not less than forty-five days nor more than seventy days from the date of the general municipal election. The two candidates receiving the highest number of votes for the office in the general municipal election shall be declared the candidates for the special election.

(d) Elected officials shall take office on the first Tuesday following their election.

(e) The qualifications of candidates and electors and the procedure governing general municipal elections shall apply to any special election called pursuant to this section and the notice of election shall be published at least thirty days prior to the date of such special election. Sec. 401. Eligibility to hold the office: member of the City Council; mayor.

(a) A person is not eligible to hold the office of a member of the City Council of the City of Riverside unless such person is a qualified elector within the territory comprising the ward by which such person is elected or for which such person is appointed at the time of such election or appointment and continues to be a qualified elector of said ward.

If the residence of any member of the City Council is changed to a place outside the boundaries of the ward from which such member was elected or for which such member was appointed, the office of such member shall become vacant. The existence of the vacancy shall be declared and filled as provided by Section 404 of this Charter.

(b) A person is not eligible to hold the office of mayor unless such person is a qualified elector of the city at the time of such election or appointment and continues to be a qualified elector of the city.

If the residence of the mayor changes to a place outside the boundaries of the city, the office of the mayor shall become vacant. The existence of the vacancy shall be declared and filled as provided by Section 404 of this Charter.

#### Sec. 402. Wards established.

The City of Riverside is hereby and by ordinance shall be divided into seven wards, designated as First Ward, Second Ward, Third Ward, Fourth Ward, Fifth Ward, Sixth Ward, and Seventh Ward.

The boundaries of wards shall be reviewed at least every ten years upon the completion of the federal decennial census or more frequently as may be

determined necessary upon receipt of official census data; and the boundaries of such wards shall be adjusted by the City Council as necessary to provide for substantially equal numbers of residents in each ward. Such boundary adjustment during a councilmember's term shall not result in disqualification for membership on the council during such term.

#### Sec. 403. Compensation

The members of the City Council shall receive compensation for their services as such, and in addition shall receive reimbursement for their necessary expenses on order of the City Council for Council-authorized traveling and other expenses when on official duty. Each member shall receive as compensation such amount as may be fixed by ordinance, after a noticed, public hearing, notice of which has been given by publication at least 15 days prior to such hearing.

The mayor shall receive compensation for services in such amount and at such stated times as shall be prescribed by ordinance.

Five affirmative votes of the City Council are necessary to establish a level of compensation for the City Council and the mayor.

Once a level of compensation for City Council members and the mayor is established, such level will not be permitted to change automatically by linking such compensation to an external factor; every change in such compensation must be approved by five affirmative votes of the City Council.

#### Sec. 404. Vacancies

A vacancy in an elective office, from whatever cause arising, except in the event of a successful recall, shall be filled by appointment by the City Council, such appointee to hold office until the first Tuesday following the next general municipal election and until his successor qualifies. At the next general municipal election following any vacancy, a successor shall be elected to serve for the remainder of any unexpired term.

If a member of the City Council or the mayor is absent from three consecutive regular meetings of the City Council, unless by permission of the City Council expressed in its official minutes, or is convicted of a crime involving moral turpitude, the office of such person shall become vacant.

The City Council shall declare the existence of any vacancy. In the event it shall fail to fill a vacancy by appointment within sixty days after such office shall

have been so declared vacant, it shall cause an election to be held forthwith to fill such vacancy.

Sec. 405. Duties of Mayor; mayor pro tem.

At the first City Council meeting of each year in January the mayor shall deliver a state of the city message presenting the programs and priorities of the mayor for the forthcoming year.

The City Council shall designate one of its members as mayor pro tempore, who shall serve in such capacity at the pleasure of the City Council. In the absence of the Mayor, the Mayor Pro-tempore shall assume the duties of the Mayor. The Mayor Pro-tempore shall conduct the Council meetings and shall vote only as a member of the Council, not as Mayor Pro-tempore. In the event of a tie vote, the Mayor Pro-tempore shall not have a tie breaking vote and Council vote shall be recorded as a negative or 'nay' vote. With regards to the veto power, the Mayor Pro-tempore shall not have the power to veto acts of the City Council.

