

POPULAR ANNUAL FINANCIAL REPORT

YEAR ENDED JUNE 30, 2022

Riverside, California

Dear Reader,

The City of Riverside is pleased to present our Popular Annual Financial Report (PAFR) for the fiscal year ending June 30, 2022. Our PAFR provides an overview of the City's financial position in a manner that is easy to understand. The information in this report is based on the audited results presented in the City's Annual Comprehensive Financial Report (ACFR). This report also includes information about the City's economic outlook and organizational outstanding debt structure.

It is important to note, this PAFR is unaudited and is presented on a non-GAAP basis*. This means that the presentation of financial data in this report differs from the GAAP basis presentation in the City's ACFR. The differences are as follows: the use of prescribed accounting methods and financial statement formats; the presentation of segregated funds; and the disclosure of all material financial and non-financial matters in notes to the financial statements.

We hope that you find this report helpful and encourage you to access the City's website (www.RiversideCA.gov/Finance) or contact the Finance Department at (951) 826-5660 for more detailed information about the City's finances.

Sincerely,

Edward Enriquez
Chief Financial Officer/City Treasurer

ABOUT THE CITY AND ITS LEADERSHIP

The City of Riverside operates under the council-manager form of government. Under this organizational structure, the City Council appoints a City Manager to act as the Chief Operating Officer. The City Council sets policy direction and the City Manager implements those policies. The Mayor is elected at-large, while Council members are elected by voters in each of seven separate wards. The Mayor shall be the presiding officer at all meetings of the City Council and shall have a voice in all its proceedings but shall not vote except to break a City Council tie-vote. The Mayor shall be the official head of the City for all ceremonial purposes.

The City of Riverside, incorporated on October 11, 1883, is in the western portion of Riverside County, about 60 mile east of Los Angeles. The City currently occupies a land area of 81.5 square miles.

The City is a part of Inland Southern California, which consists of Riverside and San Bernardino Counties (the "MSA"). The population of Inland Southern California, at approximately 4.6 million, is larger than 25 states. The population of the City is 317,847 which places it as the 12th largest in California.

WHAT'S NEW: FINANCIAL HIGHLIGHTS

Overall, the City as a whole has seen revenue increasing and expense reductions. For the year ended June 30, 2022, revenue exceeded expenses by nearly \$171.8 million. This had a positive impact on the City's overall financial position. This was primarily attributed to increase in Sales Tax revenue (\$24M), ARPA grant received (\$73.5M) with minimal associated expenses, and a decrease in expenses due to the elimination of the CalPERS net pension liability (\$74M).

Long-Term Financial Planning

On June 21, 2022, the City Council adopted the City's 2022-2024 Biennial Budget. For Fiscal Year 2022-23 it's comprised of \$1.4 billion in funding for citywide operations including \$163 million for capital projects. The Biennial Budget embraces the concepts of Priority Based Budgeting (PBB) that align City resources with the strategic priorities outlined in the Envision Riverside Strategic Plan 2025.

Strategic Smoothing of Pension Related Obligations

The unfunded accrued liability (UAL) payment schedule per the CalPERS actuarial report and the pension obligation bond (POB) payment schedule were analyzed to determine optimal Section 115 Trust contributions and withdrawals to smooth the fiscal impact of the pension payment obligations. This is important because the City's UAL payments are based on CalPERS investment returns. These returns are expected to be volatile over the next decade. The proposed smoothing will result in level payments annually for 12 years beginning Fiscal Year 2024/25. The combination of current reserves and proposed contributions will build the Section 115 Trust Fund to a balance of approximately \$40 million which is projected to be sufficient to smooth the projected volatility of UAL payment requirements.

