ISSUE:

Receive an update on vital indicators, department accomplishments, strategic goals and performance measures, and Measure Z funding priorities for the second quarter of Fiscal Year 2019/2020 (October - December 2019).

RECOMMENDATION:

That the City Council receive an update on vital indicators, department accomplishments, strategic goals and performance measures, and Measure Z funding priorities for the second quarter of Fiscal Year 2019/2020 (October - December 2019).

BACKGROUND:

In February 2015, the City Council approved the Riverside 2.0 Strategic Plan and adopted seven strategic priorities to advance the City's mission of providing high quality municipal services to ensure a safe, inclusive and livable community. The Riverside 2.0 Strategic Plan included several strategic goals for each department to help track their progress in implementing the City Council's strategic priorities in the following seven areas:

- 1) Enhanced Customer Service and Improved Quality of Life;
- 2) Economic Development;
- 3) City Transportation;
- 4) Community Services;
- 5) Improve Housing Diversity and Options;
- 6) Reduce Taxpayer Liability and Reduce Costs Whenever Possible; and
- 7) Improve Teamwork and Community.

In June 2017, the City Council approved the Riverside 2.1 Strategic Plan, which included an update to the departments' strategic goals and added new performance measures to help quantify progress in implementing the City Council's strategic priorities. A Quarterly Performance Report was developed to provide the City Council and the public with regular updates on financial

highlights and vital indicators, department accomplishments, strategic goals and performance measures, and Measure Z funding priorities.

In August 2019, the City Council approved revisions to the strategic goals and performance measures which included updated performance targets and the close out of goals that have already been accomplished.

DISCUSSION

The attached Quarterly Performance Report includes updates on financial indicators, department accomplishments, strategic goals and performance measures, and Measure Z funding priorities for the second quarter of Fiscal Year 2019/2020 (October 1 – December 31, 2019). This report has been a valuable tool for helping departments evaluate their progress in achieving the City Council's strategic priorities and helps staff gauge whether operational adjustments are needed to improve service delivery.

The City Manager's Office will begin working with the City Council in March 2020 to evaluate the progress the City has made on the Riverside 2.1 Strategic Plan and initiate the development of a new Strategic Plan based on the changing needs of the community. The new Strategic Plan will consider current challenges and opportunities in the City and reflect the vision, mission and priorities of the current City Council for the next five-year period.
