New	In Progress
Facilitate financing to support critical city infrastructure projects, to include the new Police Headquarters.	New	In Progress

FIRE

Objective	Continued / New	Status
Review, Develop, and implement department-wide all-hazard incident training.	Continued	In Progress
Evaluate and implement a tiered Wildland Dispatching matrix based on predicted weather models and memorialize information developed as an SOP.	Continued	In Progress
Implement advanced accountability system (Tablet Command), which includes Field Maps, Zone Haven, and MDC.	Continued	In Progress
Develop a Community Wildfire Protection Plan for public (Parks, RPU, Publis Works) and private property.	Continued	In Progress
Operationalize the Defensible Space Program with community notifications in inspections.	Continued	In Progress
Ensure proper accounting of UASI funds, work with auditor to develop process/policy for checks and balances.	New	In Progress
Enhance and regulary exercise the activation of the Emergency Operations Center to effectively manage both routine and unique incidents.	Continued	In Progress

FIRE

Develop, implement, memorialize, and exercise a crisis communication plan for large scale incidents.	Continued	In Progress
Develop and implement adaptable evacuation and notification plans.	Continued	In Progress
Review, develop, implement, and find a location for a cache of critical resources (e.g., drinking water, nourishment, hose, medical supplies) for large scale incident	Continued	In Progress
Review, develop, and implement inventory control process for all aspects of the Fire Department organization to include but not limited to hose, medical supplies, station supplies, tool & equipment, and apparatus.	Continued	In Progress
Develop and implement Everbridge for Fire Department internal communications.	New	In Progress
Public information initiative for Everbridge Emergency Notifications and information.	Continued	In Progress
Review each of the City of Riverside evacuations centers and develop a process to exercise each of the centers.	Continued	In Progress
Starlink - Identify and purchase Starlink and identify the process and procedure for the fire department.	Continued	In Progress
Intergrate Fire Department Master Plan with 2023-2028 Strategic Plan.	New	In Progress
Develop design for new Fire Stations.	Continued	On Hold
Hire civilian Fire Marshal.	Continued	On Hold
Review Fire Preventions account strings and develop an Enterprise account.	Continued	On Hold
Identify assignments and report requirements for the new Division Chief assignment.	Continued	In Progress
Develop Plan for Phase 1 of the Master Plan requirements.	New	In Progress
Stand up Safety Fusion Center.	Continued	In Progress

GENERAL SERVICES

Objective	Continued / New	Status
Museum Expansion and Rehabilitation	Continued	In Progress
Construct new Jesus S. Duran Eastside Library	Continued	In Progress
Breakground on new Downtown Police Dept. Headquarters	Continued	In Progress
Cesar Chavez Community Center Renovations	Continued	In Progress
Harada House Structural Stabilization	Continued	In Progress
Riverside County Transitional Housing (Hulen Place)	Continued	In Progress

GENERAL SERVICES

Access Center Improvements (Hulen Place)	Continued	In Progress
City Attorney's Office improvements	Continued	In Progress
Emergency generators at Fire Stations 4, 6, 7, 8, 9, and 11	Continued	In Progress
Install new above ground Police Department Jet fuel tank	Continued	In Progress
City Hall Elevator Renovation and Modernization	Continued	In Progress
Exterior painting of Fox Entertainment Plaza	Continued	In Progress
Airport projects - roofing replacements on the main terminal building, Waypoint building and hangar, replacment of main terminal exterior stairwell, renovation of old FAA building	Continued	In Progress
City Hall lobby renovations	Continued	In Progress
Develop an ADA Self-Evaluation and Transition Plan	Continued	In Progress
Expand use of City-owned electric vehicles and charging infrastructure	Continued	In Progress
Develop and formalize Vehicle Preventative Maintenance Program that aims to reduce vehicle/equipment downtime and develop greater in-house expertise through training, certifications, internship, and educational opportunities	Continued	In Progress
Reduce backlog of surplus vehicles by 75%	New	In Progress
Retain a Design-Build Entity and begin design work for expansion of the Riverside Convention Center	New	In Progress
Replace nearly 80,000 s.f. of non-functional turf at the City Corp Yard with water-efficient landscaping, funded by a rebate from MWD	New	In Progress

HOUSING & HUMAN SERVICES

Objective	Continued / New	Status
Work with the Riverside County University Health Systems - Behavioral Health to identify programming gaps in the Substance Abuse continuum of care of services including housing resources needed for those exiting treatment programs and reach out to cities within Riverside County to discuss how we can work collaboratively to address these gaps	Continued	In Progress
Research Foster Care Program for Animals for our unhoused population	Continued	On Hold
Seek veterinarian services for the Riverside Access Center Pet Kennel	Continued	On Hold
Complete rehabilitation of the Riverside Access Center	Continued	In Progress
Create new landlord incentive program marketing materials and market the program to landlords countywide	New	In Progress
Complete the purchase of an ADA van, explore connectivity for electric vehicles.	Continued	In Progress

