The City shall cause the delivery of a separate single fully registered bond for each maturity date of such 2022A Bonds of a Series in an authorized denomination corresponding to that total principal amount of the 2022A Bonds of such Series designated to mature on such date. Upon initial issuance, the ownership of each such 2022A Bond shall be registered in the Bond Register in the name of the Nominee, as nominee of the Securities Depository, and ownership of the Bonds or any portion thereof may not thereafter be transferred except as provided in subsection (E) below.

With respect to book-entry 2022A Bonds, the City and the Fiscal Agent shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such book-entry 2022A Bonds. Without limiting the immediately preceding sentence, the City and the Fiscal Agent shall have no responsibility or obligation with respect to: (i) the accuracy of the records of the Securities Depository, the Nominee, or any Participant with respect to any ownership interest in book-entry 2022A Bonds; (ii) the delivery to any Participant or any other person, other than an Owner as shown in the Bond Register, of any notice with respect to book-entry 2022A Bonds, including any notice of redemption; (iii) the selection by the Securities Depository and its Participants of the beneficial interests in book-entry 2022A Bonds to be redeemed in the event that the City redeems the 2022A Bonds in part; or (iv) the payment by the Securities Depository or any Participant or any other person of any amount of principal of, premium, if any, or interest on book-entry 2022A Bonds. The City and the Fiscal Agent may treat and consider the person in whose name each book-entry 2022A Bond is registered in the Bond Register as the absolute Owner of such book-entry 2022A Bond for the purpose of payment of principal of, premium and interest on such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Fiscal Agent shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owner, as shown in the Bond Register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Bond Register, shall receive a Bond evidencing the obligation to make payments of principal of, premium, if any, and interest on the Bonds. Upon delivery by the Securities Depository to the City and the Fiscal Agent of written notice to the effect that the Securities Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to Record Dates, the word Nominee in this Eleventh Supplemental Resolution shall refer to such nominee of the Securities Depository.

(B) Delivery of Representation Letter. In order to qualify the book-entry 2022A Bonds for the Securities Depository's book-entry system, the City shall execute and deliver to the Securities Depository a Representation Letter. The execution and delivery of a Representation Letter shall not in any way impose upon the City or the Fiscal Agent any obligation whatsoever with respect to persons having interests in such book-entry 2022A Bonds other than the Owners, as shown on the Bond Register. In addition to the execution and delivery of a Representation Letter, the City and the Fiscal Agent, if necessary, shall take such other actions, not inconsistent with this Eleventh Supplemental Resolution, as are reasonably necessary to qualify book-entry 2022A Bonds for the Depository's book-entry program.

(C) Selection of Securities Depository. In the event that: (i) the Securities Depository determines not to continue to act as securities depository for book-entry 2022A Bonds; or (ii) the City determines that continuation of the book-entry system is not in the best interest of the beneficial owners of the 2022A Bonds or the City, then the City will discontinue the book-entry system with the Securities Depository. If the City determines to replace the Securities Depository with another qualified securities depository, the City shall prepare or direct the preparation of a new single, separate, fully registered 2022A Bond for each of the maturity dates of such book-entry 2022A Bonds, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in subsection (E) below. If the City fails to identify another qualified securities depository to replace the Securities Depository, then the Bonds shall no longer be restricted to being registered in such Bond Register in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging such Bonds shall designate, in accordance with the provisions of Section 2.09 hereof.

(D) Payments To Securities Depository. Notwithstanding any other provision of this Eleventh Supplemental Resolution or the Master Resolution to the contrary, so long as all Outstanding 2022A Bonds are held in book-entry form and registered in the name of the Nominee, all payments of principal of, redemption premium, if any, and interest on such 2022A Bonds and all notices with respect to such 2022A Bonds shall be made and given, respectively to the Nominee, as provided in the Representation Letter or as otherwise instructed by the Securities Depository and agreed to by the Fiscal Agent notwithstanding any inconsistent provisions herein.

(E) Transfer of 2022A Bonds to Substitute Depository.

(i) The 2022A Bonds shall be initially issued as provided in Section 2.01. Registered ownership of such 2022A Bonds, or any portions thereof, may not thereafter be transferred except:

(a) to any successor of the Securities Depository or its Nominee, or of any substitute depository designated pursuant to clause (b) below (a "**Substitute Depository**"); provided that any successor of the Securities Depository or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(b) to any Substitute Depository, upon: (1) the resignation of the Securities Depository or its successor (or any Substitute Depository or its successor) from its functions as depository; or (2) a determination by the City that the Securities Depository (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(c) to any person as provided below, upon: (1) the resignation of the Securities Depository or its successor (or any Substitute Depository or its successor) from its functions as depository; or (2) a determination by the City that the Securities Depository or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(ii) In the case of any transfer pursuant to clauses (a) or (b) of subsection (i) of this Section 2.08(E), upon receipt of all Outstanding 2022A Bonds by the Fiscal Agent, together with a written request of the City to the Fiscal Agent designating the Substitute Depository, a single new 2022A Bond, which the City shall prepare or cause to be prepared, shall be issued for each maturity of 2022A Bonds then Outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the City. In the case of any transfer pursuant to clause (c) of subsection (i) of this Section 2.08(E), upon receipt of all Outstanding 2022A Bonds by the Fiscal Agent, together with a written request of the City to the Fiscal Agent, new 2022A Bonds, which the City shall prepare or cause to be prepared, shall be issued in such denominations and registered in the names of such persons as are requested in such written request of the City, subject to the limitations of Section 2.01 hereof, provided that the Fiscal Agent shall not be required to deliver such new 2022A Bonds within a period of less than sixty (60) days from the date of receipt of such written request from the City.