Sec. 406. City powers vested in Council; exceptions.

All powers of the city shall be vested in the City Council except as otherwise provided in this Charter.

Sec. 407. Interference in administrative service.

Except for the purpose of inquiry, the mayor, the City Council and its members shall deal with the administrative service under the

city manager solely through the city manager and neither the mayor nor the City Council nor any member thereof shall give orders to any subordinates of the city manager, either publicly or privately.

Sec. 408. Meetings.

The City Council shall hold regular meetings at least twice each month at such times as it shall fix by ordinance or resolution and may adjourn or readjourn any regular meeting to a date and hour certain which shall be specified in the order of adjournment and when so adjourned each adjourned meeting shall be a regular meeting for all purposes. If the hour to which a meeting is adjourned is not stated in the order of adjournment such meeting be held at the hour for holding regular meetings. If at any time any regular meeting falls on a holiday such regular meeting shall be held on the next business day. Special meetings may be called in accordance with state law.

Meetings of City Council-appointed standing Council committees, regardless of the number of City Council members who might be on such committees, shall be open to the public and the time and place of such meetings shall be publicly announced at the City Council meetings prior to such committee meetings.

Sec. 409. Same — Location

All meetings shall be held in the council chambers of the city hall, or in such place to which any such meeting may be adjourned, and shall be open to the public. Sec. 410. Same — Quorum; proceedings.

A majority of the members of the City Council shall constitute a quorum to do business but a lesser number may adjourn from time to time. In the absence of all the members of the City Council from any regular meeting or adjourned regular meeting, the city clerk may declare the same adjourned to a stated day and hour. Notice of a meeting adjourned by less than a quorum or by the clerk shall be given in the manner provided by state law.

The City Council shall have the power and authority to compel the attendance of witness, to examine them under oath and to compel the production of evidence before it. Subpoenas shall be issued in the name of the city and be attested by the city clerk. Disobedience of such subpoenas, or the refusal to testify (upon other than constitutional grounds), shall constitute a misdemeanor, and shall be punishable in the same manner as violations of this Charter are punishable.

Sec. 413. Adoption of ordinances and resolutions.

With the sole exception of ordinances which take effect upon adoption, referred to in this Article, no ordinance shall be adopted by the City Council on the day of its introduction, nor within five days thereafter nor at any time other than at a regular or adjourned regular meeting. At the time of its introduction an ordinance shall become a part of the proceedings of such meeting in the custody of the city clerk. At the time of adoption of an ordinance or resolution it shall be read in full, unless after the reading of the title thereof, the further reading thereof is waived by unanimous consent of the Council members present. In the event that any ordinance is altered after its introduction, the same shall not be finally adopted except at a regular or adjourned regular meeting held not less than five days after the date upon which such ordinance was so altered. The correction of typographical or clerical errors shall not constitute the making of an alteration within the meaning of the foregoing sentence.

Unless a higher vote is required by other provisions of this Charter, the affir-

mative votes of at least four members of the City Council shall be required for the adoption of any ordinance or resolution, or for the making or approving of any order for the payment of money. No order for the payment of money shall be adopted or made at any other than a regular or adjourned regular meeting.

Any ordinance declared by the City Council to be necessary as an emergency measure for preserving the public peace, health or safety, and containing a statement of the reasons for its urgency, may be introduced and adopted at one and the same meeting if passed by at least five affirmative votes.

At any time before the adjournment of a meeting, the mayor may, by public declaration spread upon the minutes of the meeting, veto any formal action taken by vote of the City Council including any ordinance or resolution, except an emergency ordinance, the annual budget or an ordinance proposed by initiative petition. Thereupon, pending the vote to override the veto as herein provided, such ordinance, resolution or action shall be deemed neither approved nor adopted. The mayor shall, no more than 20 days following the veto, provide to Council members, in writing, reasons for the mayor's veto. If the mayor fails to provide a written veto message within the time allotted, the original action of the Council shall stand. At any regular or adjourned meeting held not less than thirty days, nor more than sixty days after veto the City Council shall reconsider such ordinance, resolution or action and vote on the question of overriding the veto. Five affirmative votes shall be required for its adoption or approval. The mayor shall have no right to veto the veto override of any ordinance, resolution or action.

