

**RIVERSIDE PUBLIC UTILITIES NOTICE OF PUBLIC HEARING**

July 11, 2016, 6:30 p.m.

Art Pick Council Chambers

3900 Main Street, Riverside CA 92522

Public water systems serving more than 10,000 service connections must prepare, in addition to the Annual Consumer Confidence Report, a brief, written report in plain language that gives information on the detection of any contaminants that exceed Public Health Goals (PHGs) published by the State Office of Environmental Health Hazard Assessment (OEHHA). The report must 1) identify each contaminant; 2) disclose the numeric health risk; 3) identify the category of risk; 4) describe the Best Available Technology for treatment; 5) estimate the treatment costs; and 6) describe what action the water supplier intends to take to reduce or eliminate the contaminant.

Riverside Public Utilities (RPU) will hold a

Public Hearing at the regularly scheduled meeting of the Board of Public Utilities, on July 11, 2016 at 6:30 pm, Art Pick Council Chambers 3900 Main Street, Riverside CA 92522, to receive comments on this report.

State law requires this Public Hearing so that interested individuals can provide RPU with comments on this written report.

Customers who wish to comment on this written report can attend this meeting or forward written remarks to the Public Utilities General Manager, 3750 3<sup>rd</sup> Floor, University Avenue, Riverside CA 92501 prior to the hearing.