American Rescue Plan Act (ARPA)

On March 11, 2021, President Biden passed the \$1.9 trillion American Rescue Plan Act (ARPA). The ARPA established the Coronavirus State Fiscal Recovery Fund and the Coronavirus Local Fiscal Recovery Fund, which provide assistance to eligible state, local, territorial, and Tribal governments to assist in the recovery from economic and health impacts of the COVID-19 pandemic. The City received one-time funding of approximately \$73.5 million from ARPA with the first installment of \$36.7 million received in June 2021 and \$36.8 million received in June 2022. The City may use the funds to best support the needs of the community providing the use of the funds aligns with statutory categories. THE CITY'S FINANCIAL POSITION

The Statement of Net Position financial statement presents information about the City's assets, liabilities, deferred outflows (e.g., prepaid items), and deferred inflows (e.g., advance collections). The City's net financial position is the balance of all assets and deferred outflows, less all liabilities and deferred inflows. Over time, increases or decreases in the City's net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating. For the fiscal year ended June 30, 2022, the City's net position improved by \$172.5 million.

THE CITY'S ASSETS AND INVESTMENTS

INVESTMENT MANAGEMENT AND FUNDS ALLOCATION

The prioritized objective of the City's investment program is to preserve principal, ensure enough liquidity, and generate a market rate of return. The City's investments comply with California Government Code Section 53601 guidelines for permissible investment types and limits. In addition, all investments comply with the City Council's adopted investment policy which mitigates the City's risk. The chart below reflects the types of investments held by the City or its Fiscal Agent as of June 30, 2022.

Average Purchase Yield to Maturity

Yield to maturity is the total return of investment anticipated on a bond if the bond is held until it matures. This figure is expressed as an annual rate. Based on information prepared by the City's investment consultant at year-end, the City's average purchase yield to maturity increased significantly when compared to the previous year.

CAPITAL ASSETS, NET OF DEPRECIATION

\$3,302,790

(In thousands of dollars)

The City's capital asset investment includes land, intangibles, buildings and improvements, machinery and equipment, park facilities, roads, highways, and bridges.

Major capital improvements included projects for road (\$22.5 million), storm drains (\$8.6 million), Youth Innovation Center (\$7.1 million), water utility (\$15.2 million), electric utility capital improvements (\$26.4 million) and The Cheech Marin Center (\$11 million).

WHAT THE CITY OWES

As of June 30, 2022, the City had outstanding long-term bonded debt totaling \$1.8 billion. A five-year history of the long-term debt for governmental and business-type activities is below.

Long-Term Bond Debt Outstanding*

In thousands of dollars

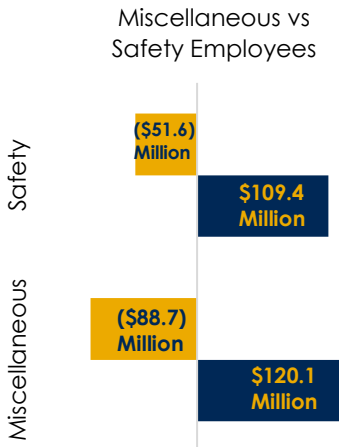

*Excludes debt issued by the City that is not a financial obligation of the City such as Fiduciary Funds.

The City issues bonds to support spending for construction, capital asset purchases and improvements and unfunded pension liability.

Water, Electric, and Sewer Revenue Bonds \$1,139.1 million	Issued to acquire, purchase, construct, or improve major capital facilities. The revenue generated by the facility or activity supporting the facility is pledged as security for the repayment of debt.
Certificates of Participation \$111.4 million	Used as a lease-purchase financing mechanism for public buildings such as the Convention Center.
Pension Obligation Bonds \$449.0 million	Used to pay some of the pension plan's unfunded pension liability. The City's net pension asset as of June 30, 2022, was \$140.3 million.*
Lease Revenue Bonds \$75.5 million	Used to finance public improvements such as City Hall, Galleria at Tyler, Police Patrol Center and a Main Library Project.
General Obligation Bonds \$5.0 million	Issued for the construction or acquisition of major capital assets. The security pledged for the bonds is the general taxing power of the government.

