Dear Nathan,

Congratulations to Riverside, CA on receiving the Bicycle Friendly Community designation at the Bronze level! This award is presented only to communities with impressive commitments to bicycling.

Enclosed you will find your 2017 Bicycle Friendly Community Award Certificate. If you would like to order Bicycle Friendly Community road signs, certificate duplicates, or Smart Cycling educational materials, please visit the League store online at bikeleague.org/bfcstore.

I have also included information from our partners at Eco-Counter to help your community more effectively collect and track ridership data to improve your Evaluation & Planning efforts.

Your 2017 BFC award status will be promoted by the League for four years, after which time your designation must be renewed. You will be reminded via email prior to the Fall 2021 application deadline. Until then, your community's 2017 award status and report card will be publicly available in our online award database: bikeleague.org/bfa/awards#community.

Once again, congratulations on your efforts to create a great Bicycle Friendly Community! Thank you for your engagement with the Bicycle Friendly Community program and for your commitment to improve bicycling conditions in your community.

Best Regards,

Amelia Neptune
Director, Bicycle Friendly America Program
League of American Bicyclists

P.S. I'd also like to invite you to attend the 2018 National Bike Summit in Washington, D.C. next March! See the enclosed Save the Date card for more information, or register online today at bikeleague.org/summit.