(iii) In the case of a partial redemption or an advance refunding of any 2022A Bonds evidencing a portion of the principal maturing in a particular year, the Securities Depository or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such 2022A Bonds indicating the date and amounts of such reduction in principal, in form acceptable to the Fiscal Agent, all in accordance with the Representation Letter. The Fiscal Agent shall not be liable for such Securities Depository's failure to make such notations or errors in making such notations and the records of the Fiscal Agent as to the outstanding principal amount of such 2022A Bonds shall be controlling.

(iv) The City and the Fiscal Agent shall be entitled to treat the person in whose name any 2022A Bond is registered as the Owner thereof for all purposes of this Eleventh Supplemental Resolution and any applicable laws, notwithstanding any notice to the contrary received by the City or the Fiscal Agent; and the City and the Fiscal Agent shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the 2022A Bonds. Neither the City nor the Fiscal Agent shall have any responsibility or obligation, legal or otherwise, to any such beneficial owners or to any other party, including the Securities Depository or its successor (or Substitute Depository or its successor), except to the Owner of any 2022A Bonds, and the Fiscal Agent may rely conclusively on its records as to the identity of the Owners of the 2022A Bonds.

Section 2.09 Transfers Outside Book-Entry System. In the event that: (i) the Securities Depository determines not to continue to act as securities depository for the 2022A Bonds; or (ii) the City determines that the Securities Depository shall no longer so act and delivers a written certificate to the Fiscal Agent to that effect, then the City will discontinue the book-entry system with the Securities Depository. Thereafter, any Bond may, in accordance with its terms, be transferred or exchanged in accordance with Sections 2.05 and 2.06, respectively, of the Master Resolution.

Section 2.10 Payments and Notices to the Nominee. Notwithstanding any other provision of this Eleventh Supplemental Resolution to the contrary, so long as any 2022A Bond is registered in

Unless otherwise specified in a Certificate of the Chief Financial Officer/Treasurer, the proceeds of the sale of the 2022A Bonds shall be deposited with the Chief Financial Officer/Treasurer and shall be held in trust and set aside by the Chief Financial Officer/Treasurer or the Fiscal Agent as set forth in the Closing Certificate of the City. The Chief Financial Officer/Treasurer and the Fiscal Agent are hereby authorized to create additional accounts or subaccounts to accomplish the purposes set forth in this Eleventh Supplemental Resolution.

Section 3.02 Establishment and Application of 2022 Costs of Issuance Fund.

(A) Pursuant to this Eleventh Supplemental Resolution, the Fiscal Agent shall establish, maintain and hold in trust a separate fund designated as the “**Water Revenue Bonds, Issue of 2022A, Costs of Issuance Fund**” and, if the 2022A Bonds are issued in multiple Series, such accounts therein as the City shall direct the Fiscal Agent to establish, maintain and hold in trust.

The moneys in each account of the 2022 Costs of Issuance Fund shall be used and withdrawn by the Fiscal Agent, at the direction of the Chief Financial Officer/Treasurer, to pay the Costs of Issuance of the applicable Series of 2022A Bonds. All investment earnings on funds held in the 2022 Costs of Issuance Fund shall be deposited in the 2022 Costs of Issuance Fund unless such earnings shall be required to be deposited in the 2022 Rebate Account.

(B) Disbursements shall be made from the 2022 Costs of Issuance Fund only upon receipt by the Fiscal Agent of a duly executed Requisition of the City (upon which the Fiscal Agent may conclusively rely), which Requisition shall state: (i) the item number of such payment; (ii) the name and address of the Person to whom each such payment is due, which may be the City in the case of reimbursement for costs theretofore paid by the City; (iii) the respective amounts to be paid; and (iv) the purpose by general classification for which each obligation to be paid was incurred.

(C) The money set aside and placed in the 2022 Costs of Issuance Fund shall remain therein until the six month anniversary of the issuance of the 2022A Bonds and shall not be used for any other purpose whatsoever except as permitted by the Law. If any sum shall remain unexpended in 2022 Costs of Issuance Fund after the six month anniversary of the issuance of the 2022A Bonds, it shall, at the direction of the Chief Financial Officer/Treasurer, be: (1) applied by the Fiscal Agent to the payment of interest on the 2022A Bonds on the next succeeding interest payment date therefor; or (2) applied for any lawful purpose with respect to the Water System; provided, however, that if a Series of 2022A Bonds is issued on a tax-exempt basis, upon such terms and

conditions as shall not, in the opinion of Bond Counsel, adversely affect the exclusion from gross income for federal income tax purposes of interest on such Series of the 2022A Bonds.

Section 3.03 Establishment and Application of Construction Fund.

(A) Pursuant to this Eleventh Supplemental Resolution, the Fiscal Agent shall establish, maintain and hold in trust a separate fund designated as the “**Water Revenue Bonds, Issue of 2022A, Construction Fund**” and, if the 2022A Bonds are issued in multiple Series, such subaccounts therein as the City shall direct the Fiscal Agent to establish, maintain and hold in trust.

