6

Journal Publications

7

The Journal of the
Riverside Historical Society

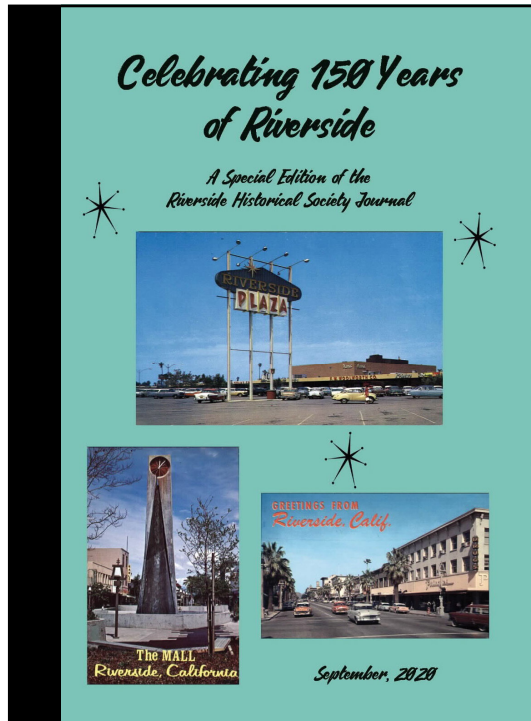

is published

once or twice per year

and has been given to all members

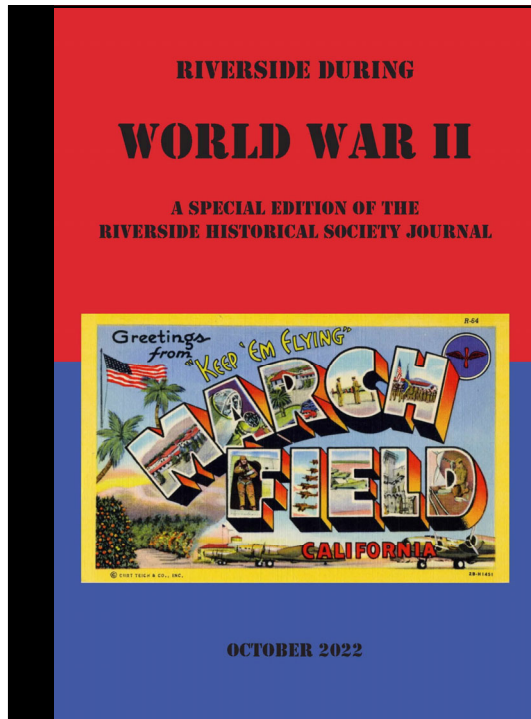

since its beginning in 1997

8

The first “Special” Journal of the Riverside Historical Society was published in 2020 to celebrate Riverside’s 150th year

9

The second “Special” Journal of the Riverside Historical Society

was published in 2022 to look at Riverside’s roll in World War II

Subsequent “Special” Journals may focus on women in Riverside, early writers of local history, or?

10

Annual Book Fair

11

The annual book fair (held the 1st Sunday in October) brings together local history authors and organizations to talk about and sell their books.
