PROPOSED VERIZON WIRELESS TELECOMMUNICATIONS SITE CONCEALED TOWER INSTALLATION PROJECT

LOCATION

EXISTING

PROPOSED

(12) PROPOSED VERIZON WIRELESS
PANEL ANTENNAS, CONCEALED
WITHIN NEW 55'-0" TOWER

NORTHEAST ELEVATION (LOOKING SOUTHWEST)

Disclaimer: These photographic simulations have been provided to aid in visualizing how the proposed wireless telecommunications facility shown herein would appear if constructed. While these renderings are not an exact science, they have been prepared diligently to accurately reflect dimensions, scale, depth, coloring, texture, and other important elements in the proposed design insofar as the digital medium allows. Taken together with the engineering drawings and other materials submitted with the application, they are fair and reasonable visual depictions of how the proposed site would appear.

Verizon Wireless
2785 Mitchell Drive Bldg. #9
Walnut Creek, CA 94598

Towercom Technologies, LLC
767 N Star Road
Star, ID 83669

SITE ADDRESS:

7200 MAGNOLIA AVENUE
RIVERSIDE, CA 92514

33°56' 38" N
117° 24' 14" W