All ordinances and resolutions shall be signed by the mayor and attested by the city clerk.

Sec. 414. Publication of ordinances.

Sec. 415. Codification of ordinances; adoption by reference.

Any or all ordinances of the city which have been enacted and published in the manner required at the time of their adoption, and which have not been re-

pealed may be compiled, consolidated, revised, indexed and arranged in a comprehensive ordinance code, and such code may be adopted by reference, with the same effect as an ordinance, by the passage of an ordinance for such purpose. Such code need not be published in the manner required for other ordinances, but not less than three copies thereof shall be filed for use and examination by the public in the office of the city clerk prior to the adoption thereof. Ordinances codified in a separate action from their adoption shall be repealed as of the effective date of their inclusion in the code. Amendments to the code shall be enacted in the same manner as ordinances.

Detailed regulations pertaining to the construction of buildings, plumbing and wiring, when arranged as a comprehensive code, may likewise be adopted by reference in the manner provided in this section. Maps, charts and diagrams also may be adopted by reference in the same manner.

general law cities unless said contract, lease or extension be approved by a majority of the qualified electors of the city voting on such question at any election. A contract, lease or extension for a longer period shall be valid without such approval if it provides for the right of acquisition by the city at the end of such period of the real or personal property leased or contracted for. The ordinance shall designate the departments and the appointive officers and employees who shall be included within the system. By subsequent ordinances the City Council may amend the system or the list of departments and appointive officers and employees included within the system. The system shall comply with all other provisions of this Charter.

#### ARTICLE IX. RETIREMENT

#### ARTICLE XI. FISCAL ADMINISTRATION

Sec. 1100. Fiscal year.

The fiscal year of the city government shall be established by ordinance.

Sec. 1101. Budget-Submission to Council; notice of public hearing.

At least thirty-five calendar days prior to the beginning of each fiscal year, the city manager shall submit to the City Council a proposed budget containing estimates of revenues and expenditures for each city department or office, as

appropriate. After reviewing the same and making such revisions as it may deem advisable, the City Council shall determine the time for the holding of a public hearing thereon and shall cause to be published a notice thereof not less than twenty days prior to said hearing, by at least one insertion in a newspaper of general circulation within the city.

Copies of the proposed budget shall be available for inspection by the public in the office of the city clerk and at every public library in the city at least twenty days prior to said hearing.

Sec. 1102. Same-Public hearing.

At the time so advertised or at any time to which such public hearing shall from time to time be adjourned, the City Council shall hold a public hearing on the proposed budget, at which interested persons desiring to be heard shall be given such opportunity.

Sec. 1103. Same-Further consideration, revision and adoption; availability to departments, etc.

After the conclusion of the public hearing the City Council shall further consider the proposed budget and make any revisions thereof that it may deem advisable and on or before the day preceding the start of the fiscal year, it shall adopt the budget. A copy thereof, certified by the city clerk, shall be filed with the person retained by the city council to perform auditing functions for the Council. A copy shall be placed, and shall remain on file, in the office of the city clerk and copies shall be placed in all public libraries in the city where they shall be available for public inspection. The budget so certified shall be reproduced and copies made available for the use of departments, offices and agencies of the city.

Sec. 1104. Same — Appropriations; transfer of funds.

From the effective date of the budget, the several amounts stated therein as proposed expenditures shall be and become appropriated to the several departments, offices and agencies for the respective objects and purposes therein named. All appropriations shall lapse at the end of the fiscal year to the extent that they shall not have been expended or lawfully encumbered.

At any meeting after the adoption of the budget, the City Council may amend or supplement the budget by motion adopted by the affirmative votes of at least five members so as to authorize the transfer of unused balances appropriated for one purpose to another purpose or to

appropriate available funds not included in the budget.

