

Mayor's Office

DATE: DECEMBER 12, 2012

TO: CITY COUNCIL

FROM: MAYOR WILLIAM R. BAILEY, III 

SUBJECT: ECONOMIC AND NEIGHBORHOOD SUCCESS REPORTS AT CITY COUNCIL MEETINGS

Continuing and expanding upon the current practice of the City Council, the Mayor and individual Councilmembers may present success stories (investments, store openings, job creation) in their Wards, with the emphasis being on the private sector.

Reports will rotate among the Mayor and City Councilmembers through the first three meetings of each month with a neighborhood success report on the fourth week of the month presented by Riverside Neighborhood Partnership.

These reports occur under Presentations on the City Council agenda.

Job creation remains a high level priority for the City. These reports are a reminder of the importance of economic development.

Please see me if you have any questions or concerns.