The moneys in the 2022 Construction Fund shall be used and withdrawn by the Fiscal Agent, at the direction of the Chief Financial Officer/Treasurer, to pay the Construction Costs of any facility or facilities necessary or convenient for the storage, transmission or distribution of water; or incidental to, or in connection with, the operation of the Water System; or to pay or reimburse the City for interest on all or a portion of the 2022A Bonds during the construction period (or a portion of the construction period) for the improvements to the Water System funded by the 2022A Bonds. Moneys on deposit in the 2022 Construction Fund shall be invested in Authorized Investments. Following the calculation of any “rebate amount” pursuant to Section 3.05(B) in each year, the Fiscal Agent shall, from interest, profit or other income derived from the investment of moneys held in the 2022 Construction Fund: (i) transfer to the 2022 Rebate Account such amounts as may be necessary to satisfy the requirements of Section 3.05(B); and (ii) transfer to an account of the Fiscal Agent the amount, if any, determined by the City to be deposited in the Interest Account and applied to the payment of interest on the 2022A Bonds (or the applicable portion thereof).

(B) Disbursements shall be made from the 2022 Construction Fund and the 2022 Construction Fund only upon receipt by the Fiscal Agent of a duly executed Requisition of the City (upon which the Fiscal Agent may conclusively rely), which Requisition shall state: (i) the item number of such payment; (ii) the name and address of the Person to whom each such payment is due, which may be the City in the case of reimbursement for costs theretofore paid by the City; (iii) the respective amounts to be paid; and (iv) the purpose by general classification for which each obligation to be paid was incurred.

Section 3.04 Establishment, Pledge, Funding and Application of 2022 Reserve Account.

(A) Pursuant to this Eleventh Supplemental Resolution, the Fiscal Agent shall establish, maintain and hold in trust a separate fund designated as the “**Water Revenue Bonds, Issue of 2022A, Reserve Account.**”

The 2022 Reserve Account, or if multiple subaccounts are created, each subaccount thereof, shall be funded at the applicable 2022 Bond Reserve Requirement and applied as set forth below. Each subaccount of the 2022 Reserve Account is hereby pledged to secure the payment of the principal of and interest on the applicable Series of 2022A Bonds in accordance with its terms.

(B) On the date of initial issuance of the 2022A Bonds, the Fiscal Agent shall deposit to the 2022 Reserve Account or, if multiple subaccounts are created, to each subaccount thereof, an amount provided by or on behalf of the City, which may be in money, Authorized Investments, a line of credit, letter of credit, insurance policy, surety bond or other credit source meeting the requirements of Section 3.04(E), or a combination thereof, equal to the applicable 2022 Bond Reserve Requirement. The City shall at all times maintain an amount equal to the applicable

2022 Bond Reserve Requirement in the 2022 Reserve Account or, if multiple subaccounts are created, in each subaccount thereof, until the applicable Series of 2022A Bonds are discharged in accordance with the provisions of Article IX of the Master Resolution. In the event of any deficiency in the 2022 Reserve Account, the Chief Financial Officer/Treasurer shall replenish such deficiency in accordance with the provisions of Section 5.06(A) of the Master Resolution

(C) All amounts in the 2022 Reserve Account or, if multiple subaccounts are created, in each subaccount thereof, shall be used and withdrawn by the Fiscal Agent, as hereinafter provided, solely for the purpose of: (i) paying principal of and interest on the applicable Series of 2022A Bonds in the event that moneys in the Principal Account and the Interest Account are insufficient; or (ii) paying the final principal and interest payments on the applicable Series of 2022A Bonds. Any amounts in the 2022 Reserve Account or, if multiple subaccounts are created, in each subaccount thereof, in excess of the applicable 2022 Bond Reserve Requirement shall be transferred to an account with the Fiscal Agent to be applied towards payment of interest and principal due on the applicable Series of 2022A Bonds.

(D) All Authorized Investments credited to the 2022 Reserve Account shall be valued as of July 1 of each year (or the next succeeding Business Day if such day is not a Business Day) at the greater of the cost or accreted value thereof.

(E) Notwithstanding anything herein to the contrary, at the option of the City, the applicable 2022 Bond Reserve Requirement may be satisfied, in whole or in part, by the deposit of a line of credit, letter of credit, insurance policy, surety bond, or other credit source in a stated amount equal to all or a portion of the applicable 2022 Bond Reserve Requirement; provided that if the applicable 2022 Bond Reserve Requirement is initially satisfied with a cash deposit, then prior to the substitution, in whole or in part, of such line of credit, letter of credit, insurance policy, surety bond or other credit source, the Rating Agencies shall be notified of such proposed substitution and the substitution shall not result in a withdrawal or downgrading of any rating of the 2022A Bonds then in effect by the Rating Agencies. Any moneys substituted by the deposit of a line of credit, letter of credit, insurance policy, surety bond, or other credit source shall be transferred, at the election of the Chief Financial Officer/Treasurer, to the 2022 Costs of Issuance Fund, to the Bond Service Account or to a special account to be established for the payment of any fees in connection with obtaining such line of credit, letter of credit, insurance policy, surety bond or other credit source or shall be applied for such other lawful purpose as shall not, in the opinion of Bond Counsel, adversely affect the exclusion from gross income for federal income tax purposes of interest on the 2022A Bonds, to the extent that a Series of 2022A Bonds is issued on a tax-exempt basis.

Section 3.05 Establishment and Application of 2022 Rebate Account.