HOUSING & HUMAN SERVICES

Allocate opioid settlement monies on treatment beds	New	In Progress
Conduct biannual meetings with cities throughout the county and Riverside County staff on homelessness to complete a homeless programs resources map and identify gaps in programming countywide.	Continued	In Progress
Conduct at least four saturation day events in areas with a high concentration of homelessness.	Continued	In Progress
Improve Hulen Campus environment (rehabilitation of the pet kennel and gate at the Access Center, a Hulen Campus directory sign, paint exterior of Hulen Place, and increase lighting). Seek grant funds to cover project costs.	Continued	In Progress
Review the Homelessness Action Plan with the Housing and Homelessness Committee	New	In Progress
Create HHS performance outcome infographic report and update every six months to be displayed on HHS's website and City's social media platforms	New	In Progress
Add three new affordable housing projects to the pipeline for development	Continued	In Progress
Assess the household's demographic data on multifamily housing properties' affordable housing wait lists to identify affordable housing development needs.	Continued	On Hold
Apply for Round 4 Prohousing Incentive Program grant funds and advocate for ongoing funding.	New	In Progress
Apply for the next round of Permanent Local Housing Allocation.	New	On Hold
Apply for funding from Altura Credit Union to purchase household items for Rental Assistance Program participants.	New	In Progress

HOUSING & HUMAN SERVICES

Work with Habitat for Humanity to identify funding resources to develop homeownership units on Garden Street in Ward 5	New	In Progress
Create a Nonprofit Collaborative webpage to share information on the nonprofits serving our community and their outcomes. The webpage will include a donation link to support the "Say No to Panhandling" campaign.	New	In Progress
City employee donation opportunity, pre tax (discuss w/ HR)	New	On Hold
Conduct resource fairs at affordable housing properties.	New	On Hold
Develop marketing plan to highlight successes of programs and partners	New	In Progress
Advertise Program Outcomes on HHS website and social media every six months	New	In Progress
Meet with faith based organizations who are doing feedings to partner with service providers, discuss affordable housing opportunities on vacant land and use vacant buildings for a Make It Cozy program.	New	In Progress
Conduct an asset map of homeless programs throughout Riverside County, identify homeless programming needs, and discuss subregional and regional opportunities	New	In Progress
Develop intervention strategies on at-risk residents (i.e. court eviction notifications, RPU delinquent customers, etc.)	New	In Progress
Pursue five manufactured housing on surplus properties	New	On Hold

HUMAN RESOURCES

Objective	Continued / New	Status
Streamline and automate the internal City volunteer hiring process and Livescan process through the implementation of a new Volunteer Management System. (HR)	Continued	In Progress
Develop an Employee Experience Program	Continued	In Progress
Youth Service Corp Intern Program	Continued	In Progress
Explore Employee Benefit Enhancements to aide in employee attraction/ retention	Continued	In Progress
Modernize existing job descriptions skills, and educational requirements.	Continued	In Progress
Develop automated workflow process to submit Classification & Compensation study requests.	Continued	In Progress
Develop Power BI Dashboards to enhance accessibility to real time stats	Continued	In Progress
Develop Electronic Process for bill payment process	Continued	In Progress

HUMAN RESOURCES

Review hiring, retention, and promotion practices to ensure that they reflect a commitment to fairness, equal opportunity and merit principals.	Continued	In Progress
Revise job descriptions to use more inclusive language and qualifications, ensuring all candidates have equal access to opportunities.	Continued	In Progress
Offboarding & Retirement Process Improvement:	New	N/A
Recruitment Visibility & Engagement Project	New	N/A
Benefits & Wellness Survey Launch	New	N/A
Blue Zones Worksite Certification of City Hall	New	N/A
Enhance Wellness & Safety Fair	New	N/A
Revamp Wellness Challenges	New	N/A
Develop Classification & Compensation Tracking Platform	New	N/A
Classification & Compensation Software Evaluation	New	N/A
TechHub HR Service Implementation	New	N/A
Enhance Citywide Safety Training	New	N/A
Enhance Safety Audit Plan	New	N/A
SafeCity Emergency Action Initiative	New	N/A
Safety Performance & Insight Initiative	New	N/A
Develop GIS Map for Citywide AED locations	New	N/A
Childcare Program	New	N/A
Leave of Absence (LOA) Process Enhancement and Policy Update	New	N/A
Develop online learning library	Continued	On Hold

INNOVATION & TECHNOLOGY

Objective	Continued / New	Status
Expand free Wi-Fi at City parks and public facilities	New	N/A
Expand the City's video security camera system.	Continued	N/A
Develop a public safety security cameras masterplan in partnership with RPD	New	N/A
Develop digital equity strategic masterplan incorporating the results of a community needs survey	New	N/A
Complete the Scope of works and execute agreement for permitting system phase 2 to provide enhanced developer and applicant friendly public portal	New	N/A
Create multi-year Citywide paperless operations masterplan	New	N/A
Complete the Finance and HR systems (ERP) gap/needs analysis to streamline City operations and reduce duplicate processes, duplicate and isolated systems, improve staff and customer experience through modern applications	Continued	N/A