Sec. 1105. Centralized purchasing.

Under the control and direction of the city manager there shall be established a centralized purchasing system for all city departments and agencies, which system shall be consistent with all other provisions of this Charter.

Sec. 1106. Tax limits; special levy for library purposes.

(a) The City Council shall not levy a property tax, for municipal purposes, in excess of one dollar annually on each one hundred dollars of the assessed value of taxable property in the city, except as otherwise provided in this section, unless authorized by the affirmative votes of two-thirds of the electors voting on a proposition to increase such levy at any election at which the question of such additional levy for municipal purposes is submitted to the electors. The number of years that such additional levy is to be made shall be specified in such proposition.

(b) There shall be levied and collected at the time and in the same manner as other property taxes for municipal purposes are levied and collected, as additional taxes, if no other provision for payment thereof is made:

1. A tax sufficient to meet all liabilities of the city for principal and interest of all bonds or judgements due and unpaid, or to become due during the ensuing fiscal year, which constitute general obligations of the city; and,

2. A tax sufficient to meet all obligations of the city to the Public Employee's Retirement System for the retirement of city employees, due and unpaid or to become due during the ensuing fiscal year.

(c) A special levy, in addition to the above may be made annually in an amount not to exceed twenty cents on each one hundred dollars of the assessed value of taxable property in the city for library purposes. The proceeds of such special levy shall be used only for the purpose for which it is levied.

Sec. 1107. Procedure for assessment, levy and collection of taxes.

The procedure for the assessment, levy and collection of taxes upon property, taxable for municipal purposes, may be prescribed by ordinance of the City Council.

Sec. 1108. General obligation bonded debt limit; vote required for issuing general obligation bonds; issuance of revenue

bonds, notes and other evidence of indebtedness.

(a) The city shall not incur an indebtedness evidenced by general obligation bonds which shall in the aggregate exceed the sum of fifteen per cent of the total assessed valuation, for purposes of city taxation, of all the real and personal property within the city.

(b) No bonded indebtedness which shall constitute a general obligation of the city may be created unless authorized by the affirmative votes of two-thirds of the electors voting on such proposition at any election at which the question is submitted to the electors and unless in full compliance with the provisions of the state constitution and of this Charter.

(c) The City Council by procedural ordinance or pursuant to state law, after a public hearing, notice of which has been given by publication at least 15 days prior to such hearing, may issue revenue bonds, notes or other evidences of indebtedness without an election for any city purpose or purposes, and, any other provisions of this Charter notwithstanding, may make such covenants and exercise such powers as are deemed necessary in connection with the issuance and sale of such revenue bonds, notes or other evidences of indebtedness.

#### Sec. 1109. Public Works contracts.

Every project for the construction or improvement of public buildings, works, streets, drains, sewers, utilities, parks or playgrounds, and every purchase of supplies or materials for any such project, when the total expenditures required for the same exceed the amount set by state law for which bids are required for public works projects of a city shall be let by the City Council by contract to the lowest responsible bidder after notice by publication in a newspaper of general circulation within the city by one or more insertions, the first of which shall be at least ten days before the time for opening bids. Projects for the maintenance or repair of streets, drains or sewers are excepted from the requirements of this section if the City Council determines that such work can be performed more economically by a city department than by contracting for the doing of such work.

All bids shall be accompanied by either a certified or cashier's check, or a bidder's bond executed by a corporate surety authorized to engage in such business in California, made payable to the city. Such security shall be in an amount not less than that specified in the notice

inviting bids or in an amount not less than ten per cent of the aggregate amount of the bid. If the successful bidder neglects or refuses to enter into the contract, within the time specified in the notice inviting bids or in the specifications referred to therein, the amount of the bidder's security shall be declared forfeited to the city and shall be collected and paid into its general fund, and all bonds so forfeited shall be prosecuted and the amount thereof collected and paid into such fund.

The City Council may reject any and all bids presented and may readvertise in its discretion.

