

ORDINANCE NO. 630

(AS AMENDED THROUGH 630.19)

**AN ORDINANCE OF THE COUNTY OF RIVERSIDE AMENDING ORDINANCE NO. 630
REGULATING THE KEEPING AND CONTROL OF DOGS, CATS, AND OTHER ANIMALS AND
PROVIDING FOR THE CONTROL AND SUPPRESSION OF RABIES**

The Board of Supervisors of the County of Riverside Ordains as follows:

Findings:

Because of the increased urbanization of Riverside County the County has experienced increasing numbers of dogs and other animals being kept in close proximity to humans including children.

1. The keeping of dogs and other animals in close proximity to adults and children has resulted in increased incidents of attacks, biting and menacing behavior by such dogs and other animals.
2. These incidents now present a public health and safety problem to the residents of this County. The increased numbers of cases have resulted in painful and/or serious injuries to adults and children, death and injuries to other animals, attendant economic losses to County residents, and anxiety to those bitten by unlicensed animals whose vaccination status is therefore not established.
3. In an attempt to bring this problem under control, it is necessary to (1) increase the total number of animals which are licensed and thus properly established to have been vaccinated against rabies and (2) encourage the spaying and neutering of animals, which (a) reduces the number of strays at large and not safely confined, (b) reduce the aggressiveness and number of animals at large, and (c) reduces the financial cost to taxpayers of animal control services.

- d. **Right to Hearing;** Any violator or property owner, or other person having possession and control of the property, who receives a Summary of Costs under this Section shall have the right to a hearing before the Director of the Department of Animal Services or his/her designee on his/her objections to the proposed costs in accordance with the procedures set forth herein.

- e. **Request for Hearing;** A request for hearing shall be filed with the Department within ten (10) days of the service by mail of the Department's Summary of Costs, on a form provided by the Department. Within thirty (30) days of the filing of the request, and on ten (10) days written notice to the violator and/or owner, the Director or his/her designee shall hold a hearing on the violator and/or owner's objections, and shall determine the validity thereof.

These costs shall be recoverable in a civil action in the name of the County, in any competent jurisdiction within the County.

The Department shall give written notice of the time and the place of the hearing to appellant. In conducting the hearing, the Board of Supervisors shall not be limited by the technical rules of evidence.

Section 22 ADMINISTRATIVE CITATIONS AND PENALTIES

In addition to the remedies and penalties contained in this ordinance, and in accordance with Government Code Section 53069.4, an administrative citation may be issued for any violation of County Animal Control Ordinances. The following procedures shall govern the imposition, enforcement, collection and administrative review of administrative citations and penalties.

- a. **Notice of violation.** If an animal is owned, kept, maintained, or found to be in violation of a County Animal Control Ordinance, an administrative citation may be issued by the animal control officer. An administrative citation will not be issued for violation of Section 5 (Mandatory Licensing of Kennels and Catteries) prior to written notice of violation being issued.
- b. **Content of Citation.** The administrative citation shall be issued on a form approved by County Counsel and shall contain the following information:
 1. Date, location and approximate time that the violation was observed;
 2. The ordinance violated and a brief description of the violation;
 3. The amount of the administrative penalty imposed for the violation;
 4. Instructions for payment of the penalty, and the time period by which it shall be paid and the consequences of failure to pay the penalty within the required time period;
 5. Instructions on how to appeal the citation;
 6. The signature of the animal control officer.

The failure of the citation to set forth all required contents shall not affect the validity of the proceedings.

- c. **Service of Citation.**
 1. Service of an administrative citation may be made upon the responsible party either by personal delivery or by first class mail, postage prepaid, return receipt requested, and shall be deemed completed when it is personally delivered to the responsible party, or, if mailing is used, five days after deposit in the mail for mailing to an address within California or ten days after deposit for mailing to an address outside California. If the copy of the administrative citation sent by certified mail to a responsible party is returned by the United States Postal Service with the mail receipt unsigned, or marked "unclaimed" and/or "refused," then service by first class mail shall be deemed effective provided it is also not returned by the United States Postal Service.
 2. In lieu of personally serving the responsible party by personal delivery or first class mail, postage prepaid, service of the administrative citation, and any amended or supplemental citation, may be made by substituted service using the methods described in Sections 415.20 through 415.95 of the California Code of Civil Procedure.
 3. The failure of a copy of the administrative citation being received by the responsible party shall not affect the validity of the proceedings.

