

VOLUNTARY VMT EXCHANGE PROGRAM
PARTICIPATION AGREEMENT

This Participation Agreement (“Agreement”) is made as of _____, 2025 (“Effective Date”), by and between the Western Riverside Council of Governments, a California public agency (“WRCOG”) and the City of Riverside, a California charter city and municipal corporation (“Participant”). WRCOG and Participant are sometimes individually referred to as “Party” and collectively as “Parties”.

RECITALS

A. Before a California public agency issues a discretionary approval that authorizes an action with potential environmental impacts, the agency must first comply with the California Environmental Quality Act (“CEQA”) and disclose potential impacts to the environment.

B. The CEQA process may involve the imposition of “mitigation measures” which help to reduce a project’s potentially significant impacts.

C. The manner in which transportation effects are analyzed under CEQA changed dramatically when Senate Bill 743 (“SB 743”) was adopted in 2013. SB 743 and its implementing regulations require that transportation impacts throughout the state no longer be measured in terms of vehicle delay, but instead in terms of how many Vehicle Miles Traveled (“VMT”) a project generates.

D. Transportation demand management strategies have traditionally been utilized to change travel behavior as a way of reducing VMT. These strategies are generally most effective in urban areas where a project site is accessible through multiple travel modes offering similar travel times and convenience.

E. However, these strategies are less effective in low-density suburban and rural areas, such as Western Riverside County. As a result, Western Riverside County needs a coordinated regional approach.

F. To address these needs, WRCOG has established a Voluntary VMT Exchange Program (the “Program”) that allows Credit Users to agree to fund a predetermined VMT-reducing project submitted by a Credit Generator.

G. Participant desires to participate in the Program as a Credit Generator.

H. The purpose of this Agreement is to outline the terms and conditions of the Participant’s voluntary participation in the Program.

NOW, THEREFORE, IT IS AGREED AS FOLLOWS:

AGREEMENT

1. Incorporation of Recitals. The recitals above are true and correct and are hereby incorporated herein by this reference.
