**1. OBJECTIVE**

This Agreement between the California Governor's Office of Emergency Services, (Cal OES) and the Riverside City Fire Department (CA-Task Force-6) hereinafter referred to as the, "Fire Agency", shall govern the reimbursements for the Fire Agency's costs of backfilling positions, overtime costs, related travel costs, consumables, and support fees, in order to allow the Fire Agency staff the ability to plan, prepare, attend, and participate in a Cal OES sponsored Urban Search and Rescue (US&R) Task Force Radioactive Dispersal Device (RDD) Exercise in 2018. The intent of this agreement is to provide the Fire Agency reimbursement in order to mobilize the US&R Task Force and its rostered members to an assigned Cal OES provided US&R RDD Exercise.

This reimbursement will allow the Fire Agency to maintain regular staffing to avoid any degradation of services or reduction in emergency response capabilities to the Fire Agency community during the assigned US&R RDD Exercises, due to the absence of one (1) or more trainees.

**2. TERM/PERIOD OF PERFORMANCE**

The period of performance for the Agreement shall be March 1, 2018, or upon approval, whichever is later, through December 31, 2018, with the option to extend for one additional twelve

Pursuant to California Public Contract Code sections 10295 and 10335, reimbursement for costs under this Agreement will only be made for costs incurred after the date of formal approval of this Agreement by the California Department of General Services.

Consistent with the terms and conditions of the original solicitation, and upon mutual consent, Cal OES and the Fire Agency may execute written amendments.

**3. BUDGETED AMOUNT**

The initial award of this Agreement shall not exceed \$228,681.60 \$288,681.60 and there is no obligation on Cal OES' part to utilize the entire amount. Any increases in the budgeted amount will be at the rates evaluated and considered herein.

**4. MANDATORY QUALIFICATIONS**