d. Administrative Penalties

1. The penalties assessed for each violation of a County Animal Control Ordinance shall not exceed the following amounts.
 - i. One hundred dollars (\$100.00) for a first violation;
 - ii. Two hundred dollars (\$200.00) for a second violation of the same administrative abatement order within one year;
 - iii. Five hundred dollars (\$500.00) for each additional violation of the administrative abatement order within one year.
2. If the violation is not corrected, additional administrative citations may be issued for the same violation. The amount of penalty shall increase at the rate specified above.
3. Payment of the penalty shall not excuse the failure to correct the violation nor shall it bar further enforcement action.
4. The penalties assessed shall be payable to the County of Riverside Department of Animal Services.
5. Where the violation would otherwise be an infraction, the administrative penalty shall not exceed the maximum fine or infraction amount.

e. Administrative Appeal of Administrative Citation.

1. Notice of Appeal. The recipient of an administrative citation may appeal the citation by filing a written notice of appeal with the Department. The written notice of appeal must be filed within twenty (20) days of the service of the administrative citation set forth in subsection (c) above. Failure to file a written notice of appeal within this time period shall constitute a waiver of the right to appeal the administrative citation. The notice of appeal shall be submitted on county forms and shall contain the following information:
 - i. A brief statement setting forth the appellant's interest in the proceedings;
 - ii. A brief statement of the material facts which the appellant claims supports his contention that no administrative penalty should be imposed or that an administrative penalty of a different amount is warranted;
 - iii. An address at which the appellant agrees notice of any additional proceeding or an order relating to the administrative penalty may be received by mail;
 - iv. The notice of appeal must be signed by the appellant.
 - v. A check or money order is required, as a deposit, for the total penalty amount shown on the front side of the citation, before the Administrative Appeal will be scheduled.

- vi. Indigence must be proved to have the deposit waved.
2. Administrative Hearing. Upon a timely written request by the recipient of an administrative citation, an administrative hearing shall be held as follows:
 - i. Notice of Hearing. Notice of the administrative hearing regarding the administrative citation shall be given at least ten (10) days before the hearing to the person requesting the hearing.
 - ii. The administrative hearing regarding the administrative citation shall be held before the Animal Services Director, or his designee. The hearing officer shall not be the investigating animal control officer who issued the administrative citation or his immediate supervisor. The Director may contract with a qualified provider to conduct the administrative hearings or to process administrative citations.
 - iii. Conduct of the Hearing. The investigating animal control officer who issued the administrative citation shall not be required to participate in the administrative hearing regarding the citation. The contents of the investigating animal control officer's file shall be admitted as prima facie evidence of the facts stated therein. The hearing officer shall not be limited by the technical rules of evidence. If the person requesting the appeal of the administrative citation fails to appear at the administrative hearing, the hearing officer shall make his determination based on the information contained in the notice of appeal.
 - iv. Hearing Officer's Decision. The hearing officer's decision regarding the administrative citation following the administrative hearing may be personally delivered to the person requesting the hearing or sent by mail. The hearing officer may allow payment of the administrative penalty in installments, if the person provides evidence satisfactory to the hearing officer of an inability to pay the penalty in full at one time. The hearing officer's decision shall contain instruction for obtaining review of the decision by the superior court.
 - f. Review of Administrative Hearing Officer's Decision. If the recipient of an administrative citation disagrees with the administrative hearing officer's decision upholding the issuance of the administrative citation and/or administrative penalty amount assessed, the recipient may appeal the issuance of the administrative citation to the superior court as set forth in this Section.
 1. Notice of Appeal. Within twenty (20) days of the delivery and mailing of the hearing officer's decision regarding the administrative citation, the recipient of the administrative citation may contest that decision by filing an appeal to be heard by the superior court. The appeal fee for filing the notice of appeal shall be in an amount as set forth in Section 24 of this Ordinance. The failure to file the written appeal and to pay the filing fees within this period shall constitute a waiver of the right to an appeal and the decision shall be deemed confirmed. A copy of the notice of appeal shall be served in person or by first class mail upon the Department of Animal Services by the contestant.

