Behavioral Health Funding Inequity

THE PROBLEM

- 110k population more to be seen
- Rising need in the community, rapid Riverside County growth
- Aging Behavioral Health hospital needs replacement
- Not enough money
- Not enough beds (0 child inpatient), housing, placements

ATTACKING THE PROBLEM

- Continuum Buildout
 - 300+ beds opened (and filled ⊗) during pandemic
 - More beds incoming
 - Competitive grants
- Crisis Teams
 - Checking in with ERs/hospitals for ongoing needs
- Full-Service Partnerships
- Behavioral Health Integration
- CalAIM
- Care Court
- Recovery Villages and the Future

Grants & Funding Awarded to Riverside County

- NPLH (\$82M)
- Recovery Village (\$80.4M)
- CSI rounds 1 (\$4M) and 2 (\$18.9M)
- Crisis Care Mobile Unit Rounds 1-3 (\$15.2M)
- CHFFA Children/Youth Grant (\$395K)
- DSH IST (\$8.1M) and IST Housing
- BHCIP Planning (\$150K)
- Mentored Internship Program (\$885K)
- Behavioral Health Justice Intervention (\$700K)
- Sierra Health Telehealth (\$590K)

FORENSIC FSP OUTCOMES

- Decrease in arrests, psychiatric hospitalizations, crisis
 emergency room use.
- Increases in Substance Use identification and Substance Use services
- Jail days decreased by 48%
- Increase in Physical Health visits

82%

DECREASED

88%

increased decreased 24% 65%

CONTINUUM BUILDOUT AND NEEDS

Top of the pyramid: Behavioral Health Hospital Replacement

(Wellness Center)

- SB45 (Roth) is a key piece of forthcoming legislation
- IMD beds
- Augmented board and care
- Permanent supportive housing
- Crisis teams
- Sequential intercept model: ARC, IST, RTC