INNOVATION & TECHNOLOGY

Complete the CRM/ 311 system gap/needs analysis to streamline City operations and reduce duplicate processes and improve staff and customer experience through modern applications.	Continued	N/A
Develop a 5-year Citywide technology strategic plan.	Continued	N/A
Complete Windows 11 migration	Continued	N/A
Complete City website upgrade	New	N/A
Publish GIS Master plan aligning Citywide geo-special operations and strategy	New	N/A
Expand GIS and Enterprise application mobile access for field personnel	New	N/A
Enhance the City's cybersecurity and disaster recovery capabilities.	Continued	N/A
Conduct a disaster recovery exercise and restoration of a complex multi-server system.	Continued	N/A
Conduct a simulated data center failover, including department functional validation.	Continued	N/A
Support Riverside Fiber ISP expansion.	Continued	N/A
Complete Utility Billing system upgrade	Continued	N/A
SOA-CRM and SOA-CIS upgrade	Continued	N/A

INNOVATION & TECHNOLOGY

Crywolf Online Payment system update	Continued	N/A
Special Assessment District Mapping and Deployment	Continued	N/A
RPU End of Life cameras replacements	Continued	N/A
Decomission and replace legacy Load Balancer Infrastructure	Continued	N/A
ArcGIS Enterprise 11.5 Upgrade	Continued	N/A
Develop PD Online Payment Application	Continued	N/A
Paperless Procurement Process Modernization	New	N/A
Internal service delivery platform AI Implementation	New	N/A
Decomission and upgrade legacy database clusters	Continued	N/A
Solid Waste Route Updates in GIS	New	N/A
Rivy Ai - Phase II integration and feature enhancements for location awareness and CRM integration	New	N/A
Public Works Trash Fees updates	Continued	N/A
NHS Outreach Survey Update	New	N/A

LIBRARY

Objective	Continued / New	Status
Establish partnerships with local schools in preparation of the 2029 goal of every third grader having a library card.	Continued	In Progress
Launch Archival Management soft software for management of materials	Continued	In Progress
Identify, purchase, and install a new customer incident tracking system	Continued	In Progress
Develop and use staff scheduling software	Continued	In Progress

LIBRARY

Continue construction on SPC Jesus Duran Eastside Library	Continued	In Progress
Identify additional, sustainable funding sources to maintain an increased library materials budget (\$500,000)	Continued	In Progress
Establish and utilize a life safety training schedule	Continued	In Progress
Identify funding to complete window restoration at Arlington Library	Continued	In Progress
Identify funding for modernization and ADA improvements at La Sierra Library	Continued	In Progress
Create a teen area at the Orange Terrace Library	Continued	In Progress
Establish the Ojos del Tiempo corner at Casa Blanca Library	New	In Progress
Certify Libraries as Blue Zone worksites	New	In Progress
Complete multiple library facilities projects including <ul style="list-style-type: none"> • New Carpet at Arlanza • New Carpet at La Sierra • Redesign teen/kids area at Orange Terrace Library • Install reading room doors at Main Library • Create mobile vehicle parking at Casa Blanca Library 	New	In Progress

MARKETING & COMMUNICATIONS

Objective	Continued / New	Status
Define Messaging and Brand Guidelines: Update existing Brand Standards Manual. Clearly define guidelines that encompass visual branding elements, messaging, and logo use. Ensure consistency across all channels, including print, digital, and social media.	Continued	In Progress
Internal Branding: Ensure that all members of the Marketing and Communication Department, and marketing ambassadors from all departments, understand and embrace the City's brand. Conduct internal workshops and training sessions to reinforce the importance of consistent branding by way of a Marketing Committee.	Continued	In Progress
Logos: Conduct a comprehensive evaluation of all City logos, their usage, branding, and service mark registrations to ensure consistency, effectiveness, and appropriate application across all departments and communications.	Continued	In Progress
Northside: Create and execute a marketing plan for the Northside Water Park Complex, highlighting its potential role in LA28, to position Riverside as a premier sports and recreation destination.	Continued	In Progress
Industry Spotlights: Develop and regularly feature industry spotlights that showcase key sectors contributing to Riverside's economic growth. Use various communication channels, including social media, photography, editorials, advertorials, press releases, and RiversideTV to highlight success stories, innovations, and opportunities within these industries.	Continued	In Progress