The City Council, without advertising for bids, or after rejecting bids, or if no bids are received, may declare and determine that, in its opinion, based on estimates approved by the city manager, the work in question may be performed better or more economically by the city with its own employees or the supplies or materials may be purchased more economically on the open market, and after the adoption of a resolution to that effect by at least five affirmative votes of the City Council may proceed to have said work done or said supplies or materials purchased in the manner stated, without further observance of the provisions of this section. Such contracts likewise may be let without advertising for bids if such work or supplies or materials shall be deemed by the city council to be of urgent necessity for the preservation of life, health or property, and shall be authorized by resolution passed by at least five affirmative votes of the City Council and containing a declaration of the facts constituting such urgency.

Projects for the extension or development of any public utility operated by the city or for the purchase of supplies or equipment for any such utility may be excepted from the requirements of this section, provided the City Council so determines by at least five affirmative votes.

#### Sec. 1110. Cash basis fund.

The City Council shall maintain a revolving fund, to be known as the "cash basis fund," for the purpose of placing the payment of the running expenses of the city on a cash basis. A reserve shall be built up in this fund from any available sources in an amount which the City Council deems sufficient with which to meet all lawful demands against the city for the first five months, or other necessary period, of the succeeding fiscal year prior to the receipt of ad valorem tax revenues. Transfers may be made by the

City Council from such fund to any other fund or funds of such sum or sums as may be required for the purpose of placing such funds, as nearly as possible, on a cash basis. All moneys so transferred from the cash basis fund shall be returned thereto before the end of the fiscal year.

Sec. 1111. Capital outlays fund.

A fund for capital outlays generally is hereby created, to be known as the "capital outlays fund." The City Council may create by ordinance a special fund or funds for a special capital outlay purpose. To the extent permitted by law the City Council may levy and collect taxes for capital outlays and may include in the annual tax levy a levy for such purposes in which event it must apportion and appropriate to any such fund or funds the moneys derived from such levy. It may not, in making such levy exceed the maximum tax rate provided for in this Charter, unless authorized by the affirmative votes of two-thirds of the electors voting on the proposition at any election at which such question is submitted. The City Council may transfer to any such fund any unencumbered surplus funds remaining on hand in the city at any time.

Once created, such fund shall remain inviolate for the purpose for which it was created; if for capital outlays generally, then for any such purposes, and if for a special capital outlay, then for such purpose only, unless the use of such fund for some other capital outlay purpose is authorized by the affirmative votes of a majority of the electors voting on such proposition at a general or special election at which such proposition is submitted.

If the purpose for which any special capital outlay fund has been created has been accomplished, the City Council may transfer any unexpended or unencumbered surplus remaining in such fund to the fund for capital outlays generally, established by this Charter.

Sec. 1112. Presentation and approval of demands against city; limitation upon presentation of claim for damages.

Unless otherwise governed by state law, all claims for damages against the city must be verified and presented to the city clerk within one hundred days after the occurrence, event or transaction from which the damages allegedly arose, or within such shorter time as is otherwise provided by law, and shall set forth in detail the name and address of the claimant, the time, date, place and circum-

stances of the occurrence and the extent of the injuries or damages sustained. All such claims shall be approved or rejected in writing by order of the City Council and the date thereof given.

All other demands against the city must be in writing and may be in the form of a bill, invoice, payroll or formal demand. Each such demand shall be presented to the controller within one hundred days after the last item of the account or claim accrued. The controller shall examine the same. If the amount thereof is legally due and there remains on the books an unexhausted balance of an appropriation against which the same may be charged, the controller shall approve such demand and draw a warrant on the city treasurer therefor, payable out of the proper fund. Otherwise the controller shall reject it. Objections of the controller may be overruled by the City Council and the warrant ordered drawn.

The controller shall transmit such demand, with the controller's approval or rejection thereof endorsed thereon, and warrant, if any, to the city manager. If a demand is one for an item included within an approved budget appropriation, it shall require the approval of the city manager, otherwise it shall require the approval of the City Council following the adoption by it of an amendment to the budget authorizing such payment. Any person dissatisfied with the refusal of the city manager to approve any demand in whole or in part, may present the same to the City Council which, after examining into the matter, may approve or reject the demand in whole or in part.