(A) Establishment. Pursuant to this Eleventh Supplemental Resolution, to the extent that one or more Series of 2022A Bonds are issued on a tax-exempt basis, the Fiscal Agent shall establish when required, maintain and hold in trust a separate account designated as the “**Water Revenue Bonds, Issue of 2022A, Rebate Account**” and to the extent that multiple Series of 2022A Bonds are issued on a tax-exempt basis, such subaccounts therein as directed by the City. Absent an opinion of Bond Counsel that the exclusion from gross income for federal income tax purposes of interest on the applicable Series of 2022A Bonds will not be adversely affected, the City shall cause to be deposited in the 2022 Rebate Account such amounts as are required to be deposited therein pursuant to this Section and the Tax Certificate. All money at any time deposited in the 2022 Rebate Account shall be held by the Fiscal Agent in trust for payment to the United States Treasury. All amounts on

deposit in the 2022 Rebate Account for the 2022A Bonds shall be governed by this Section and the Tax Certificate for the 2022A Bonds, unless and to the extent that the City delivers to the Fiscal Agent an opinion of Bond Counsel that the exclusion from gross income for federal income tax purposes of interest with respect to the 2022A Bonds will not be adversely affected, if such requirements are not satisfied. Notwithstanding anything to the contrary herein or in the Tax Certificate, the Fiscal Agent: (i) shall be deemed conclusively to have complied with the provisions thereof if it follows all Requests of the City; (ii) shall have no liability or responsibility to enforce compliance by the City with the terms of the Tax Certificate; (iii) may rely conclusively on the City's calculations and determinations and certifications relating to rebate matters; and (iv) shall have no responsibility to independently make any calculations or determinations or to review the City's calculations or determinations thereunder.

(i) Annual Computation. Within 55 days of the end of each Bond Year (as such term is defined in the Tax Certificate), the City shall calculate or cause to be calculated the amount of rebatable arbitrage, in accordance with Section 148(f)(2) of the Code and Section 1.148-3 of the Treasury Regulations (taking into account any applicable exceptions with respect to the computation of the rebatable arbitrage, described, if applicable, in the Tax Certificate (*e.g.*, the temporary investments exceptions of Section 148(f)(4)(B) and the construction expenditures exception of Section 148(f)(4)(C) of the Code), and taking into account whether the election pursuant to Section 148(f)(4)(C)(vii) of the Code (the “**1½% Penalty**”) has been made), for this purpose treating the last day of the applicable Bond Year as a computation date, within the meaning of Section 1.148-1(b) of the Treasury Regulations (the “**Rebatable Arbitrage**”). The City shall obtain expert advice as to the amount of the Rebatable Arbitrage to comply with this Section.

(ii) Annual Transfer. Within 55 days of the end of each Bond Year, upon the written Request of the City, an amount shall be deposited to the 2022 Rebate Account by the Fiscal Agent from any Net Operating Revenues legally available for such purpose (as specified by the City in the aforesaid written Request), if and to the extent required so that the balance in the 2022 Rebate Account shall equal the amount of Rebatable Arbitrage so calculated in accordance with clause (i) of this subsection (A). In the event that immediately following the transfer required by the previous sentence, the amount then on deposit to the credit of the 2022 Rebate Account exceeds the amount required to be on deposit therein, upon written Request of the City, the Fiscal Agent shall withdraw the excess from the 2022 Rebate Account and then credit the excess to the Bond Service Account.

(iii) Payment to the Treasury. The Fiscal Agent shall pay, as directed by Request of the City, to the United States Treasury, out of amounts in the 2022 Rebate Account:

(A) Not later than 60 days after the end of: (X) the fifth Bond Year; and (Y) each applicable fifth Bond Year thereafter, an amount equal to at least 90% of the Rebatable Arbitrage calculated as of the end of such Bond Year; and

(B) Not later than 60 days after the payment of all of the 2022A Bonds, an amount equal to 100% of the Rebatable Arbitrage calculated as of the end of such applicable Bond Year, and any income attributable to the Rebatable Arbitrage, computed in accordance with Section 148(f) of the Code and Section 1.148-3 of the Treasury Regulations.

In the event that, prior to the time of any payment required to be made from the 2022 Rebate Account, the amount in the 2022 Rebate Account is not sufficient to make such payment when such payment is due, the City shall calculate or cause to be calculated the amount of such deficiency and deposit an amount received from any legally available source equal to such deficiency prior to the time

such payment is due. Each payment required to be made pursuant to this subsection (A) shall be made to the Internal Revenue Service Center, Ogden, Utah 84201 on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T (prepared by the City), or shall be made in such other manner as provided under the Code.

(B) Disposition of Unexpended Funds. Any funds remaining in the 2022 Rebate Account after redemption and payment of the 2022A Bonds and the payments described in subsection (A) above being made may be withdrawn by the City and utilized in any manner by the City.

(C) Survival of Defeasance. Notwithstanding anything in this Section to the contrary, the obligation to comply with the requirements of this Section shall survive the defeasance or payment in full of the 2022A Bonds.

