Hi Erin,

Thank you for applying for the **CA State Library EmPOWERing Access project**.

Congratulations!

I will be working with you on the next steps in acquiring any Pillar Booths, Solar Chargers, and/or Repair Kits your library requested through the online survey in March. This opportunity was very popular with more requests than the grant can accommodate. After careful consideration of all requests received from libraries the project team is happy to announce the following allocations for your library.

Pillar Booths

- Your library will receive **1** Pillar ADA Accessible Privacy Booths*
**Location(s) awarded – Arlanza Library*

Solar Chargers

- Your library will receive **52** Portable Solar Charging Devices.

Repair Kits

- Your library will receive **32** iFixit Repair Kits.

I will be in contact with you throughout this SCLC managed ordering process. I will provide any relevant shipment tracking information as it becomes available to me. Should you have any questions or concerns please do not hesitate to contact me.

Thank you!

Wayne