Net Pension Liability/(Asset)*

The largest impact to the City's long-term financial stability relates to the increase in pension costs from CalPERS. In Fiscal Year 2021-22, the City has a net pension asset instead of a liability. This means the present value of pension assets is greater than the projected pension obligations.**

Governmental vs Business-Type Activities

*Based on Governmental Accounting Standards Board Pronouncement No. 68 Generally Accepted Accounting Principles reporting requirements which differs from the annual CalPERS actuarial report which contains information regarding the current financial status of the City's retirement plans and employer funding requirements.

**At June 30, 2021, CalPERS net return on investment was 21.3% creating a net pension asset in FY 2021-22. At June 30, 2022, CalPERS preliminary net return on investment was a loss of 6.1% which can potentially cause a net pension liability in FY 2022-23.

STATEMENT OF ACTIVITIES

The Statement of Activities presents the City's revenue and expenses in a format that reflects the financial burden for each of the City's functions. All changes are reported as soon as the underlying event for the change occurs, regardless of the timing of the related cash flow.

For the fiscal year ended June 30, 2022, the City's governmental and business activities resulted in an increase of net position totaling more than \$172.5 million. The table below provides an overview of the effect of the City's functions on its net financial position.

**A prior period adjustment was made for Fiscal Year 2020-21 to land and infrastructure additions due to a change in calculation of street mileage from a system upgrade. For Fiscal Year 2021-22, the adjustment was made to the Sewer Enterprise Fund for previously expensed items that should have been included as inventory.

CITY VISION, ACTIVITIES AND SPENDING

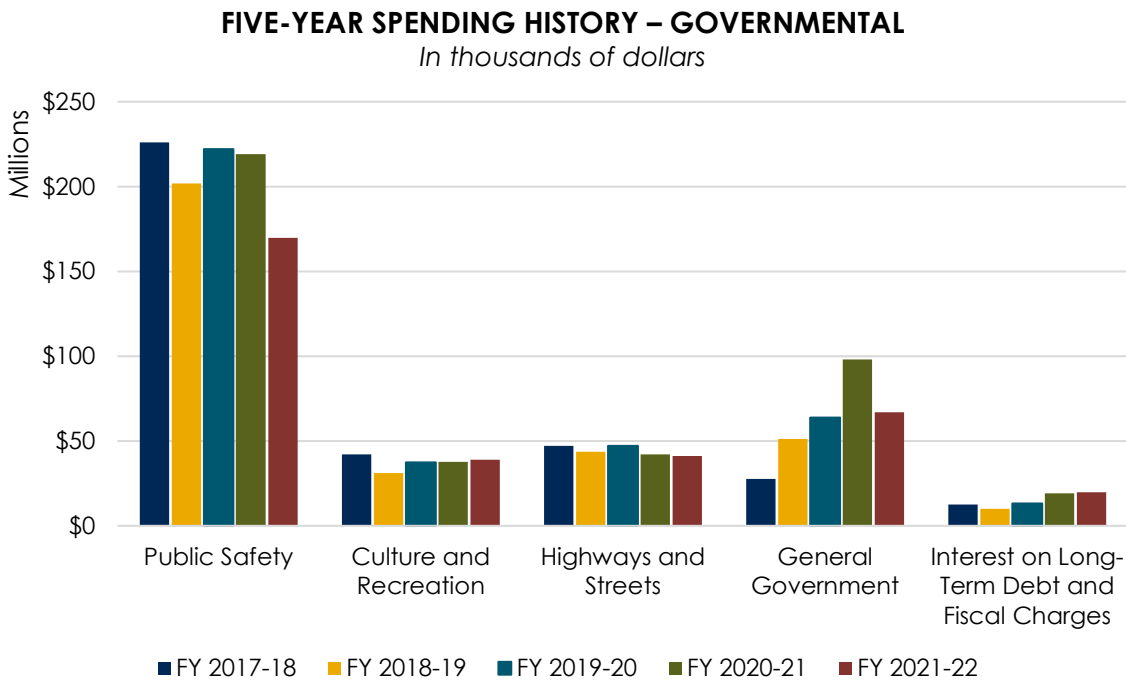

The City of Riverside is committed to providing high quality municipal services to ensure a safe, inclusive, and livable community.