MARKETING & COMMUNICATIONS

Partnerships with Educational Institutions: Collaborate with local educational institutions to strengthen the connection between academia and industry. Highlight educational programs that align with workforce needs, attracting businesses seeking a skilled workforce.	Continued	In Progress
Account and Content Maintenance and Optimization: Regularly review and optimize profiles on major social media platforms, ensuring they are complete, visually appealing, and aligned with the City's brand guidelines.	Continued	In Progress
Social Media Advertising: Develop targeted social media advertising campaigns to reach specific demographics and promote key initiatives, events, and economic development efforts within Riverside.	Continued	In Progress
Content Collaboration: Collaborate with local influencers, businesses, and community leaders for co-created content. Leverage these relationships to broaden the reach and increase engagement with diverse audiences.	Continued	N/A
Training for City Staff: Provide regular training sessions for City staff involved in email marketing and social media management to ensure a consistent and unified approach. Educate staff on best practices, content guidelines, and crisis management strategies.	Continued	In Progress
Expand RiversideTV Programming: Diversify RiversideTV programming to include more innovative and interactive content. This may involve featuring local tech initiatives, startup stories, and advancements in Riverside.	Continued	In Progress
Crowdsourced Content Projects: Engage the community in crowdsourced content projects that leverage innovative media formats. Encourage students and residents to contribute content, such as user-generated music, films, and videos.	Continued	In Progress
Print and Digital Marketing Campaigns: Launch targeted marketing campaigns to reach potential tourists through social media, search engines, and travel websites. Utilize engaging visuals and compelling content to showcase Riverside's unique offerings to those outside jurisdictional boundaries.	New	In Progress

MARKETING & COMMUNICATIONS

LA28: Attract tourists, athletes, and coaches to stay in Riverside during the LA28 Olympic Games, positioning the city as an ideal and accessible destination for Olympic visitors.	Continued	In Progress
Partnerships with Travel Agencies and Tourism Organizations: Establish partnerships with travel agencies and tour operators to include Riverside in their itineraries. Provide them with promotional materials and incentives to encourage tourist bookings.	Continued	In Progress
Collaboration with Local Influencers: Collaborate with local influencers, travel bloggers, and content creators to showcase Riverside's tourism offerings. Leverage their reach and influence to attract a wider audience.	Continued	N/A
Placemaking & District Identity: Identify, name, and brand key corridors and gathering spaces to support tourism, economic activity, and stronger neighborhood identity.	New	N/A
Networking Events: Promote and participate in professional organizations and networking events, both virtual and in-person, to connect with external stakeholders. Create opportunities for casual interactions and relationship-building.	Continued	In Progress
Joint Marketing Initiatives: Collaborate with external businesses and organizations on joint marketing initiatives. This could include co-branded campaigns, shared events, or collaborative content creation to amplify messages.	New	N/A
Public Service Announcements (PSAs) :Create and disseminate PSAs on various media channels to communicate important information, updates, and initiatives from RPU. Utilize RiversideTV for visually engaging and accessible PSAs.	Continued	In Progress
RiversideTV Programming for RPU: Integrate RPU-related content into RiversideTV programming. Showcase behind-the-scenes operations, employee spotlights, and educational segments to engage the community and highlight RPU's services and programming.	Continued	In Progress

MARKETING & COMMUNICATIONS

Internal Communication Platform: Implement a dedicated internal communication platform to facilitate timely communication among staff members, including those in the field. Utilize tools such as Everbridge, Microsoft Teams, or customized intranet for efficient information sharing via text and email.	Continued	N/A
CORE Internal Newsletters: Create and distribute internal newsletters that highlight departmental achievements, updates, and important information. Include staff member spotlights, project updates, and relevant announcements to keep everyone informed.	Continued	In Progress
Podcast Series on Riverside Stories: Launch a podcast series that regularly highlights unique stories, experiences, and achievements within Riverside. Feature interviews with community members, leaders, and influencers to add a personal touch to the City's narrative.	Continued	N/A
Identification of Crisis Spokespersons: Identify and train key spokespersons within the organization (and back-ups) who will be responsible for communicating with the media, public, and stakeholders during a crisis. Ensure these individuals are well-versed and trained in crisis communication techniques.	Continued	In Progress
Emergency Notification Systems: Implement, update, and maintain an emergency notification system to quickly disseminate critical information to residents, stakeholders, and employees during a crisis. Ensure multiple communication channels are utilized for maximum reach.	Continued	In Progress
Collaboration with Emergency Services: Establish strong collaboration with local emergency services, law enforcement, and relevant agencies, particularly partnering with Public Information Officers. Create communication protocols for coordinated responses and information sharing during emergencies.	Continued	N/A
Pre-Approved Crisis Messages: Develop pre-approved crisis messages for common scenarios. These messages should be crafted in advance to ensure timely and consistent communication. Tailor them to specific incidents as needed during a crisis.	Continued	In Progress

MARKETING & COMMUNICATIONS

Internal Communication Protocols: Establish clear internal communication protocols for disseminating information among City employees during a crisis. Use dedicated communication channels to keep staff and electeds informed and aligned.	Continued	In Progress
Online Crisis Resource Center: Create an online crisis resource center on the City's website. This centralized hub should provide up-to-date information, official statements, and resources for residents and media during a crisis.	Continued	N/A
Accessible Website and Digital Platforms: Conduct accessibility audits for the City of Riverside website and digital platforms. Ensure that online content is accessible to individuals with disabilities, including compliance with web content accessibility guidelines (WCAG).	Continued	In Progress
Green Awareness Campaigns: Launch awareness campaigns to educate residents and businesses about the importance of sustainable living. Focus on simple actions individuals can take to reduce their environmental impact.	Continued	In Progress
Green Events Promotion: Actively promote and support green events, such as environmental fairs, tree planting initiatives, and clean-up campaigns. Use various communication channels to encourage community participation.	Continued	In Progress
Sustainable Transportation Campaigns: Develop marketing campaigns to promote sustainable transportation options, such as biking, walking, and public transit. Encourage the use of electric vehicles and communicate the City's efforts to improve green transportation infrastructure.	Continued	N/A