Sec. 1113. Registering warrants.

Warrants on the city treasurer which are not paid for lack of funds shall be registered. All registered warrants shall be paid in the order of their registration when funds therefor are available and shall bear interest from the date of registration at such rate as shall be fixed by the City Council by resolution.

Sec. 1114. Actions against city.

Except as otherwise provided or preempted by state law, no suit shall be brought for money or damages against the city or any board, commission or officer thereof until a claim or demand for the same has been presented as in this Charter provided and such claim and demand has been rejected in whole or in part. If rejected in part, suit may be brought to recover the whole. Failure to complete action approving or rejecting any claim or demand within forty-five

days from the day the same is presented shall be deemed a rejection thereof.

Sec. 1115. Independent audit.

The City Council shall employ at the beginning of each fiscal year, a qualified certified public accountant who shall, at such time or times as may be specified by the City Council, and at such times as such accountant shall determine, examine the books, records, inventories and reports of all officers and employees who receive, handle or disburse public funds and of such other officers, employees or departments as the City Council may direct. As soon as practicable after the end of the fiscal year, a final audit and report shall be submitted by such accountant to the City Council, one copy thereof to be distributed to each member, one to the city manager, controller, treasurer, and city attorney, respectively, and three additional copies to be placed on file in the office of the city clerk where they shall be available for inspection by the general public.

## ARTICLE XII. DEPARTMENT OF PUBLIC UTILITIES

Sec. 1200. Created; management and control.

There shall be a department of public utilities, which shall be under the management and control of the city manager subject, however, to the powers and duties of the board of public utilities as hereafter set forth in this article. Said department shall be responsible for electric and water supplies, services and conservation, and shall include all works owned, controlled, operated, leased or contracted for by the city for supplying the city and its inhabitants with water and electric energy.

Sec. 1202. Same-Powers and duties.

The board of public utilities shall have the power and duty to:

(a) Consider the annual budget for the department of public utilities during

the process of its preparation and make recommendations with respect thereto to the City Council and the city manager.

No such purchase, acquisition, construction, improvement, extension, enlargement, diminution or curtailment shall be made without such authorization.

(c) Within the limits of the budget of the department of public utilities, make appropriations from the contingency reserve fund for capital expenditures directly related to the appropriate utility function.

(d) Require of the city manager monthly reports of receipts and expenditures of the department of public utilities, segregated as to each separate utility, and monthly statements of the general condition of the department and its facilities.

Sec. 1203. Purchases and expenditures generally; exemption from centralized purchasing system.

The purchase of equipment, materials and supplies peculiar to the needs of the department of public utilities need not be made through the centralized purchasing system. The expenditure and disbursement of funds of the department of public utilities shall be made and approved as elsewhere in this Charter provided.

Sec. 1204. Use of revenue.

The revenue of each public utility for

each fiscal year shall be kept separate and apart from all other moneys of the city by deposit in the appropriate revenue fund and shall be used for the purposes and in the order as follows:

(a) For the payment of the operating and maintenance expenses of such utility, including any necessary contribution to retirement of its employees.

(b) For the payment of interest on the revenue bonded debt of such utility. As used in this section 'revenue bonded debt of such utility' means the debt evidenced by revenue bonds, revenue notes or other evidences of indebtedness payable only out of the revenues pertaining to the utility involved, whether the same are issued under the provisions of this Charter or under the provisions of any general law of the State of California.

(c) For the payment, or provision for the payment of the principal of said debt as it may become due, and of premiums, if any, due upon the redemption of any thereof prior to maturity.

(d) For the establishment and maintenance of any reserves for (b) and (c) above.

(e) For capital expenditures of such utility.

(f) For the annual payment by each utility into the general fund in twelve (12) equal monthly installments during each fiscal year, an amount not to exceed 11.5% of the gross operating revenues, exclusive of surcharges of each specific utility for the last fiscal year ended and reported upon by independent public auditors.

