1

OUR MISSION

The mission of the Innovation & Technology Department is to work collaboratively with other departments and organizations to improve the quality of life in the City through economic development; achieve innovative, practical, and reliable solutions to City problems, optimize processes through information technology leadership and professional services; and provide an exciting, challenging, and rewarding environment where team members derive satisfaction from challenging assignments, and the success of City of Riverside departments in meeting their operational and service objectives.

2

OVERVIEW

The IT Department has aligned with other City Departments to make the city's goal of establishing itself as an internationally recognized center for innovation a reality. Examples of our efforts include:

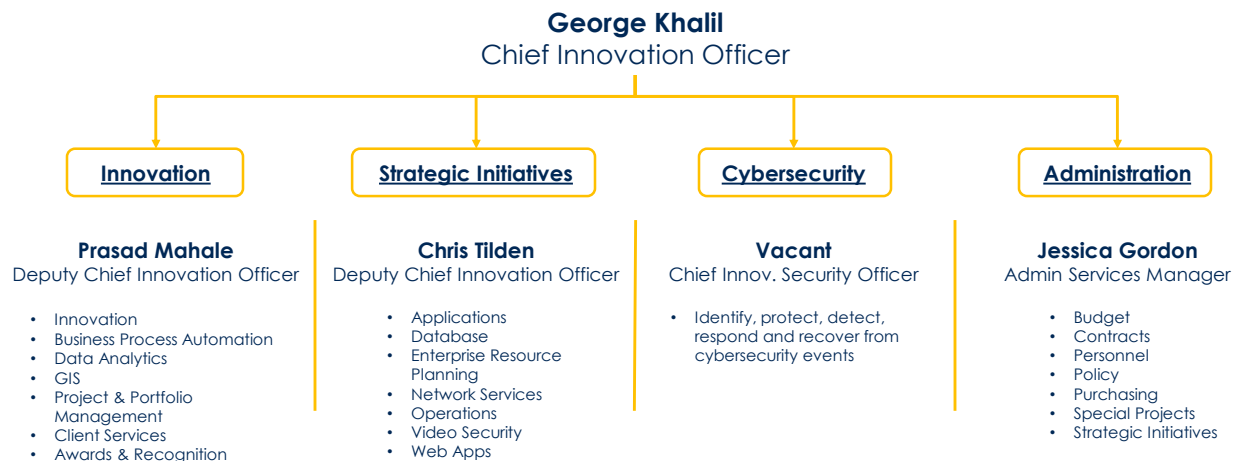

- Development of an artificial intelligence policy
- Free Wireless at libraries and various community centers
- 311 system for citizen reporting and inquiries (includes mobile app)
- Reverse 911 to notify citizens about power outages and emergencies

5

6

ACCOMPLISHMENTS & MILESTONES

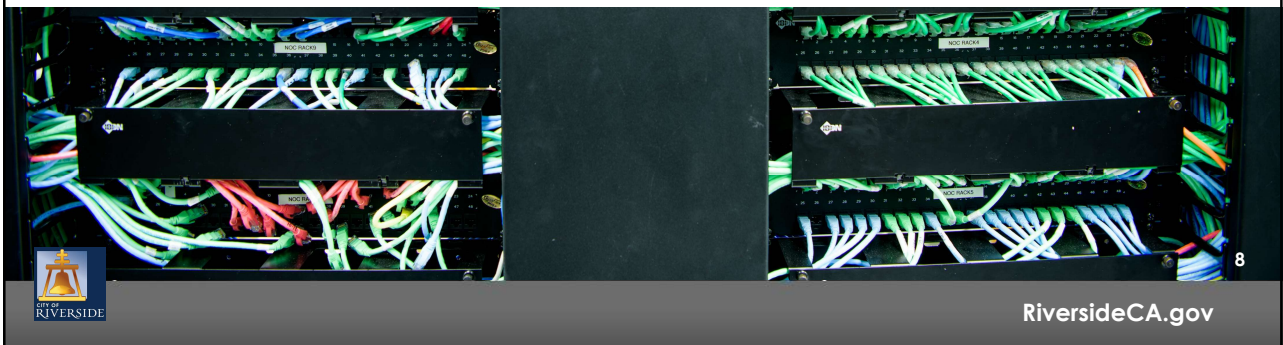

- Collapsed Legacy hardware at both the EOC and City Hall, reducing maintenance and labor requirements in addition to saving on power and cooling costs

7

ACCOMPLISHMENTS & MILESTONES

- Integrated the City's phone system with Microsoft Teams, allowing users to make and receive phone calls (from their office extension) within Teams

8

*2024 winners have not yet been announced. These employees were previously recognized before the City Council on 9/5/23.

10

RECOMMENDATIONS

That the City Council receive and file an overview of the Innovation and Technology Department, including recognition of the Department's employees.
