**EXHIBIT B**

**Purchase Order Terms and Conditions  
TERMS AND CONDITIONS FOR PURCHASE ORDERS  
(FOR GOODS, COMMODITIES, AND SERVICES)**

1. **PURCHASE OF GOODS & SERVICES.** City agrees to purchase, and Vendor agrees to sell, the goods ("Goods") and/or to provide the services ("Services") set forth in (i) the City's Notice Inviting Bids or other written solicitation of bids by the Purchasing Agent ("City's Bid Documents") and (ii) Vendor's Bid in response thereto ("Vendor's Bid"). The City's Bid Documents and the Vendor's Bid shall be referred to collectively as the "Bid Documents." The Goods shall be in compliance with all of the standards and specifications set forth in the Bid Documents, and the Services shall be provided in a manner consistent with that level of care and skill ordinarily exercised by members in the same profession, practicing in the same locality under similar conditions. In the event of any conflict, the order of precedent shall be as follows: (i) specifications set forth in this Purchase Order; (ii) City's Bid Documents; and (iii) Vendor's Bid. There shall be no substitution of Goods or Services, without the prior written authorization of the Purchasing Agent.

2. **DELIVERY DATE.** The Goods must be shipped and must arrive at the destination specified on the Purchase Order as "Ship/Bill To" and Services must be provided by the Vendor by the request date specified therein ("Required Delivery Date"). Any failure by the Vendor to meet the Required Delivery Date will constitute a material default of this Purchase Order and the City may cancel any Goods not delivered in a timely manner without liability. The Vendor must notify the City immediately if the Vendor reasonably believes the Vendor will not be able to meet the Required Delivery Date for any reason and provide the City with a schedule that the Vendor reasonably believes it will be able to meet. It is within the City's discretion whether it will accept the revised schedule. If you fail to deliver by the date specified and City has to purchase goods elsewhere, Vendor will be responsible for any costs City has to expend over and above the original purchase price.

3. **PURCHASE PRICE.** The purchase price for the Goods and Services shall be the amount set forth in this Purchase Order. Vendor represents that the prices quoted to or paid by the City will not exceed current prices charged to any other customer by the Vendor on the Execution Date for items that are the same or substantially similar to the Goods, taking into consideration the quantity under consideration, and the Vendor will forthwith refund any amounts paid by the City in excess of the price.

4. **CANCELLATION.** City, by notifying Vendor in writing, shall have the right to terminate any portion of this Purchase Order prior to the delivery of Goods or at any time during the performance of Services. In the event of such termination, Vendor may submit Vendor's final written statement of the amount of Vendor's Services as of the date of such termination based upon the ratio that the work completed bears to the total work required to make the report complete. In ascertaining the work actually rendered through the termination date, City shall consider completed work, work in progress and complete and incomplete reports and their documents only after delivered to City.

4.1. Other than as stated below, City shall give Vendor thirty (30) days written notice prior to termination, including where the City decides not to pursue or to postpone the Project for which the Goods and/or Services were procured.

4.2. City may terminate this Purchase Order upon fifteen (15) days written notice to Vendor, in the event Vendor substantially fails to perform or materially breaches the Purchase Order terms and conditions.

5. **DELIVERY RISK OF LOSS.** All orders will be F.O.B. destination if not otherwise specified. Risk of loss or damage to the Goods must remain with the Vendor until the Goods have been delivered to and accepted by the City. All Goods and Services will be received by the City subject to its right of inspection, rejection, and revocation of acceptance under the Uniform Commercial Code. The City will be allowed a reasonable period of time to inspect the Goods and Services and to notify Vendor of any nonconformance with the terms and conditions of the specifications. The City may reject any Goods and Services that do not conform to the terms and conditions of this Bid Documents. Any Goods and Services rejected may be returned to the Vendor at the Vendor's risk and expense.