MUSEUM

Objective	Continued / New	Status
Continue construction on renovated and expanded downtown Museum location.	Continued	In Progress
Submit anticipated financial impacts of downtown Museum reopening, including a staffing plan and future estimated operating budgets.	Continued	In Progress
Continue work to realize a comprehensive cultural mapping project with multiple partners.	Continued	In Progress
Expand and refine the Museum's formal and informal relationships with external educational institutions, including RUSD and Alvord, to achieve a wider range of curriculum-based programs.	Continued	In Progress
Continue to improve Museum volunteer recruitment and training and expand available opportunities.	Continued	In Progress
Begin rehabilitation of Harada House and construction of its Interpretive Center.	New	In Progress
Advance the multi-year production of a feature-length documentary about Harada House, the Harada family's civil rights story, and the City's work to save and open the house.	New	In Progress
Offer public programming that reflects diversity, provides multi-cultural education, and encourages equitable program participation.	Continued	In Progress
Offer public interpretation of new downtown Museum's sustainably features.	Continued	In Progress

PARKS, RECREATION AND COMMUNITY SERVICES

Objective	Continued / New	Status
Develop a Senior Strategic Plan - a comprehensive plan to improve the well-being and quality of life for Riverside's senior population specific to housing and food insecurities.	Continued	In Progress
Create the opportunities for Seniors to Engage in Paid Employment or Volunteer Work - Throughout all community centers/programs.	Continued	In Progress
Continue with the Commission for Accreditation of Parks and Recreation Agencies (CAPRA) with the National Recreation and Park Association (NRPA) - Goal is to receive accreditation by September 2026	Continued	In Progress
Enhance and implement Adaptive Recreation - programming for the Disabled (Developmental and Physical)	Continued	In Progress
Develop the Arts Master Plan	Continued	In Progress

PARKS, RECREATION AND COMMUNITY SERVICES

Develop and implement a Percent for the Arts Program that applies a development fee to new projects (based on a percentage of development value).	New	In Progress
Implement the Year of Arts & Culture District	New	In Progress
Improve and Enhance Customer Experience with Special Event Permit Process (PRCSD Lead with all other departments)	Continued	In Progress
Implement Improved Marketing Strategy at The Box	Continued	In Progress
Develop and Implement Citywide City-hosted Sponsorship Program	New	In Progress
Development and Implement an Artist Training Program	Continued	In Progress
Continue to work towards Zero Emissions for PRCSD Transit Services	Continued	In Progress
Offer Free Rides throughout the year	Continued	In Progress
Convert the radio system from analog to digital (RPU)	Continued	In Progress
Replace Transit Admin Vehicle	Continued	In Progress
AED Units for all Transit buses	Continued	In Progress
Bus Replacement - Order 10 new 16 passenger buses to replace 10 current buses that have met its useful life benchmark	Continued	In Progress
Comprehensive Operations Analysis (COA)	Continued	In Progress
Transit Bus Yard Assessment Project	Continued	In Progress
Complete building renovations and pickleball court construction, and engage concessionaires for the Fairmount Armory	Continued	In Progress
Bid Fairmount Park Rose Garden	Continued	In Progress

PARKS, RECREATION AND COMMUNITY SERVICES

Complete Fairmount Park Master Plan that will identify improvements that will increase activity while preserving the historic integrity	Continued	In Progress
Complete Fairmount Park University Wash Arroyo Improvements funded by the Flood Control District	Continued	In Progress
Issue RFP for Fairmount Park Golf Course Entertainment/Programming Improvements and Concessionaire	New	In Progress
Fairmount Storm Drain Outlet	New	In Progress
Explore public sale of surplus land for funding at Fairmount and other sites	New	In Progress
Finalize the River District Feasibility Study	Continued	In Progress
Complete the Gateway Project Suite Park Master Plans	Continued	In Progress
Complete community input and design for the renovation of the Bobby Bonds Skatepark; then build and renovate.	Continued	In Progress
Complete the Bordwell Park Gymnasium	Continued	In Progress
Begin Construction of the Cesar Chavez Community Center Renovations	Continued	In Progress
Begin Construction of the Gage Canal Trail - Palmyrita Ave to Blaine Street	Continued	In Progress
Issue RFP for Hole Lake Master Plan	New	In Progress
Explore opportunities for a new pool at La Sierra Park	New	In Progress

