Job Description & Overview

Description:

“The Associate Educator plans, organizes, & conducts education programs for the Museum & provides responsible, professional, & technical staff assistance.”

Overview:

Philosophy

- Guide our participants on their journey for knowledge
- Help them do this by tapping into their individual experiences as they create meaning for themselves
- Allow others to tell their stories and provide space for that

On a regular day I may...

- Provide support for the Museum Educator
- Help run tours
- Help staff/plan events
- Write programming
- Design activities & crafts that are interactive & reinforce the program information

On a regular day I may...

- Help with the education side of exhibitions
- Provide general Museum support
- Sit on any & all committees that require my knowledge & expertise

What's Next?

Currently I'm looking toward 2024:

- That means I'm thinking about our 100th year events & activities!
- I'm overseeing the calendar
- I'm ensuring all events are confirmed & booked
- I'm making sure we're ready!

What's Next?

Reopening programs & events:

- I'm excited about new exhibitions
- I'm looking at fun ways to educate in the new space
- I'm reviewing architects' plans
- I'm creating new programs for schools & tours, & reimagining how we can continue our partnerships with teachers & other local educators

Thank You
