Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? Yes No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

To Whom It May Concern:

This letter is to express my interest in serving the City of Riverside as a volunteer commission member on either the Human Relations Commission or the Commission on Disabilities. I recently relocated to Riverside from the east coast, where I was very active in many local community initiatives. I have a strong desire to support and serve the community I live in, and I consider volunteering as an excellent way to share knowledge and resources in an effort to strengthen the community. I believe that my previous 20 years of experience as a paramedic in emergency medical services has provided me with a unique perspective on the diverse physical, cultural and socio-economic needs of a community like Riverside. Today, as the executive director for the Commission on Accreditation of Ambulance Services, I have the opportunity to influence significant changes to the way individuals and their physical and cultural needs are addressed within the EMS industry.

I possess an objective, helpful and patient nature and strong time management abilities that would lend itself to the expectations of these commissions. I enjoy solving problems for people and seeing a positive outcome achieved. My experience in emergency medical services has proven to be advantageous while relating to individuals and groups from diverse cultural backgrounds. Over the years I have developed a reputation with internal and external customers as being resourceful, objective and fair. I believe these qualities and experiences would be beneficial to the City of Riverside.

Thank you for your time and consideration. I look forward to speaking with you to discuss my application and the qualifications that I have to offer.

Sincerely,

Sarah L. McEntee

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? Yes No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

Why you want to serve on a City Board or Commission:

I grew up in Riverside. After living in Orange County and Los Angeles County for 7 years, I am back in Riverside to stay, and with good reason. I understand and love what Riverside has to offer to its citizens. This is a beautiful city with a rich cultural heritage and a unique, diverse population. Many of the reasons why Riverside is what it is today exist because we are lucky enough to have had leaders, in our time and before, with a vision to design and plan the City to get most out of our values. I would like a chance to be part of that leadership and to assist in weighing these values (e.g., economic, recreational, environmental) important to us to determine the next steps for our City.

Experience or special knowledge pertaining to area(s) of interest:

On a personal level, I am very informed regarding Riverside history, current developments, and future potential. I understand what makes the City tick and the course it should be taking. On a professional level, I have experience in various sectors that I feel can translate into useful knowledge for the Commission. I have worked with developers and contractors on construction and public works projects throughout Southern California. I have experience in public outreach and government/agency consulting. I also have professional CEQA experience.

Educational background:

High School: Riverside Poly High
Bachelors in Science: University of California Riverside (Environmental Science)
Masters in Science: California State University Fullerton (Environmental Science), Completion in June 2012

Occupational experience:

From 2003 to present, I have worked as a professional consultant in the environmental field. This does not mean I am an environmentalist. I have worked for an international company and small businesses. My areas of expertise are brownfields redevelopment, school district support, site cleanup/remediation, hazardous waste management, water quality, construction, and environmental planning. I feel that my work experience can be valuable to the Commission and has the potential to directly assist the Commission in decision making.

Professional or technical organization memberships:

Registered Environmental Assessor II #30139
Certified Professional in Erosion and Sediment Control #6448

Civic or community experience, memberships, or previous public service appointments:

I do not have any previous memberships or appointments associated with municipal governments. This will be my first.

Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? Yes No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.