6. **INVOICES.** An invoice must be mailed to the City at the address specified in the Purchase Order as "Bill To" no later than the 5th day after shipment is made. Individual invoices must be issued for each shipment against each Purchase Order. Invoices must contain the Purchase Order number, description of Goods and Services, unit price, quantities billed, extended totals, and applicable taxes as set forth Section 9 of this Purchase Order.

7. **PACKING AND SHIPPING.** Deliveries must be made as specified, without charge, for boxing, crating or storage unless otherwise specified. Goods must be suitably packed to secure lowest transportation costs and, in accordance with the requirements of common carriers, in a manner to assure against damage from weather or transportation. The City's order numbers and symbols must be plainly marked on all invoices, packages and shipping orders. Packing lists specifying the quantity, description, and Purchase Order Number must accompany each box or packing shipment. The City's count or weight will be final and conclusive on shipments not accompanied by packing lists. Shipments for two or more destinations when so directed by the City will be shipped in separate boxes or containers for each destination, at no charge.

8. **PUBLIC WORKS.** Public Works shall be performed in accordance with the provisions of the current edition of the Standard Specifications for Public Works Construction ("Greenbook"), unless otherwise specified in the Bid Documents.

9. **TAXES.** The Vendor must separately state on all invoices any taxes imposed by the local, state or federal state government applicable to furnishing of Goods and Services; provided, however, where a tax exemption is available, the tax must be subtracted from the total price and identified. Unless otherwise set forth in the Purchase Order, the purchase price will be considered to include state and city sales or use tax.

10. **WARRANTY.** The Vendor warrants that all Goods will conform to applicable specifications, drawings, description, and samples, and will be merchantable, of good workmanship in material, and free from defect. Unless manufactured pursuant to detailed design furnished by the City, the Vendor assumes design responsibility and warrants the Goods to be free from design defect and suitable for the purposes intended by the City, and that such Goods if installed by the Vendor shall conform to applicable specifications. The Vendor's warranties, together with its service guarantees, must run to the City and its customers or users of the Goods and Services and must *not* be deemed exclusive. The City's inspection, approval, acceptance, use of, and payment for all or any part of the Goods and Services must in no way affect its warranty rights whether or not a breach of warranty had become evident in time.

11. **CHANGES.** The City has the right, by written notice, to change the quantity or specifications of the Goods and Services ordered and the terms of shipment or packaging of Goods. Upon receipt of any notice, the Vendor will proceed promptly to make the changes in accordance with the terms of the notice. If any change causes an increase or decrease in the cost or performance or in the time required for performance, an equitable adjustment must be negotiated promptly and the contract modified in writing accordingly. The Vendor must deliver to the City as promptly as possible, and in any event within 30 days after receipt of change notice, a statement showing the effect of any change in the delivery dates and prices; the statement must be supplemented within 30 days by detailed specification of the amount of the price adjustment and supporting cost figures. The Vendor's failure to submit the statements within the time limits stated will constitute its consent to perform the change without increase in price, without claim for material rendered obsolete and without change in delivery schedules.

12. **BUSINESS TAX.** Vendor understands that the Goods or Services provided under this Purchase Order constitutes doing business in the City of Riverside, and Vendor agrees that Vendor will register for and pay a business tax pursuant to Chapter 5.04 of the Riverside Municipal Code, unless Vendor qualifies for an exemption, and keep such tax certificate current during the term of this Purchase Order.

13. **INDEMNITY.** Except as to the sole negligence, active negligence or willful misconduct of the City, Vendor shall indemnify, protect, and hold the City, and its employees, officers, managers, agents and council members, harmless from any and all loss, damage, claim for damage, charge, lawsuit, action, judicial, administrative, regulatory or arbitration proceeding, damage, cost, expense (including counsel and expert fees), judgment, civil fine and penalties, liabilities or losses of any kind or nature whatsoever whether actual, threatened or alleged, which arises out of, pertain to, or relate to, or is in any manner connected with the Goods and Services provided pursuant this Purchase Order and/or the performance of work, activities, operations, representations, or duties of Vendor, or anyone employed by or working under Vendor, and from all claims by anyone employed by or working under Vendor for services rendered to Vendor in the performance of this Agreement, notwithstanding that the City may have benefited from their services. This indemnification provision shall apply to any acts or omissions, willful misconduct or negligent conduct, whether active or passive, on the part of Vendor or of anyone employed by or working under Vendor.