#### Sec. 1205. Sale of public utility.

No public utility now or hereafter owned or controlled by the city shall be sold, leased or otherwise transferred unless authorized by the affirmative votes of at least two-thirds of the voters on such proposition at a general or special municipal election at which such proposition is submitted.

### ARTICLE XIII. FRANCHISES

#### Sec. 1300. Requiring; granting generally; applicability to city-owned utility.

Any person, firm or corporation furnishing the city or its inhabitants with transportation, communication, terminal facilities, water, light, heat, electricity, gas, power, refrigeration, storage or any other public utility or service, or using the public streets, ways, alleys or places for the operation of plants, works or equipment for the furnishing thereof, or traversing any portion of the city for the transmitting or conveying of any such service

elsewhere, may be required by ordinance to have a valid and existing franchise therefor. The City Council is empowered to grant such franchise or not, and to prescribe the terms and conditions of any such grant. It may also provide, by procedural ordinance, the method of practice and additional terms and conditions of such grants, or the making thereof, all subject to the provisions of this Charter.

Nothing in this section, or elsewhere in this article, shall apply to the city, or to any department thereof, when furnishing any such utility or service.

#### Sec. 1301. Resolution of intention to grant; notice and public hearing.

Before granting any franchise, the City Council shall pass a resolution declaring its intention to grant the same, stating the name of the proposed grantee, the character of the franchise and the terms and conditions upon which it is proposed to be granted. Such resolution shall fix and set forth the day, hour and place when and where any persons having any interest therein or any objection to the granting thereof may appear before the City Council and be heard thereon. It shall direct the city clerk to publish said resolution at least once, within fifteen days of the passage thereof, in a newspaper of general circulation within the city. Said notice shall be published at least ten days prior to the date of hearing.

At the time set for the hearing, or at any adjournment thereof, the City Council shall proceed to hear and pass upon all protests and its decision thereon shall be final and conclusive. Thereafter it may by ordinance grant the franchise on the terms and conditions specified in the resolution of intention to grant the same, subject to the right of referendum of the people, or it may deny the same. If the City Clerk shall determine that any substantive change should be made in the terms and conditions upon which the franchise is proposed to be granted, a new resolution of intention shall be adopted and like proceedings had thereon.

#### Sec. 1302. Term of franchise.

Every franchise shall state the term for which it is granted, which shall not exceed thirty-five years.

#### Sec. 1303. Eminent domain.

No franchise grant shall in any way, or to any extent, impair or affect the right of the city to acquire the property of the grantee thereof either by purchase or through exercise of the right of eminent domain, and nothing therein contained shall be construed to contract away or to

modify or to abridge, either for a term or in perpetuity the city's right of eminent domain with respect to any public utility.

#### CITY OF RIVERSIDE — CITY CHARTER MEASURE

Shall the Proposed Revised Charter of

YES

the City of Riverside be approved? NO

GIVEN AND PUBLISHED by order of the City Council of said City and in accordance with the provisions of the Constitution of the State of California.

ALICE A. HARE

City Clerk of the City of Riverside, California

P-9/8

## ARGUMENT IN FAVOR OF MEASURE D

People change, times change and needs change. The Mayor and City Council recognized this and appointed a nine member committee to review and recommend revisions to the Riverside City Charter. The Committee has spent the last year studying and re-drafting the charter. The charter has been clarified and modernized but Riverside's form of government — Council-Manager — has not been changed. There were 40 public committee meetings at which testimony was received from all segments of the community as well as civic officials. Thereafter the revised charter was submitted to the City Council which unanimously voted to submit this proposed charter to you, the voters.

The charter, or constitution, provides for the rules under which the city operates; it sets up the structure of government; creates the checks and balances and establishes limits on the government. In keeping with the American tradition such a basic document must be adopted by a majority of the voters. The proposed charter provides for:

- Greater citizen participation and governmental responsiveness
- Clarification of roles of Mayor, City Council and City Manager and establishment of separation of powers and duties
- Establishment of an employees' grievance procedure as recommended by both labor and management
- An equitable and public means of establishing compensation for members of the council
- Conformity and clarity in the City's Boards and Commissions
- More flexibility in the budgetary and fiscal planning processes
- Modernization of the language making it readable and understandable

We feel the changes are necessary and the revision desirable. It is now up to you, the voters, to read, review and vote on the new charter. We feel this Proposed Charter is a definite improvement and will ensure the continuance of progress in Riverside into the 21st century.