Section 3.06 Tax Covenants related to the 2022A Bonds. Notwithstanding any other provision of this Eleventh Supplemental Resolution or the Master Resolution, to the extent that one or more Series of 2022A Bonds are issued on a tax-exempt basis, absent an opinion of Bond Counsel that the exclusion from gross income of the interest on the applicable Series of 2022A Bonds will not be adversely affected for federal income tax purposes, the City covenants to comply with all applicable requirements of the Code that are necessary to preserve such exclusion from gross income with respect to such Series of tax-exempt 2022A Bonds and specifically covenants, without limiting the generality of the foregoing, as follows:

(A) Private Activity. The City will take no action or refrain from taking any action, and the City will make no use of the proceeds of such Series of 2022A Bonds or of any other moneys or property, which would cause such Series of 2022A Bonds to be “private activity bonds” within the meaning of Section 141 of the Code;

(B) Arbitrage. The City will make no use of the proceeds of such Series of 2022A Bonds or of any other amounts or property, regardless of the source, and the City will not take any action or refrain from taking any action, which will cause such Series of 2022A Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code;

(C) Federal Guarantee. The City will make no use of the proceeds of such Series of 2022A Bonds, and the City will not take or omit to take any action, that would cause such Series of 2022A Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code;

(D) Information Reporting. The City will take or cause to be taken all necessary action to comply with the informational reporting requirement of Section 149(e) of the Code which is necessary to preserve the exclusion of interest on such Series of 2022A Bonds pursuant to Section 103(a) of the Code;

(E) Hedge Bonds. The City will make no use of the proceeds of such Series of 2022A Bonds or any other amounts or property, regardless of the source, and the City will not take any action or refrain from taking any action, that would cause such Series of 2022A Bonds to be considered “hedge bonds” within the meaning of Section 149(g) of the Code unless the City takes all necessary action to assure compliance with the requirements of Section 149(g) of the Code to maintain the exclusion from gross income of interest on such Series of 2022A Bonds for federal income tax purposes; and

(F) Miscellaneous. The City will not take any action or refrain from taking any action which is inconsistent with its expectations stated in the Tax Certificate executed by the City in connection with the issuance of such Series of 2022A Bonds and will comply with the covenants and requirements that are stated therein and incorporated by reference herein.

(G) No Effect on Taxable Bonds. This Section and the covenants that are set forth herein shall not be applicable to, and nothing that is contained herein shall be deemed to prevent the City from issuing 2022A Bonds of a Series or revenue bonds or executing and delivering contracts that are payable on a parity with the 2022A Bonds, the interest with respect to which has been determined to be subject to federal income taxation.

(H) Elections. The City hereby directs and authorizes the Chief Financial Officer/Treasurer (or any duly authorized designee thereof) to make elections permitted or required pursuant to the provisions of the Code or the Treasury Regulations, as the Chief Financial Officer/Treasurer or such designee (after consultation with Bond Counsel) deems necessary or appropriate in connection with the 2022A Bonds, in the Tax Certificate relating to the tax-exempt Series of 2022A Bonds, or similar or other appropriate certificate, form or document.

(I) Tax Certificate. The City covenants that in connection with the delivery of any tax-exempt Series of 2022A Bonds it will execute and deliver the Tax Certificate, in such form and substance as is provided and accepted by Bond Counsel. All representations, warranties and covenants made by the City in the Tax Certificate, as the same may be amended or supplemented in accordance with its terms, are incorporated into and made a part of this Eleventh Supplemental Resolution as though the same had been fully set forth herein.

Notwithstanding any other provisions of the Master Resolution (including this Eleventh Supplemental Resolution) to the contrary, upon the City's failure to observe, or refusal to comply with, any of the foregoing covenants in this Section 3.06, no person other than the Owners of the tax-exempt Series of 2022A Bonds shall be entitled to exercise any right or remedy provided to the Owners under the Master Resolution (including this Eleventh Supplemental Resolution) on the basis of the City's failure to observe, or refusal to comply with, such covenant.

Section 3.07 Continuing Disclosure. The City hereby covenants and agrees that it will comply with and carry out all of its obligations under the Continuing Disclosure Certificate to be delivered by the City in connection with the issuance of the 2022A Bonds. Notwithstanding any other provision of the Master Resolution (including this Eleventh Supplemental Resolution), failure of the City to comply with the Continuing Disclosure Certificate shall not be considered an Event of Default under the Master Resolution (including this Eleventh Supplemental Resolution).

ARTICLE IV

FISCAL AGENT

Section 4.01 Fiscal Agent. The Chief Financial Officer/Treasurer (or the Chief Financial Officer/Treasurer's designee) is hereby authorized, empowered and directed to appoint a Fiscal Agent with respect to the 2022A Bonds. The Fiscal Agent shall signify its acceptance of the duties and obligations hereunder by executing and delivering to the City a written acceptance in which the Fiscal Agent agrees to perform said duties and obligations as set forth in the Master Resolution and this Eleventh Supplemental Resolution.

The City agrees, to the extent permitted by applicable law, to indemnify and save the Fiscal Agent, its officers, employees, directors and agents harmless against any liabilities it may incur in the exercise and performance of its powers and duties under the Master Resolution and this Eleventh Supplemental Resolution which are not due to its negligence or willful misconduct.

The City acknowledges that to the extent that regulations of the Comptroller of the Currency or other applicable regulatory entity grant the City the right to receive brokerage confirmations of security transactions as they occur, the City specifically waives receipt of such confirmations to the extent permitted by law. The Fiscal Agent will furnish the City with periodic transaction statements which include detail for all investment transactions made by the Fiscal Agent hereunder; provided that the Fiscal Agent is not obligated to provide an accounting for any fund or account that: (a) has a balance of \$0.00; and (b) has not had any activity since the last reporting date.

