OPPORTUNITY
FOR ALL
PROGRAM

ABOUT US

Phenix Technology was founded in 1972 by 2 firefighters who wanted to see a better helmet on the market that was durable yet lightweight. 50 years later we are a business who focuses on the development of people funded by the manufacturing of high-quality helmets!

THIS IS MY HELMET.

PROBLEM

EMPLOYERS COMPLAIN ABOUT NO WORKFORCE

There is not a labor shortage there are about 18,000 neurodiverse candidates ready to work in the Inland Empire alone

SCARED TO HIRE NEURODIVERSE CANDIDATES

Employers don't want to dive in and hire candidates because they don't know what to do

LACK OF TRAINING PROGRAMS

Employers don't know where to start or what to say when it comes to training and how to create a neuro-inclusive work environment

LACK OF GOVERNMENT SUPPORT

There are limited city, state and federally funded programs for hiring neurodiverse candidate pool

LACK OF AWARENESS

This population is often overlooked when given opportunities for work and generational success
