

# Market Street Bridge Improvements at Santa Ana River – Service Agreement

Public Works Department

City Council  
September 13, 2016

RiversideCa.gov

## MARKET STREET BRIDGE

2

RiversideCa.gov

## MARKET STREET BRIDGE

3

RiversideCa.gov

## BACKGROUND

1. Existing 1,195 ft. long bridge was built in 1953
2. Bridge currently carries two lanes of traffic and current Average Daily Traffic is considered to high for a two lane roadway
3. Determined to be Structurally Deficient and functionally obsolete due to its narrow width and lack of standard shoulders
4. Qualifies for Federal Highway Bridge Program for total replacement with new 4-lane bridge

4

RiversideCa.gov

## SERVICE AGREEMENT

- Riverside County will act as the Lead Agency
  1. Manage design consultants
  2. Oversee environmental review, (with appropriate city input regarding historical context, aesthetics, pedestrians, community meetings etc.)
  3. Oversee design
  4. Manage construction

5

RiversideCa.gov