The obligation of the City under this Section shall survive resignation or removal of the Fiscal Agent under this Eleventh Supplemental Resolution and payment of the 2022A Bonds and discharge of this Eleventh Supplemental Resolution.

Section 4.02 Retention and Dissemination of Available Information. The Fiscal Agent for the 2022A Bonds shall retain in its possession all reports, certificates and other documents received by it with respect to the 2022A Bonds, all of which shall be subject at all reasonable times during regular business hours with reasonable prior notice to inspection by the City, the Securities Depository with respect to the 2022A Bonds and any other Person that the City reasonably determines to be a beneficial owner of 2022A Bonds held by such Securities Depository, and the agents and representatives of any thereof. Upon receipt by the Fiscal Agent of a written request of any Person described in the immediately preceding sentence, the Fiscal Agent shall provide to such Person a copy of any such report, certificate or other document, provided that such Person shall bear the direct cost of reproduction and delivery thereof. The Fiscal Agent shall, at the cost of and at the written instruction of the City, disseminate all material written information received by the Fiscal Agent pursuant to the Master Resolution (including this Eleventh Supplemental Resolution), to one or more officially recognized central information facilities or repositories with respect to information regarding obligations similar to the 2022A Bonds specified to the Fiscal Agent by the City.

ARTICLE V

APPROVAL OF BOND PURCHASE AGREEMENT, CONTINUING DISCLOSURE CERTIFICATE, OFFICIAL STATEMENT, DESIGNATED INVESTMENTS AND OTHER ACTIONS

Section 5.01 Approval of Bond Purchase Agreement. The Chief Financial Officer/Treasurer (or the Chief Financial Officer/Treasurer's designee) is hereby authorized, empowered and directed to execute and deliver the Bond Purchase Agreement in substantially the form submitted to this meeting and on file with the City Clerk, with such changes therein as such officer shall deem appropriate, as conclusively evidenced by his or her execution thereof; provided, however, that in no event shall: (i) the 2022A Bonds have a true interest cost in excess of 5.50%; (ii) the final maturity of the 2022A Bonds be later than October 1, 2052; or (iii) the aggregate principal amount of the 2022A Bonds exceed \$70,000,000.

Subject to the conditions set forth in this Section 5.02, the 2022A Bonds are hereby ordered to be sold pursuant to the Bond Purchase Agreement at a discount not to exceed 0.30% (not including

original issue discount, if any) of the aggregate principal amount of the 2022A Bonds in accordance with the provisions of the Bond Purchase Agreement. The City hereby approves and authorizes the Underwriters to serve as the underwriters of the 2022A Bonds, all as further provided in the Bond Purchase Agreement.

Section 5.02 Approval of Continuing Disclosure Certificate. The Chief Financial Officer/Treasurer (or any duly authorized designee thereof) hereby is authorized, empowered and directed to execute and deliver the Continuing Disclosure Certificate in substantially the form presented to this meeting and on file with the City Clerk, with such changes therein as such officer shall deem appropriate, as conclusively evidenced by his or her execution thereof.

Section 5.03 Approval of Official Statement. The preparation of a preliminary official statement with respect to the 2022A Bonds (the “**Preliminary Official Statement**”) is hereby authorized and approved. The Underwriters are hereby authorized to distribute the Preliminary Official Statement (in printed form and/or by posting electronically) in connection with the sale of the 2022A Bonds. Prior to the distribution of the Preliminary Official Statement, the Chief Financial Officer/Treasurer (or any duly authorized designee thereof) and the Assistant Chief Financial Officer are hereby authorized, empowered and directed to deem the Preliminary Official Statement final as of its date for purposes of Rule 15c2-12 of the Securities and Exchange Commission, such action to be conclusively evidenced by distribution of the Preliminary Official Statement. The Chief Financial Officer/Treasurer and the Public Utilities General Manager of the City (or any duly authorized designee of either of such officers) hereby are authorized, empowered and directed, collectively, to execute a final official statement (the “**Official Statement**”) in substantially the form of the Preliminary Official Statement presented to this meeting and on file with the City Clerk, with such changes therein as such officers shall deem appropriate, as conclusively evidenced by their collective execution thereof. Section 5.04 Approval of Designated Investments. The Chief Financial Officer/Treasurer (or any duly authorized designee thereof) hereby is authorized, empowered and directed on behalf of the City to enter into one or more investment agreements meeting the qualifications for “Designated Investments” as defined in Section 1.02 of this Eleventh Supplemental Resolution providing for the investment of moneys in any of the funds and accounts created under this Eleventh Supplemental Resolution, on such terms as such officer shall deem appropriate. Pursuant to Section 5922 of the California Government Code, the City Council hereby finds and determines that such Designated Investments are designed to reduce the amount and duration of interest rate risk with respect to amounts invested pursuant to the Designated Investments and to reduce the amount or duration of payment, rate, spread or similar risk or result in a lower cost of borrowing when used in combination with the 2022A Bonds or enhance the relationship between risk and return with respect to investments.

