

PURCHASE OF HEAVY-DUTY EQUIPMENT

General Services Department

City Council
October 10, 2023

RiversideCA.gov

1

BACKGROUND

- The Public Works Department, Street Maintenance Division is responsible for the maintenance and repairs of City of Riverside roadways.
- These responsibilities include but are not limited to:
 - Pothole Repairs
 - Asphalt Rehabilitation (Paving)
 - Grading
 - Excavation
 - Graffiti Removal

2

RiversideCA.gov

2

BACKGROUND

- The field crews require various types of heavy-duty equipment to effectively and efficiently accomplish the maintenance and repairs of the roadways.

3

RiversideCA.gov

3

BACKGROUND

- On June 22, 2021, the City Council approved the Fiscal Year 2021/22 annual budget which included an annual allocation from Measure Z funds for Public Works Streets vehicles and equipment replacement through Fiscal Year 2024/25 for a total funding amount of \$5,230,000.
- On June 8, 2023, the Budget Engagement Commission received and filed the proposed amendment of Fiscal Year 2023/24 of the previously adopted Fiscal Year 2022-2024 Biennial Budget, which included moving the Fiscal Year 2024/25 funding totaling \$1,180,000 forward to Fiscal Year 2023/24 due to new state mandated requirements for governmental vehicle purchases.
- On June 27, 2023, the City Council approved the amendment to the budget for Fiscal Year 2023/24.

4

RiversideCA.gov

4

BACKGROUND

- The equipment that the Public Works Department, Street Maintenance Division is proposing to replace has experienced extended periods of down time for repairs, has exceeded the expected service life, and has excessive life to date maintenance costs.
- To ensure operating efficiency, employee productivity, and continued public safety, it is imperative to have readily available equipment that is in working condition.