The City provides a full range of services which include general government, public safety, highway and street maintenance, economic development, culture and recreation, electric, water, airport, refuse, sewer, and senior citizen/handicap transportation.

SPENDING: GOVERNMENTAL ACTIVITIES

The City's governmental activities include general government, public safety, highways and streets, and culture and recreation. These activities are principally supported by general revenue including taxes and investment income. The table below reflects a five-year history of spending for these activities.

Public Safety expenditures reflect the costs associated with providing police and fire services to residents and visitors. Expenditures decreased significantly in FY 2021-22 due to the elimination of the net pension liability.

Culture and Recreation expenditures enrich the quality of life in Riverside through recreational and cultural activities as well as support the educational and informational needs of the community.

Highways and Streets expenditures are related to the design, construction, maintenance, and operation of public facilities and infrastructure within the City.

General Government expenditures are for the administration offices, including the Mayor, City Council, City Manager, City Attorney, City Clerk, Community Development, Finance, General Services, Human Resources, and Innovation Technology.

Interest on Long-Term Debt and Fiscal Charges expenditures are for the interest expense and fiscal charges associated with debt financing.

GOVERNMENTAL ACTIVITY: FINANCIAL HIGHLIGHTS

The General Fund is the government's primary operating fund. It accounts for all financial resources of the general government, except those required to be recorded in another fund. Fund balance highlights are below.

FIVE-YEAR REVENUE HISTORY – GOVERNMENTAL

In thousands of dollars

Sales and Use Tax – consumable tax placed on retail sales, leases or rentals of most goods, and any taxable services as mandated.

Property Tax – legally enforceable lien on property as of January 1. Taxes are levied on July 1 and are payable in two installments on December 10 and April 10.

Charges for Services – revenues that arise from charges to customers, applicants, or others who purchase, use, or directly benefit from the goods, services, or privileges provided, or are otherwise directly affected by the service.

Grants and Contributions (operating and capital) – revenues arising from mandatory and voluntary non-exchange transactions with other governments, organizations, or individuals that are restricted for use in a particular program.

Utility User's Tax – 6.5% usage tax on landline telephone, electricity, gas, water, and cable. The tax is collected by the utility company as part of its regular billing procedure and then remitted to the City.

Other – consists of transit occupancy tax, franchise fees, and investment income.

MEASURE Z REVENUE AND SPENDING

In May 2017, the City began receiving revenue for the Measure Z additional one-cent sales and use tax authorized by voters during the November 2016 election. In Fiscal Year 2021-22, the City received \$83.7 million in Measure Z revenue. Unspent revenue will be used for approved purposes in future fiscal years.

GOVERNMENT FINANCE OFFICERS ASSOCIATION (GFOA) PAFR AWARD

Government Finance Officers Association of the United States and Canada (GFOA) has given an Award for Outstanding Achievement in Popular Annual Financial Report to the City of Riverside for its Popular Annual Financial Report for the fiscal year ended June 30, 2021. The Award for Outstanding achievement in Popular Annual Financial Reporting is a prestigious national award recognizing conformance with the highest standards for preparation of state and local government popular reports.

In order to receive an Award for Outstanding Achievement in Popular Annual Financial Reporting, a government unit must publish a Popular Annual Financial Report, whose contents conform to program standards of creativity, presentation, understandability, and reader appeal.

An Award for Outstanding Achievement in Popular Annual Financial Reporting is valid for a period of one year only. Since the City's inception of the Popular Annual Financial Report, the City has received a Popular Award for the last five consecutive years (fiscal years ended 2017-2021). We believe our current report continues to conform to the Popular Annual Financial Reporting requirements and we are submitting it to GFOA to determine its eligibility for another Award.