Section 5.05 Further Action. The City Manager, the Chief Financial Officer/Treasurer, the Assistant Chief Financial Officer and the Public Utilities General Manager of the City (or any duly authorized designee of any of such officers) and each of them is hereby authorized, empowered and directed to execute such other documents in addition to those enumerated herein and to take such other actions as they deem necessary or advisable in order to carry out and perform the purposes of this Eleventh Supplemental Resolution, the Continuing Disclosure Certificate, the Preliminary Official Statement and the Official Statement (including, but not limited to: (i) executing such documents or taking such actions as may be necessary to arrange for the funding of all or a portion of the 2022 Reserve Account or any subaccount therein with a line of credit, letter of credit, insurance policy, surety bond or other credit source pursuant to the terms hereof, if, in the opinion of the Chief Financial

Officer/Treasurer, funding of the 2022 Reserve Account with a line of credit, letter of credit, insurance policy, surety bond or other credit source will be economically beneficial to the City and the 2022 Reserve Account is to be funded as appropriate; (ii) executing such documents or taking such actions as may be necessary to arrange for the insuring of all or any portion of the 2022A Bonds through one or more municipal bond insurance companies, if, in the opinion of the Chief Financial Officer/Treasurer, such insurance will result in a lower true interest cost to the City; (iii) otherwise revising, supplementing or clarifying the provisions of this Eleventh Supplemental Resolution as the Chief Financial Officer/Treasurer may deem advisable; and (iv) designating and issuing multiple Series of 2022A Bonds on a taxable or tax-exempt basis; and in connection with any of the foregoing, any additional provisions of and/or revisions to this Eleventh Supplemental Resolution shall be included in the Closing Certificate of the City). Such actions heretofore taken by such officers or their designees are hereby ratified, confirmed and approved.

2022A Bond at the corporate trust office of U.S. Bank National Association in St. Paul, Minnesota (the “Fiscal Agent”) or such other location as may be designated by the Fiscal Agent. Interest on this 2022A Bond shall be paid by check of the Fiscal Agent mailed to the registered owner hereof as of the close of business on the fifteenth (15th) day of the month preceding an interest payment date (a “record date”) at such registered owner’s address as it appears on the registration books maintained by the Fiscal Agent, except that a registered owner of \$1,000,000 or more in principal amount of the 2022A Bonds may be paid interest by wire transfer to an account in the United States if such registered owner makes a written request of the Fiscal Agent at least 30 days preceding any interest payment date specifying the account address. Such notice may provide that it will remain in effect for later interest payments until changed or revoked by another written notice.

This 2022A Bond is one of a duly authorized issue of “City of Riverside, Water Revenue Bonds, Issue of 2022A” (the “2022A Bonds”) issued in the aggregate principal amount of \$_____ pursuant to the Law (as defined in the hereinafter defined Resolution) and Resolution No. 17664 adopted by the City Council on January 8, 1991, as amended and supplemented (the “Master Resolution”) and Resolution No. _____ adopted by the City Council on [November 8, 2022] (the “Eleventh Supplemental Resolution”); the Master Resolution, as supplemented by the Eleventh Supplemental Resolution, is referred to herein as the “Resolution.” The 2022A Bonds, together with the City’s Outstanding Water Revenue Bonds and any additional Water Revenue Bonds issued pursuant to the Master Resolution, are herein referred to as the “Bonds.” Reference is hereby made to the Master Resolution, the Eleventh Supplemental Resolution and to the Law for a description of the terms on which the 2022A Bonds are issued and to be issued, and the provisions with regard to the nature and extent of the Net Operating Revenues (as defined in the Resolution), and all of the terms of the Resolution and the Law are hereby incorporated herein and constitute a contract between the City and the registered owner from time to time of this 2022A Bond, and by acceptance hereof the registered owner of this 2022A Bond assents to said terms and conditions. The Resolution is adopted under, and this 2022A Bond is issued under, and all are to be construed in accordance with, the laws of the State of California. Capitalized terms used herein not otherwise defined herein shall have the meanings ascribed thereto in the Resolution.

The 2022A Bonds are special limited obligations of the City payable from and secured by a pledge of and a lien and charge upon the Net Operating Revenues on a parity with all Bonds and all other debt issued or incurred by the City and payable from, and having an equal lien and charge upon, Net Operating Revenues in accordance with the terms of the Resolution. The general fund of the City is not liable for the payment of the 2022A Bonds, any premium thereon upon redemption prior to maturity or their interest, nor is the credit or taxing power of the City pledged for the payment of the 2022A Bonds, any premium thereon upon redemption prior to maturity or their interest. The registered owner hereof shall not compel the exercise of the taxing power by the City or the forfeiture of any of its property. The principal of and interest on the 2022A Bonds and any premium upon the redemption of any thereof prior to maturity are not a debt of the City nor a legal or equitable pledge, charge, lien or encumbrance upon any of its property or upon any of its income, receipts or revenues, except the Net Operating Revenues and other funds, security or assets which are pledged to the payment of the 2022A Bonds, interest thereon and any premium upon redemption.

This 2022A Bond is subject to redemption prior to maturity as provided in the Resolution, including the Eleventh Supplemental Resolution.

This 2022A Bond may be transferred upon the register required to be kept by the Fiscal Agent, by the person in whose name it is registered, in person or by his or her duly authorized attorney, upon

surrender of this 2022A Bond for cancellation, accompanied by delivery of a written instrument of transfer, duly executed in a form approved by the Fiscal Agent. Whenever any 2022A Bond is surrendered for transfer, the City shall execute and the Fiscal Agent shall authenticate and deliver a new 2022A Bond or Bonds, of the same tenor and maturity and for a like aggregate principal amount. This 2022A Bond may be exchanged at the corporate trust office of the Fiscal Agent for 2022A Bonds of authorized denominations having the same aggregate principal amount, tenor and maturity. The Fiscal Agent need not transfer the registration of or exchange any 2022A Bond within 15 days before the date of selection of 2022A Bonds for redemption or any 2022A Bond or portion thereof selected for redemption. The Fiscal Agent may require the owner of any 2022A Bond requesting transfer of registration or exchange to pay any tax or other governmental charge required to be paid with respect to such transfer of registration or exchange.

