**MISSION BOULEVARD BRIDGE  
REPLACEMENT PROJECT**

1. The Mission Boulevard bridge connects the Cities of Riverside and Jurupa Valley
2. Studies resulted in a recommendation for bridge replacement versus a seismic retrofit
3. A planned bridge replacement project is anticipated to begin construction in FY 2019/20

**RiversideCa.gov** 2

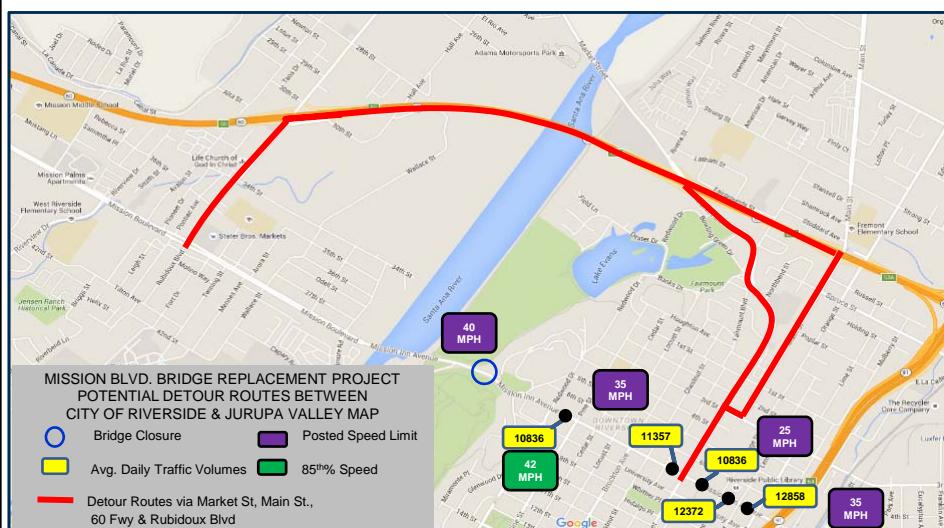

## BRIDGE REPLACEMENT PROJECT INFORMATION

1. Riverside County serves as the lead agency for the project
2. Project Approval & Environmental Document (PA&ED) phase began in December 2015
3. Potential initial stage impacts (1 yr. duration):
  - a) Preliminary plans to maintain two-way traffic on bridge during peak hours
  - b) May entail lane and/or sidewalk closures
  - c) Delays could warrant detours and increased traffic on Market St., Main St., 60 Fwy., and Rubidoux Blvd.