2. Conduct of Hearing. The conduct of the appeal hearing is a subordinate judicial duty and may be performed by traffic trial commissioners and other subordinate judicial officials at the direction of the presiding judge of the court. The appeal shall be heard de novo, except that the contents of the issuing agency's file in the case shall be received into evidence. A copy of the issued administrative citation providing notice of the violation and imposition of the administrative penalty shall be admitted into evidence as prima facie evidence of the facts stated therein. The court shall request that the issuing agency's file on the case be forwarded to the court, to be received within fifteen (15) days of the request.
3. Judgment. The court shall retain the appeal fee regardless of the outcome of the appeal. If the court finds in favor of the contestant, the amount of the fee shall be reimbursed to the contestant by the Department of Animal Services. Any deposit of the fine or penalty shall be refunded to the Department of Animal Services in accordance with the judgment of the court. If the fine or penalty has not been deposited and the decision of the court is against the contestant, the issuing agency may proceed to collect the penalty pursuant to the procedures set forth in this Ordinance, or in any other manner provided by law.

Section 23 PUBLIC NUISANCE

- a. The possession or maintenance of any dog, cat or other identified animal or the allowing of any dog, cat or other identified animal to be in violation of this Ordinance, Ordinance No. 771 or any other County Ordinance or stat law, is hereby declared to be a public nuisance. The Animal Services Director and any Riverside County peace officer are hereby directed and empowered to abate any such public nuisance independently of any criminal prosecution or the results of thereof, by any means reasonably necessary to accomplish said abatement including but not limited to the destruction of the dog, cat or other identified animal involved, or by the imposition of specific reasonable conditions and restrictions for the maintenance of such dog, cat or other identified animal. Failure to comply with such conditions and restrictions is a misdemeanor. The owner of such dog, cat or other identified animal shall reimburse to the County of Riverside for all costs incurred in enforcing compliance with the provisions of this Section 23. The County of Riverside, by and through the Animal Services Director, may also commence and maintain such proceedings in a court of competent jurisdiction as are appropriate under the laws and regulations of the State of California for the abatement and redress of public nuisances.
- b. At least ten (10) working days prior to the impoundment or abatement or both pursuant to Section 23, Subsection (a) of this Ordinance, the owner or custodian of the subject dog, cat, or other identified animal shall be notified by the Animal Services Director, in writing, of the right to a hearing to determine whether grounds exist for such impoundment or abatement or, where applicable, both. Said notice shall be served by hand-delivery or by registered or certified mail, postage prepaid, return receipt requested. If the owner or custodian requests a hearing prior to impoundment or abatement, no impoundment or abatement shall take place until the conclusion of such hearing, except as provided in paragraph (c) below.
- c. When, in the opinion of the Animal Services Director, immediate impoundment is necessary for the preservation of animal or public health, safety or welfare, or if the subject dog, cat or other identified animal has been impounded under any other provision of this Ordinance or any law or regulation of the State of California, the pre-impoundment hearing shall be deemed

waived; provided, however, that the owner or custodian of the subject dog or cat shall be given notice by the Animal Services Director, in writing, which would allow five (5) working days to request an abatement hearing. Service of such notice shall be in accordance with the service methods specified in Section 23, Subsection (b) of this Ordinance. Where requested by such owner or custodian, a hearing shall be held within five (5) days of the request therefor, and the subject dog, cat or other animal shall not be disposed of prior to the conclusion of the hearing. If, after five (5) working days from the date of service of the notice specified in the Subsection (c) of Section 24 of this Ordinance, no request for a hearing is received from the owner or custodian of the subject dog, cat or other animal, such dog, cat or other animal shall be disposed of pursuant to applicable provisions of law.

- d. All hearings pursuant to Section 23 of this Ordinance shall be conducted by the Animal Services Director personally or by a designee who shall not have been directly involved in the subject action. Hearings shall be held not more than ten (10) days from the date of receipt of the request for the hearing and shall be conducted in an informal manner consistent with due process of law. A hearing may be continued for a reasonable period of time if the Animal Services Director deems such continuance to be necessary and proper or if the owner or custodian shows good cause for such continuance. Within ten (10) days after the conclusion of the hearing, the Animal Services Director shall render, in writing, his/her findings, decision and order thereon and shall give notice of said findings, decision and order to the owner or custodian of the subject dog, cat or other animal; service of such notice shall be in accordance with the service methods specified in Section 24, Subsection (b) of this Ordinance.

- e. Pursuant to Food and Agriculture Code Section 31622, the owner or keeper of a dog can appeal the decision of the administrative hearing to the superior court.