PARKS, RECREATION AND COMMUNITY SERVICES

Begin community meetings and grant applications for Mission Ranch Park	New	In Progress
Complete renovation of Patterson Park	Continued	In Progress
Complete playground replacements	Continued	In Progress
Explore opportunity for senior center and pool in Ward 4	New	In Progress
Explore funding opportunities to renovate Joyce Jackson Community Center at Nichols Park as a community resilience center and add deaf cultural community center wing	New	In Progress
Explore funding opportunities for Ruth Lewis Community Center renovation at Reid Park	New	In Progress
Continue Deferred Maintenance	Continued	In Progress
Upgrade three parks to CalSense Water Management System	Continued	In Progress
Continue City-wide Park Deferred Improvements	Continued	In Progress
Upgrade Park Lighting with LED	Continued	In Progress
Improve Management of City Trees / Control Fire Fuel Sources	Continued	In Progress
Simplify permitting process for outside arts and culture events.	New	In Progress

POLICE

Objective	Continued / New	Status
Bring back El Protector event through increased campaign to sign up participants	New	On Hold
Expansion of real-time crime center. a. Integrate Flock cameras b. Public outreach for business and privately owned cameras."	New	In Progress
Implement mobile CAD capabilities for Field Operations.	New	In Progress
Achieve full Public Safety Dispatcher Staffing by Dec 2025.	New	In Progress
Achieve full Police Officer Staffing by Dec 2025.	Continued	In Progress
Expand the Parks and Neighborhood Specialist Program.	Continued	On Hold
Moving forward with the design of the new police headquarters.	Continued	In Progress
Collect data for nuisance properties to support enforcement of nuisance abatement laws.	New	In Progress
Fully staff the Public Safety Engagement Team (Urban and Wildland).	New	In Progress
Assist HR and Fire with the selection, background investigations, and placement of three (3) Crime Analysts to support the new Inland Empire Region's Fusion Center (STRAC)	New	In Progress

PUBLIC WORKS

Objective	Continued / New	Status
Initiate Construction of the Market Street Bridge	New	In Progress
Hole Lake Conservation Easement and Park Master Plan	New	New
South Main Street Complete Streets Project	New	In Progress
Continued GIS Systems Enhancements & Innovation	Continued	In Progress
Complete Construction of the Civil Rights Walk	Continued	In Progress
Initiate Construction of the Third Street Grade Separation	Continued	In Progress
Initiate Construction of the Mission Inn Avenue Bridge	Continued	In Progress
Railroad: Complete Construction of the Cridge, Brockton and Palm Quiet Zones	Continued	In Progress
Long Term Rail Plan & Commuter Rail	Continued	In Progress
Over the counter Public Art permits: Collaborate with Arts and Culture to allow for "over the counter" public art permits to simplify minor work within the right of way on locations such as traffic signal cabinets.	Continued	In Progress
Support City Manager's Office to establish CFDs for Paving: Continue to provide data, justification, and analysis to support the establishment of CFDs or other creative funding mechanisms to fund pavement maintenance	Continued	In Progress
Next Grade Separation: Spruce Street. Seek Planning funding	Continued	In Progress
Downtown Valet Program Pilot Launch	Continued	In Progress

PUBLIC WORKS

Parking Garage Repairs Bid - Q1 2026	New	In Progress
Northside Master Drainage Plan	Continued	In Progress
Vision Zero Plan or Towards Zero Deaths Plan (Milestone: Award Consultant Contract scheduled on Jan 6 2026 CC meeting and begin project)	Continued	In Progress
Safe Routes to School Planning (Milestone: Individualized Safe Route To School Action Plan scheduled to be completed in 2026 as well as citywide SRTS master plan)	Continued	In Progress
Highway Safety Improvement Program Cycle XI: Complete Project Construction (Milestone: Award Construction Contract & Begin Construction Project) Bid 8183 (Citywide Retroreflective Backplates & Right turn Overlap projects)	Continued	In Progress
Highway Safety Improvement Program Cycle XI: Complete Project Construction (Milestone: Award Construction Contract & Begin Construction Project) Bid 8184 (Mission Inn Median + HFST)	Continued	In Progress
ADA Master Plan	New	Pending
Consideration of a Pavement Trench Cut Fee	Continued	Pending
Graffiti Plan (Consultant): Engage a third party consultant to assess current anti-graffiti efforts, analyze current abatement and public education strategies to reduce graffiti, and enhance graffiti education program and efficacy of field teams	Continued	In Progress
Solid Waste Route Optimization: Review existing solid waste and street sweeping routes and assess opportunities to optimize routes to enhance service	Continued	In Progress
Vehicle Repair Enhancements: Work closely with General Services to reduce vehicle/equipment downtime, thereby enhancing customer service. Foster development of in-house expertise for complex systems requiring frequent repairs. Explore options to minimize repair backlogs through use of vendors & manufacturers where appropriate.	Continued	In Progress
Third-Party Special Event Support: Build in-house capacity/resources, develop standard operating procedures and (if necessary) fees for Public Works to support on-street special events by deploying City-owned portable vehicle barriers	Continued	In Progress
Urban Forest management software system implementation	Continued	In Progress
Solid Waste: Pilot Program for Smaller Trash Cart	Continued	In Progress
Adoption of new sewer rates to support ongoing operation and maintenance as well as 5 year capital improvement needs for the plant and collection systems, identified in the City Council-approved 2019 Master Plan. 3 Phase Process:	Continued	In Progress