The parties expressly agree that any payment, attorneys' fees, costs or expense that the City incurs or makes to or on behalf of an injured employee under the City's self-administered workers' compensation is included as a loss, expense or cost for the purposes of this Section, and that this Section shall survive the expiration or early termination of the Purchase Order.

14. DUTY TO DEFEND. Vendor agrees, at its cost and expense, to promptly defend the City and the City's employees, officers, managers, agents and council members (collectively the "Parties to be defended") from and against any and all claims, allegations, lawsuits, arbitration proceedings, administrative proceeds, regulatory proceedings, or other legal proceedings which arise out of, or relate to, or are in any manner connected with: (i) the Goods and Services provided pursuant this Purchase Order; (ii) allegations that the Goods are defective in manufacture or design; (iii) any patent related to the Goods and (iv) the work, activities, operations, representations, or duties of Vendor, or of anyone employed by or working under the Vendor, or (v) any breach of this Purchase Order by Vendor. This duty to defend shall apply whether or not such claims, allegations, lawsuits or proceedings have merit or are meritless, or which involve claims or allegations that any of the Parties to be defended were actively, passively or concurrently negligent, or which otherwise assert that the parties to be defended are responsible, in whole or in part, for any loss, damage or injury. Vendor agrees to provide this defense immediately upon written notice from the City, and with well qualified, adequately insured and experienced legal counsel acceptable to the City. This obligation to defend as set forth herein is binding on the successors, assigns and heirs of Vendor and shall survive the termination of this Purchase Order.

15. INTERPRETATION. The terms of this Purchase Order should be construed in accordance with the meaning of the language used and should not be construed for or against either party by reason of the authorship of this Purchase Order or any other rule of construction that might otherwise apply.

16. GOVERNING LAW; JURISDICTION. This Purchase Order shall be construed in accordance with and governed by the laws of the State of California. The purchase of Goods shall take place in Riverside, California. For any dispute arising from this Purchase Order, the parties consent to jurisdiction and venue in the Riverside County Superior Court.

17. NONTRANSFERABILITY. The Vendor may not transfer or assign this Purchase Order, without the prior written approval of the Purchasing Agent, which may be withheld in his/her sole discretion.

18. DISCOUNTS. The date used as the basis for discount calculation shall be computed from the date of receipt of invoice, Goods and Services, whichever is later.

19. COMPLIANCE WITH APPLICABLE LAW. Vendor shall keep fully informed of federal, state and local laws and ordinances and regulations which in any manner affect those employed by Vendor, or in any way affect the Goods or Services provided by Vendor pursuant to this Purchase Order. Vendor shall at all times observe and comply with all such laws, ordinances and regulations, and shall be solely responsible for any failure to comply with all applicable laws, ordinances and regulations. Vendor represents and warrants that Vendor has obtained all necessary licenses to provide the Goods or Services and that such licenses are in good standing. Vendor further represents and warrants that the Services provided herein shall conform to all ordinances, policies and practices of the City of Riverside.

20. INTEGRATION; AMENDMENT. This Purchase Order represents the entire understanding of the City and the Vendor as to those matters contained herein. No prior oral or written understanding will be of any force or effect with respect to the terms of this Purchase Order. The Purchase Order may not be modified except by Change Order or Addendum to Purchase Order.

21. AUTHORITY. The individuals executing this Purchase Order and the instruments referenced herein on behalf of Vendor each represent and warrant that they have the legal power, right and actual authority to bind Vendor to the terms and conditions hereof and thereof.
