BACKGROUND

1. On May 16, 2017, the City Council adopted the Measure Z – Five Year Spending Plan, which included \$45 million for New Police Headquarters.
2. On October 3, 2017, the City Council approved a reallocation of \$9,692,600 from the Police Headquarters project to the Downtown Main Library Project, resulting in revised funding allocation of \$35,307,400.
3. On May 24, 2022, the City Council approved a Reimbursement Resolution to provide for the use of future bond proceeds of approximately \$43 million for the acquisition, construction, and expansion of the Downtown Police Headquarters.
4. On June 21, 2022, the City Council approved the proposed FY 2022-24 biennial budget, which increased the Measure Z Spending Plan, Item #25 – New Police Headquarters inclusive of debt service costs to \$44 million.
5. On April 19, 2022, the City Council approved the Purchase and Sale Agreement with the County of Riverside for the Downtown Police Headquarters, located at 4102 Orange Street and authorized a supplemental appropriation of \$3,100,000 (plus title, escrow and related costs).

DISCUSSION - PARKING

1. The current Police Headquarters includes 57 onsite parking stalls.
2. Police currently leases 136 additional parking spaces from the County of Riverside, in the parking structure located at 4157 Lemon Street.
3. Leased parking spaces cost approximately \$30,078 annually.

DISCUSSION - PARKING

1. Downtown parking is an issue for businesses and government agencies in the area.
2. If the parking arrangement with the County were to cease within the 50-year service life of the new Police Headquarters, this would create a substantial burden to the City and to the employees working at the Police Headquarters.
3. The Police Department proposes including 150 secured parking spaces in the design for the New Police Headquarters.

RECOMMENDATIONS

That the Budget Engagement Commission recommend that the City Council approve a supplemental appropriation in the amount of \$14.7 million from Measure Z unallocated fund reserves for an underground and surface level parking structure, with 150 secured parking spaces for Police Department employee parking, in the design of the new Police Headquarters and escalated design and construction costs, for total project costs of \$50 million.
