Interests & Experiences

WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION:

I've heard it said many times that "Riverside is the biggest small town in the world". I certainly feel this to be true. Riverside is not only my home town; it is my home. I've spent most of my life living in this great city, serving in many capacities. Over the past several years, through business and community involvement, I've gotten to know a lot more about the many great opportunities and some of the challenges facing Riverside. I feel as one who has been given much, who has love for Riverside and its continued success, that it would be an honor to serve on this committee and help shape the future of our great city.

EXPERIENCE OR SPECIAL KNOWLEDGE PERTAINING TO AREA(S) OF INTEREST:

As a resident since 1987, I've been on both sides of many coins in this city. I attended Gage, Poly, and RCC, then worked for RUSD, and my wife is a teacher at Woodcrest Elementary (RUSD). I played youth sports in various leagues, then grew up and coached many seasons of city league, little league, AYSO, and the Grove Church soccer, baseball, and football. leagues. I lived and worked in Riverside, then started a business in the city of Riverside. I have attended seemingly every event in this city, from fireworks and Easter Sunrise service on Mt. Rubidoux to the Festival of Lights. I've served in soup kitchens, volunteered at Parkview Hospital, and mentored foster kids in Riverside. This is a community that I know very well and care for dearly.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

If applying for the Budget Engagement Commission, please complete and return a supplemental application. The budget Engagement Commission consists of nine resident members and nine business members advising the Mayor and City Council on spending and policy priorities based on information received through quarterly financial and performance reports including revenues from transaction and use tax, work with City staff to maximize public engagement on municipal budgetary issues, and provide input on performance measures and reporting programs.

Interests & Experiences

WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION:

I have been marginally involved in local issues for a long time and I would like to participate in the decision making process, have a voice on local issues and generally participate in my community in a meaningful way. Also, I believe that serving on the Charter Review Committee will be a great learning experience.

EXPERIENCE OR SPECIAL KNOWLEDGE PERTAINING TO AREA(S) OF INTEREST:

In my role as a researcher with California Partnership I study California State budget policy and county budget policies. I prepare and do trainings on public budgets. In the past, working for Heyday Books, I was put together a bibliography on local writers and stories that became part of the book Inlandia. I also served on the 1st board of the Inlandia Institute. I have been involved in the City of Riverside's literary and arts community for as long as I have lived here.

EDUCATIONAL BACKGROUND:

I have a B.A. in History from U.C.R. and an A.A. in Humanities from R.C.C.

OCCUPATIONAL EXPERIENCE:

My experience with California Partnership is probably the most relevant to the committee. I am also a developer of an App called Voter Reach used to canvas, phone bank and text voters for campaigns. I worked in Riverside at Reliable Office Solutions, on 14th Street, nine years as the IT guy and managing their website.

PROFESSIONAL OR TECHNICAL ORGANIZATION MEMBERSHIPS:

I am a member of League of United Latin American Citizens Council 3190 (LULAC of Riverside).

CIVIC OR COMMUNITY EXPERIENCE, MEMBERSHIPS, OR PREVIOUS PUBLIC SERVICE APPOINTMENTS:

I have never been appointed to any civic board but that may be because this is the 1st time I have ever applied. I did served in the United States Coast Guard and was once appointed to a federal grand jury. As mentioned above I was also on the 1st board of the Inlandia Institute.
