

# RE-PURPOSE RIVERSIDE: ADAPTIVE REUSE ORDINANCE

Community & Economic Development Department

Land Use Committee

December 8, 2025

1

RiversideCA.gov

## BACKGROUND

- **6<sup>th</sup> Cycle Housing Element Adopted by City Council in 2021**
- **Implementation underway:**
  - (✓) Pre-approved ADU plans
  - (✓) Streamlined development processes (Zoning Code Updates)
  - (✓) Infill development standards
  - (✓) Small lot subdivision ordinance
  - (~) Pre-approved Missing Middle Housing Plans (In Progress)
  - (~) **Adaptive Reuse Ordinance (In Progress)**

**City of Riverside Designated “Prohousing” by State, Eligible for Funds**

*Designation puts Riverside in top five percent of governments in California for housing policies*

RIVERSIDE, Calif. – The City of Riverside has been designated “Prohousing” by the State of California, making the city one of only a handful that will receive preference in seeking state funding for programs designed to speed the production of housing.

## ADAPTIVE REUSE

Repurposing existing non-residential structures (offices, retail, or commercial buildings) into new land uses

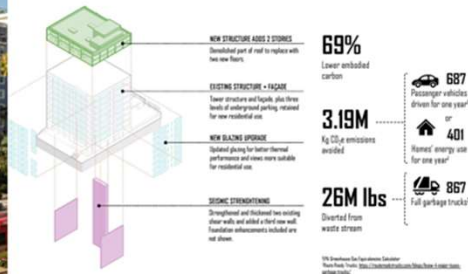

- Incentivize housing production;
- Revitalize neighborhood and commercial corridors; and
- Preserve historic structures or architectural heritage

200 W Ocean, Long Beach CA  
Office to Residential

## ADAPTIVE REUSE

	San Francisco	Long Beach	Los Angeles	Santa Ana	Pasadena
Year Adopted	2023	2014	1999	2020	2025
Purpose	Incentivize housing production & revitalize Financial District	Neighborhood revitalization, historic preservation, economic development	Incentivize housing production, neighborhood revitalization	Historic preservation, housing production	Housing production, historic preservation
Applicability	Commercial zoning districts within geographic area	Multi-family, commercial, industrial – downtown focus	Citywide: non-residential buildings	Focused geographic areas	Citywide: non-residential buildings
Incentives	Reduced fees, waive lot coverage, open space, streetscape/pedestrian improvements	Modified development standards	Flexible density, open space, parking waivers	Permit residential development in nonresidential zones	Height allowances
Historic Preservation Notes	Streamlined Admin Certificates of Appropriateness (COA) & minor permits	Existing historic preservation standards apply	Flexibility for building/fire codes	Alternative historic preservation standards adopted	Variances

## ADAPTIVE REUSE IN RIVERSIDE

The Stalder Building

RiversideCA.gov

## EXISTING TOOLKIT

### 1. Existing Mixed-Use Zoning Designation

- Non-residential structures within mixed-use zoning districts don't need to rezone

### 2. SB 6 & AB 2011 (2024)

- Permits standalone or mixed-use development on commercially zoned lots
- Project may be CEQA-exempt & ministerial depending on affordability of units; labor standards apply

### 3. AB 2097 (2024)

- Eliminates minimum parking requirements within ½ mile of HQTAs
- Helps to address parking and design barriers of adaptive reuse projects

### 4. AB 507: Effective 07/01/2026

- Permits by-right adaptive reuse projects if certain building age, zoning, affordability, labor and location requirements are met
- Authorizes local governments to create adaptive reuse investment incentive program

RiversideCA.gov

## PROJECT SCOPE

### PROJECT GOAL: STREAMLINE THE CONVERSION OF NON-RESIDENTIAL STRUCTURES INTO STANDALONE RESIDENTIAL AND MIXED-USE DEVELOPMENT

#### Technical Tasks

- Two case study properties
- Land inventory analysis
- Barriers in current development process
- State law integration

#### Community & Stakeholder Outreach

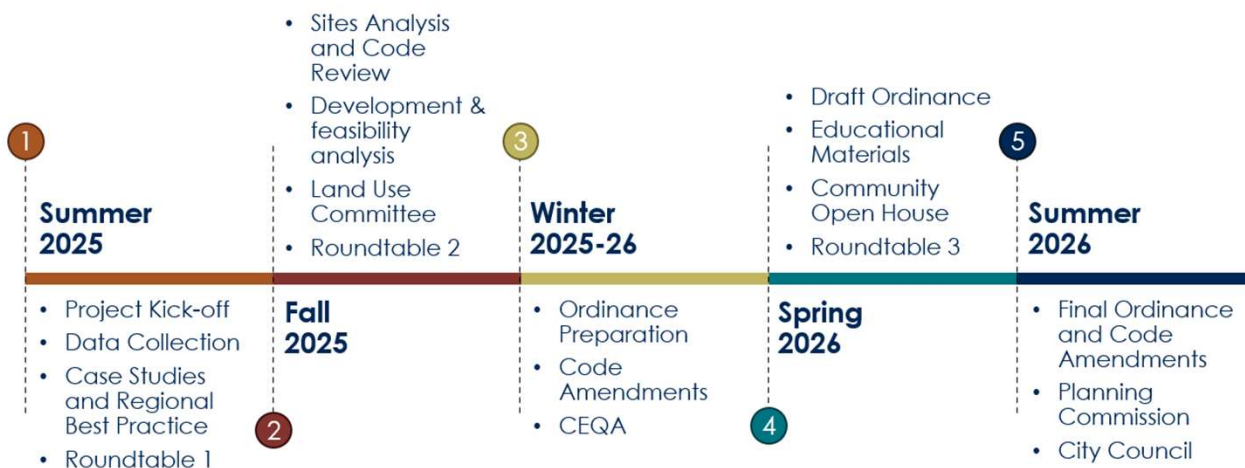

- Interviews with developers and industry leaders
- Roundtables with local property owners and stakeholders
- Community public open house