PUBLIC WORKS

Phase I Update Rate Analysis with current O&M costs and Coordination with CMO	Continued	In Progress
Phase II Outreach including Preliminary Presentations to City Council and Public	Continued	In Progress
Phase III Proposition 218 and City Council Approval	Continued	In Progress
Implementation of Public Private Partnership (P3) with Anaergia in expanding food waste conversion to renewable natural gas (RNG), along with conversion of Class B to Class A Biosolids to reduce impacts to the environment and landfills. (PW) 3 Phase Project:	Continued	In Progress
Phase II: Construct (up to 24 mo)	Continued	In Progress
P3 Grant Funded Projects:	Continued	In Progress
Digester 5 Rehab = \$2M CalRecycle	Continued	In Progress
Foodwaste Receiving = \$10M CalRecycle	Continued	In Progress
Complete CCB2 upgrade Chemical Optimization, reducing treatment processes by half with anticipated 50% cost saving of chemical usage.	Continued	In Progress
Initiate GIS mapping of the WQP w/ Asset Management Integration	Continued	In Progress
Water Quality: New Stormwater Permit	Continued	In Progress
Parking Garage Branding: Develop branding & visual enhancements for one Downtown Parking Garage	Continued	In Progress
Post-entitlement development assistance: Collaborate with CEDD to reduce developer workloads and provide enhanced support to the development community following entitlements. Reduce the manual routing required of project managers.	Continued	Pending
Influent meter's upgrade project to accurately measure incoming sewer effluent.	Continued	On Hold
In House Paving Capabilities: Pursue funding and purchase new equipment to improve the in-house slurry seal & paving capabilities of Field Operations staff, with the objective of augmenting the City's pavement management program	Continued	In Progress
Median Master Plan: Conduct a baseline assessment of current median landscape conditions, map existing landscaped medians in GIS, and develop a plan for revitalizing those in need of attention	Continued	In Progress
Installation of 2 barscreens at RWQCP Headworks	New	In Progress
Installation of a new centrifuge in Bio-Solids building.	New	In Progress
Design and secure equipment for bio-solids conveyor system.	New	In Progress

PUBLIC WORKS

Design and installation of the solar panels in staff parking lots.	New	New
Design of the RWQCP's electrical switchgears replacement	New	New
Replacement of Third Street sewer main from Vine Ave to Market St.	New	In Progress
Design of the Pierce St lift station	New	New
Mission Inn Ave & Market Street Bridges: Enter Into High Cost Agreement With Caltrans / County	Continued	In Progress
Adams St at State Route 91: Finalized Environmental and Project Funding	Continued	In Progress
Mitchell Avenue Sidewalk: Initiate Right of Way Phase	Continued	In Progress
Stover Avenue Sidewalk: Initiate Right of Way Phase	Continued	In Progress
Connecting Five Points: Initiate Right of Way Phase	Continued	In Progress
Hole Lake Mitigation: Initiate mitigation work within Hole Lake area for Jurupa Ave Extension	Continued	In Progress
AHSC Grant 1 Mission Heritage (Milestone: Advertise Out to Bid & Award Construction Contract)	New	In Progress
AHSC Grant 2: Entrada - Design Phase In Progress	New	In Progress
AHSC Grant 3: Mulberry Garden FamilyProject - Initiate Design	New	In Progress
MDP Monroe Channel Stage -5 Project (Monticello Channel Cover)	Continued	In Progress
Fairmount Park Drainage	New	In Progress
MDP Monroe Line E-1 Storm Drain Project (Dufferin Ave + John St Drainage)	New	In Progress
Citywide Storm Drain Repairs Project	New	In Progress
Coolidge Avenue Storm Drain Project	New	In Progress
Arlington Storm Drain Repairs Project	New	In Progress
Houghton Avenue Storm Drain Improvement	Continued	In Progress
MDP Line D Project (Commerce Street to Kansas Avenue)	New	In Progress
Central Avenue Slope Repair: Begin construction	New	In Progress
Repave/Resurface all downtown public parking lots	New	In Progress

