At this meeting, the City Council will receive public comment on the 2023-2024 HUD Annual Action Plan that was submitted to the U.S. Department of Housing and Urban Development (HUD) on May 9, 2023.

**BACKGROUND**

The U.S. Department of Housing and Urban Development (HUD) approved the City of Riverside's Five-Year Consolidated Plan in 2020. The Consolidated Plan provides an inventory of existing programs and activities, resources, demographics, unmet needs, and identifies strategies and resources [such as Community Development Block Grant funds (CDBG), HOME, Housing Opportunities for People with AIDS (HOPWA), and Emergency Solutions Grants (ESG)] needed to continue implementing existing programs and activities and to formulate programs and activities needed to address the unmet needs. Since the approval of the Consolidated Plan, it is the Annual Action Plan that incrementally addresses and implements identified programs and activities prepared and submitted to HUD for approval. The Annual Action Plan prepared for 2023-2024 implements the strategy and goals identified in the Consolidated Plan.

Federal Regulation 24 CFR 91.105 requires the City to notify and provide its citizens with an opportunity to comment and provide input on proposed changes to an approved plan. This notice serves this purpose and allows the City to comply with the law. The proposed Substantial Amendment to the approved Plan affected by this Notice will allow the City to allocate an additional \$400,695 of CDBG Unprogrammed Funds to the Riverside Access Center Renovation project located at 2880 Hulen Place for a total CDBG allocation of \$1,361,695.
