

# FY 2024/25 FEES AND CHARGES

### **Riverside Public Utilities**

Board of Public Utilities
June 10, 2024

RiversideCA.gov

1

# **BACKGROUND**

- 1. On June 13, 2011, the Board approved Resolution 2011-01 and on June 21, 2011, the City Council adopted Resolution No. 22228 to amend Electric and Water Fees and Charges.
- 2. On January 13, 2020, the Board approved Resolution 2020-1, and on February 4, 2020, the City Council adopted Resolution No. 23547 to revise Water Rule A Water Fees and Charges in response to Senate Bill 998.
- 3. On May 4, 2021, the City engaged MGT Consulting Group, from RFP No 2072, to conduct a comprehensive user fees and charges study.
- 4. On March 3, 2022, RPU contracted with MGT of America Consulting, LLC, for a fee study for Electric and Water Fees and Charges for time and materials-based user fees for RPU.

2

RiversideCA.gov

# **BACKGROUND**

- 5. MGT Consulting Group collaborated with City and RPU staff to gather data based on the FY 2020/21 budget and FY 2019/2020 volume data for analysis in preparation for public outreach.
- 6. In March 2022, the study was placed on hold due to the impending departure of the City Manager.
- 7. On May 8, 2023, the Board approved Resolution 2023-1, and on June 20, 2023, the City Council adopted Resolution R-24003 for the FY 2023/24 Master Fees and Charges schedule, which included:

a. 0 - 7.5% CPI increase to account for inflation that was in line with the Consumer Price Index of Riverside-San Bernardino-Ontario region

- b. CPI adjustment was to mitigate potentially significant increases to fees and charges until the formal study was updated.
- 8. On May 13, the Board held a workshop to discuss the proposed FY 2024/25 Fees and Charges for RPU.

3

RiversideCA.gov

3

# FEES & CHARGES STUDY

- 1. A user fee study is typically performed by local governments every 3-5 years to adjust for changing costs and circumstances.
- 2. Fee studies help manage the City's growth-related fiscal challenges by aligning supply and demand, setting realistic expectations for:
  - a. cost recovery,
  - b. properly funding needed programs, and
  - c. creating greater transparency within the community for citywide services.

4

RiversideCA.gov

# FY 2024/25 FEES & CHARGES STUDY

- 1. The City and RPU's consultant, MGT Consulting Group, has completed the FY 2024/25 Fees and Charges Study.
- 2. The study was directed by the Finance Department with supporting RPU subject matter experts and analysts.
- The work included determining the costs to provide specific fee-related services, a review of potential new fees for service, and fiscal projections based on historic fee related activity.

5

RiversideCA.gov

5

# FY 2024/25 FEES & CHARGES STUDY - METHODOLOGY

The methodology of the study includes the hourly rate of the staff performing the service and how much time the task takes to provide the service.

- 1. Hourly Rate:
  - a. Fully burdened hourly rate per job classification including direct and indirect costs.
  - b. Includes salaries, benefits, and overhead rates.
- 2. Time:
  - a. The amount of time per task provided from the staff,
  - b. Known volume of work, and
  - c. The number of productive hours per staff member.
- 3. The fees are charged in either of the following ways:
  - a. Flat Fees same fee, no change for size or complexity
  - b. Actual Cost City staff track all hours and materials for the service to recover the
     actual costs

RiversideCA.gov

# FY 2024/25 FEES & CHARGES STUDY - ELECTRIC

- 1. The Study did not include an analysis of Electric Rates.
- 2. The Study reviewed the Electric services, as requested by or benefiting specific individuals or businesses, are recovering 53% of the costs to complete those services.
- 3. At 100% cost recovery, the additional electric revenue, based on prior service history, is estimated at \$3,460,000.

RiversideCA.gov

7

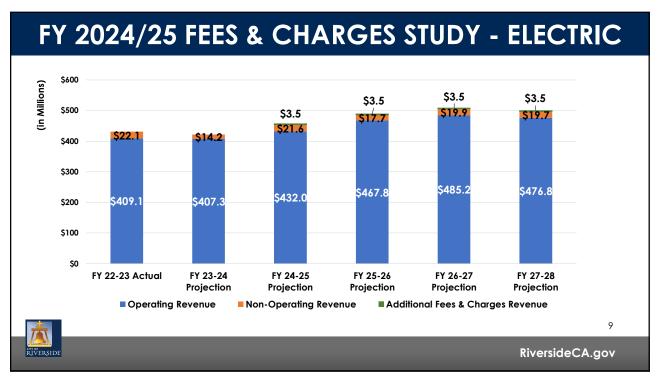

# FY 2024/25 FEES & CHARGES STUDY - ELECTRIC

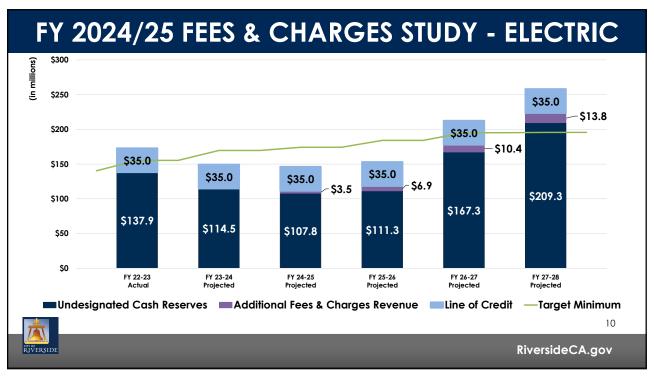

4. The current 5-year Electric service rates did not include an estimation of additional revenue for fees and charges for services. The estimated impact for FY 2024/25 for the \$3,460,000 would make a one time 1.0% on the electric rates.
