RFP DESCRIPTION: The consists of developing the framework for a Vehicle Miles Traveled (VMT) fees, bank & mitigation exchange program in accordance with the Senate Bill (SB) 743 requirements and to meet the needs of the local community in the City of Riverside. The project will result in a streamlined program that is consistent with the procedures of the California Environmental Quality Act (CEQA), can serve as a legally sound option for mitigation of impacts to VMT due to local land use projects or transportation improvements, and to provide meaningful projects in the City that discourage reliance on the single-occupant vehicle and improve air quality in the region.