## ARGUMENT AGAINST MEASURE D

The arguments against Measure D do not represent the entire opinions of the undersigned, but are presented with hopes that you will defeat the Measure with your "NO" vote.

The present City Charter authorizes a five member Public Utilities Board. The proposed charter would increase the Board to "not less than seven." The present and past Boards of five members have functioned efficiently, expeditiously and economically since 1906. A larger Board could conceivably be unwieldy and disruptive. Let us not change.

Sections 1406 and 1407 of the proposed Charter do not pertain to all the qualified voters who are eligible to vote; it concerns only a section of the City of Riverside. There is no need to have those who are *not* governed by elected officials to vote on term extensions of the elected officials when there are other legal processes to correct the matter with regards to the Riverside Unified School District. A "NO" vote will prevent those who are directly affected from having their votes diluted.

## REBUTTAL TO ARGUMENT AGAINST MEASURE D

The opposition argument regarding the school issue represents a complete misunderstanding of fact. They claim that people will not have an opportunity to vote or their vote will be diluted.

Complying with State law, the City Council has required that all voters affected by the proposed Charter changes be given the opportunity to vote at the November election.

Voters in the City will vote on the Charter.

School district voters both **inside** and **outside** the City limits **will vote** on whether they want the proposed revisions.

Without the school district voters' agreement, those sections of the Charter cannot be passed by Riverside residents. This is a fair and equitable procedure mandated by law to make the needed changes.

Citizens have a right to be involved in their government. How can adding 2 members to a board of 5 be unwieldy and disruptive? All City boards and commissions now have seven or more members with the exception of the Public Utilities and Library Boards. 7 to 9 member boards allow adequate citizen representation while keeping the boards at a good working size. A 5 member board can soon become a 3 or 4 member board with absences. Should 3 or 4 citizens represent the community in major decisions which include rate increases, major investments and services?

This Charter was developed through a democratic process during more than a year of hard work and **community participation**. Now it needs voter approval!

Vote YES on MEASURE D for BETTER RIVERSIDE GOVERNMENT.

## ARGUMENT IN FAVOR OF MEASURE E

The visitor and convention business is a vital segment of Riverside's economy. It is estimated that tourism brings in over \$16 million to our community in direct expenditures and the multiplier effect of these dollars provides over 1,200 jobs for Riversiders. The economic impact is over \$65 million resulting in over \$1 million in the revenue for the general fund. Whatever we can do to develop and enhance tourism truly helps the economy of Riverside.

Thousands of persons are attracted to Riverside every year through the efforts of many organizations coordinated by our Visitors and Convention Bureau. Our beautiful city, together with the Mission Inn, Raincross Square and the International Raceway, are often mentioned by tourists as reasons for coming to our city. A Hotel/Motel Visitors Tax of 6% on hotel and motel charges is currently in effect and raises almost \$260,000 annually for tourist related activities. Raising the rate from 6% to 8% will increase the amount received by the city by \$85,000 annually. This additional amount will be used to increase the promotional activities of the Visitors and Convention Bureau and help the city to support the various amenities and services we provide to tourists and conventioners.

It should be pointed out that this tax will be paid by non-Riversiders who visit our city and will not be borne by local residents. Other cities in California, including San Diego, San Francisco, Oakland, Los Angeles, Oxnard, Palm Springs, Ventura and Sacramento, are at or above the 8% level with their Hotel/Motel Visitors Tax so the increase will not place us at a disadvantage with other communities.

The Riverside City Council, the Riverside Chambers of Commerce, the Riverside Visitors and Convention Bureau and local hotels and motels all urge a yes vote on Measure E.
