Subject: [External] proposed language for 2/10 charter review meeting

Colleen,, here is the language that I would like the Charter Commission to consider. I think this would go in section XI maybe as new section 1115.

All contracts for a term 10 years or more, issuance of debt, and collective bargaining agreements will require a 2/3 majority of the City Council for approval. This also applies to the Board of Public Utilities under its contracting authority.

Thanks, Tom