The rights and obligations of the City, the Fiscal Agent and of the registered owners of the 2022A Bonds may be modified or amended from time to time in the manner, to the extent and upon the terms provided in the Resolution, provided that no such modification or amendment shall: (a) extend the fixed maturity of this 2022A Bond, or reduce the amount of principal hereof, or extend the time of payment or reduce the amount of any mandatory sinking account payment provided for the payment of this 2022A Bond, or reduce the rate of interest hereon, or extend the time of payment of interest hereon, or reduce any premium payable upon the redemption hereof, without the consent of the registered owner hereof; or (b) reduce the percentage of Bonds the consent of the registered owners of which is required to effect any such modification or amendment, or permit the creation of any lien on the Net Operating Revenues and other assets pledged under the Resolution prior to or on a parity with the lien created by the Resolution, or deprive the registered owners of the Bonds of the lien created by the Resolution on such Net Operating Revenues and other assets (in each case, except as expressly provided in the Resolution), without the consent of the registered owners of all of the Bonds then Outstanding.

It is hereby certified and recited that any and all acts, conditions and things required to exist, to have happened and to have been performed precedent to and in the issuance of this 2022A Bond do exist, have happened, and have been performed in due time, form and manner as required by the Constitution and laws of the State of California and that this 2022A Bond, together with all other indebtedness of the City, does not exceed any limit prescribed by the Constitution and laws of the State of California and the Charter of the City and is not in excess of the amount of 2022A Bonds permitted to be issued under the Resolution.

This 2022A Bond shall not be entitled to any benefit under the Resolution or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon endorsed shall have been executed and dated by the Fiscal Agent.

EXHIBIT D

GOOD FAITH ESTIMATES

The good faith estimates set forth herein are provided with respect to the 2022A Bonds in accordance with California Government Code Section 5852.1. Such good faith estimates have been provided to the City by PFM Financial Advisors LLC (the City's "**Municipal Advisor**").

Principal Amount. The Municipal Advisor has informed the City that, based on the City's financing plan and current market conditions, its good faith estimate of the aggregate principal amount of the 2022A Bonds to be sold is **\$58,780,000** (the "**Estimated Principal Amount**").

True Interest Cost of the 2022A Bonds. The Municipal Advisor has informed the City that, assuming that the Estimated Principal Amount of the 2022A Bonds is sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the true interest cost of the 2022A Bonds, which means the rate necessary to discount the amounts payable on the respective principal and interest payment dates to the purchase price received for the 2022A Bonds, is **4.37%**.

Finance Charge of the 2022A Bonds. The Municipal Advisor has informed the City that, assuming that the Estimated Principal Amount of the 2022A Bonds is sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the finance charge for the 2022A Bonds, which means the sum of all fees and charges paid to third parties (or costs associated with the 2022A Bonds), is **\$429,289**.

Amount of Proceeds to be Received. The Municipal Advisor has informed the City that, assuming that the Estimated Principal Amount of the 2022A Bonds is sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the amount of proceeds expected to be received by the City for sale of the 2022A Bonds, plus the estimated premium amount of \$4,220,000, less the finance charge of the 2022A Bonds, as estimated above, and any reserves or capitalized interest paid or funded with proceeds of the 2022A Bonds, is **\$63,000,000**.

Total Payment Amount. The Municipal Advisor has informed the City that, assuming that the Estimated Principal Amount of the 2022A Bonds is sold, and based on market interest rates prevailing at the time of preparation of such estimate, its good faith estimate of the total payment amount, which means the sum total of all payments the City will make to pay debt service on the 2022A Bonds, plus the finance charge for the 2022A Bonds, as described above, not paid with the proceeds of the 2022A Bonds, calculated to the final maturity of the 2022A Bonds, is **\$114,349,167**.

The foregoing estimates constitute good faith estimates only. The actual principal amount of the 2022A Bonds issued and sold, the true interest cost thereof, the finance charges thereof, the amount of proceeds received therefrom and total payment amount with respect thereto may differ from such good faith estimates due to: (a) the actual date of the sale of the 2022A Bonds being different than the date assumed for purposes of such estimates; (b) the actual principal amount of 2022A Bonds sold being different from the Estimated Principal Amount; (c) the actual amortization of the 2022A Bonds being different than the amortization assumed for purposes of such estimates; (d) the actual market interest rates at the time of sale of the 2022A Bonds being different than those estimated for purposes of such estimates; (e) other market conditions; or (f) alterations in the City's financing plan, delays in the financing, additional legal work or a combination of such factors and additional finance charges, if

any, attributable thereto. The actual date of sale of the 2022A Bonds and the actual principal amount of 2022A Bonds sold will be determined by the City based on the timing of the need for proceeds of the 2022A Bonds and other factors. The actual interest rates borne by the 2022A Bonds will depend on market interest rates at the time of sale thereof. The actual amortization of the 2022A Bonds will also depend, in part, on market interest rates at the time of sale thereof. Market interest rates are affected by economic and other factors beyond the control of the City.