PUBLIC WORKS

Neighborhood Safety Investment Program (SS4A) (Milestone: Executed USDOT Agreement & Award design services in 2026)	New	In Progress
ITS Master Plan (SS4A) (Milestone: Executed USDOT Agreement & Award design services in 2026)	New	In Progress
SR 91 Pedestrian Bridge Planning (SS4A) (Milestone: Executed USDOT Agreement & issue RFP in 2026)	New	In Progress
Highway Safety Improvement Program Cycle XI: Citywide Leading Pedestrian Interval (LPI) Implementation	Continued	In Progress
2023 SB 821 Grant Project (24 Ped & Bike Intersections Improvements) (Milestone: Award Construction Contract)	Continued	In Progress
South Main Complete Street: Initiate Project Design	Continued	In Progress
Citywide Speed Limit Reduction Program (2023 SS4A Grant Program Supplemental Component)	Continued	In Progress
2025 SB 821 Grant Project (Van Buren Class II Buffered Bike Lanes) (Milestone: Award Design Contract)	New	In Progress
2025 SB 821 Grant Project (Chicago Ave Bike Lane + 3 Sidewalks) (Milestone: Complete Design Phase)	New	In Progress
Citywide median irrigation/landscaping improvements	Continued	In Progress
Pilot Sign Shop production of the street signs for one PW CIP project and assess the effectiveness of this approach	Continued	In Progress
Replace Pierce Street sewer lift station, commission since 1968. e. Replace Dexter Lift sewer lift station.	Continued	In Progress
Replace Fairgrounds sewer lift station.	Continued	In Progress
Van Buren Sewer Installation	New	In Progress
Wood Streets Sewer Project	New	In Progress
Riverwatch Settlement Agreement Implementation for Sewer Collection System	New	In Progress
Tequesquite Wetlands Feasibility Study	New	In Progress

RIVERSIDE PUBLIC UTILITIES

Objective	Continued / New	Status
Evaluate the challenge of tiered water rates and study other water rate models.	Continued	In Progress
Complete a review and develop a streamlined strategy for the development review process as well as to support economic development by the end of the year.	Continued	In Progress
Increase inventory of critical long lead equipment such as electrical transformers, copper wire, copper pipe, etc.	Continued	In Progress

RIVERSIDE PUBLIC UTILITIES

Implement a customer call back option	Continued	In Progress
Implementation of Non-potable and Recycled Water Master Plan	Continued	In Progress
Address historical water quality issues affecting the City's groundwater supplies.	Continued	In Progress
Address emerging water quality issues affecting the City's groundwater supplies.	Continued	In Progress
Improve electric outage communication to customers by providing accurate real time event status.	Continued	In Progress
Increase utility response time by narrowing the search grid to locate the cause of the outage.	Continued	In Progress
Maintain the City's current local energy production by replacing the aging and obsolete Springs Generation facility.	New	In Progress
Develop an Energy Efficiency program strategy to address load capacity and the state's future mandates for the electrification of transportation and buildings.	Continued	In Progress
Develop a comprehensive Water Conservation Strategy that supports the Making Conservation a California Way of Life regulation requirements.	Continued	In Progress
In collaboration with the Board of Public Utilities, implement items on the Board Work Plan for 2026.	Continued	In Progress

OFFICE OF SUSTAINABILITY

Objective	Continued / New	Status
Develop Zero Waste City Events Plan for a variety of events types	New	On Hold
Blue Zone implementation program for the City of Riverside.	Continued	In Progress
Grow Green Business Network by supporting existing businesses in reducing energy and water consumption, preventing pollution, diverting waste from landfills and educating their staff in creating a cleaner healthier environment	Continued	In Progress
Recruit and support new Green Tech businesses in Riverside	Continued	In Progress
Host first Ag Workforce Training cohort as part of the Northside Ag Innovation Center	New	In Progress
Host Grow Riverside 2025 in partnership with Riverside Food Systems Alliance.	Continued	In Progress
Complete Phase 1 construction at the Northside Ag Innovation Center	New	In Progress
Implement Zero Emission Vehicle (ZEV) Transitional Plan including planning for infrastructure upgrades,	New	In Progress

OFFICE OF SUSTAINABILITY

Develop a citywide ZEV Policy with appropriate departments.	New	In Progress
Develop plan for zero emission infrastructure upgrades to electric charging and hydrogen fuel stations, as well as solar canopies throughout the bus yard.	Continued	In Progress
Lead the Regional Climate Collaboratives to fund community building and climate resilience planning.	Continued	On Hold
Lead Inflation Reduction Act submission process for the city, coordinating with departments for eligible capital projects and with Finance on preparing necessary documents.	Continued	On Hold
Lead the Climate Action and Adaption Plan efforts. Lead the Climate Plan Advisory Committee (CPAC) meetings to illicit input and feedback from community experts. Develop Mitigation Measures and Climate Actions. Develop Sustainability Framework and Climate Vulnerability Assessment	Continued	In Progress
Submit to LEED for Cities designation developed by US Green Building Council	New	In Progress
Develop Sustainable Procurement Policy and practices	Continued	On Hold
Develop and host Sustainability Trainings for Staff including on topics such as: climate impacts, latest technology updates, effective climate actions, etc.	Continued	In Progress
Incorporate sustainability into New Staff Orientation, Job Descriptions and City collateral material to elevate it as a value within the City as well as provide useful information	Continued	In Progress
Assist in pursuing grants related to sustainability	Continued	In Progress
Assist with implementation of all-electric autonomous shuttles deployed in City; manufactured by Ohmio and operated by RTA	New	In Progress
