

# **IRVING STREET – REMOVAL OF SEGMENT OF TIMED NO-PARKING ZONE**

---

## **Public Works Department**

**Transportation Board Meeting**  
December 6, 2023

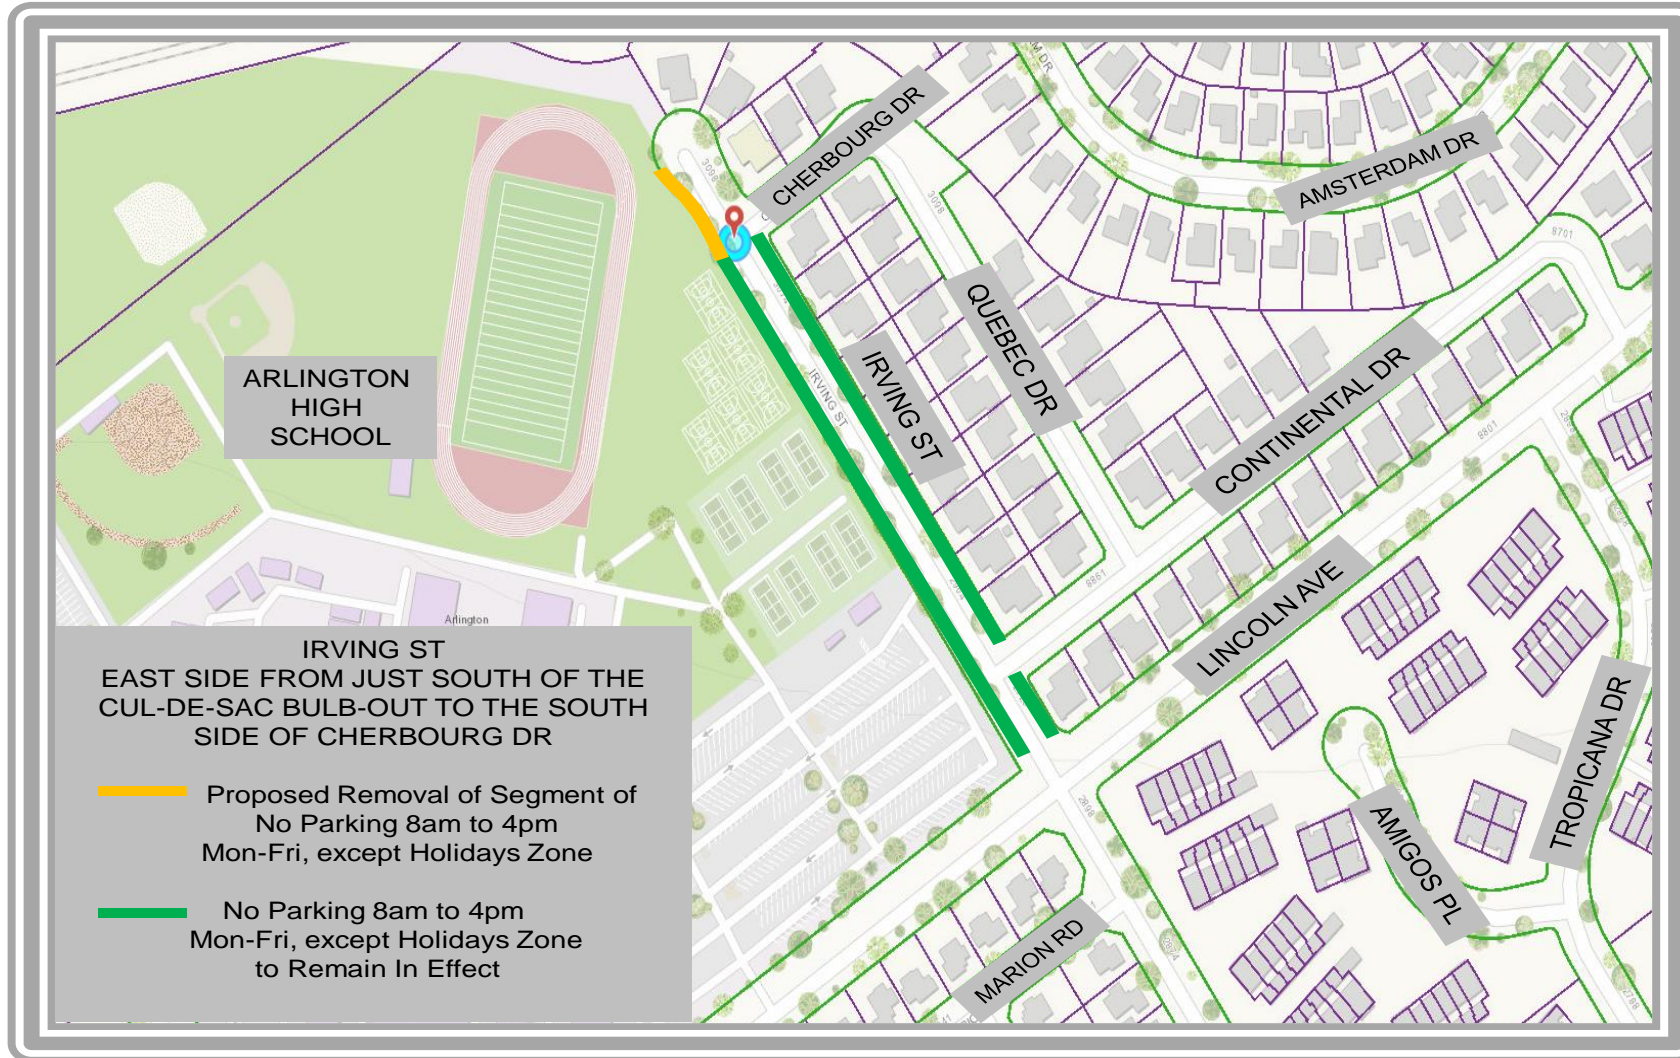

# ISSUE

- Consideration of the removal of the segment of existing Timed No-Parking zone on the west side of Irving Street from just south of the cul-de-sac bulb-out southerly to the south side of Cherbourg Drive.

# PETITION SUBMISSION

- A petition from 100% of the 3 residences located within cul-de-sac on Irving St, north of Cherbourg Dr, was received requesting removal of a segment of the existing No Parking 8am to 4pm Mon-Fri, except Holidays zone; and
- 7 additional neighborhood residents located outside of the immediate project area also signed the petition in support of the proposal.

# SITE MAP

# HISTORIC INFORMATION

- The Timed No-Parking zone was enacted years ago to address overflow Arlington High School parking and this segment is no longer needed due to the following:
  1. Previous open campus regulations have changed to closed campus; and
  2. The westerly school parking lot was expanded and now provides ample on-site parking at the school.
  3. Residents have shared that they no longer observe overflow parking on the far northerly section of Irving

# IMPACTS

- Removal of the designated segment of Timed No-Parking zone would:
  1. Expand on-street parking opportunities for residents and their guests;
  2. Better meet residents' current parking needs; and
  3. Have no impacts to Arlington High School operations or parking.

Note: All residences on Irving St. north of Lincoln Ave. were sent mail-out notifications of this board meeting.

# STRATEGIC PLAN ALIGNMENT

## List the Strategic Priority and Goal the item aligns with

**2.4** – Support programs and innovations that enhance community safety, encourage neighborhood engagement, and build public trust

### Cross-Cutting Threads

---

Community Trust

Fiscal Responsibility

Sustainability &  
Resiliency

Equity

Innovation

# RECOMMENDATIONS

That the Transportation Board:

- Review the proposal to remove the segment of existing “No Parking 8AM to 4PM Monday thru Friday, except holidays” zone on the west side of Irving Street from just south of the cul-de-sac bulb-out southerly to the south side of Cherbourg Drive; and
- Recommend that the City Council approve the proposed removal of the designated segment of Timed No Parking zone.
