MEMORANDUM OF UNDERSTANDING**

1.0 BACKGROUND

The Public Safety Realignment Act of 2011 (Realignment) implementation resulted in specified convicted felons and parolees who were previously monitored by State Parole to be supervised by the Riverside County Probation Department (hereinafter Probation). On August 30, 2011, the Community Corrections Partnership Executive Committee (CCPEC) of Riverside County (County) voted unanimously for the need of a county-wide law enforcement component.

The eleven (11) city police chiefs, the Riverside County Sheriff, the Riverside County District Attorney and Probation have built the infrastructure to support this type of critical enforcement. The Post-release Accountability and Compliance Team (hereinafter PACT) is a county-wide, multi-jurisdictional team composed of Probation, the Banning Police Department, Beaumont Police Department, Blythe Police Department, Cathedral City Police Department, Corona Police Department, Desert Hot Springs Police Department, Hemet Police Department, Indio Police Department, Menifee Police Department, Murrieta Police Department, Riverside Police Department, Riverside County District Attorney, and the Riverside County Sheriff's Department representing the seventeen Sheriff's contract cities within the County.

The primary mission of PACT is to work with Probation to focus on "high-risk" and "at-large" realignment offenders that pose the most risk to public safety. PACT is dedicated to:

- Identifying and investigating "non-compliant" realignment offenders,
- Locating and apprehending "at-large" and "high-risk" realignment offenders, and
- Performing probation compliance sweeps.

Through sustained, proactive and coordinated investigations, PACT will be able to share information, serve warrants, locate and apprehend violators, and reduce the number of realignment offenders who abscond. The support of the PACT allows Probation more time and resources to focus on case management, addressing treatment needs, and ensuring compliance with Court-ordered conditions.

2.0 PARTIES AND PURPOSE

MEMORANDUM OF UNDERSTANDING**

services and expenditures performed and incurred during the month. Using the invoice template, attached hereto and incorporated herein as Exhibit B, claim documentation will include, but is not limited to, an invoice with an itemized expenditure summary of Salaries & Benefits and Services & Supplies; and copies of timesheets, pay registers, and vendor invoices or receipts, as applicable.

Upon review and approval, Probation shall process each claim within fifteen (15) business days. The corresponding payment voucher will be forwarded to the County Auditor-Controller's office for processing. Invoices will be held beyond the fifteen (15) business days when an annual fiscal year realignment budget has not been approved by the CCPEC and the Riverside County Board of Supervisors. Upon approval by both governing bodies, held invoices will be released to the Auditor-Controller's office for processing.

Each year, estimates for the month ending June 30 should be provided to Probation by June 20 with the final invoice due July 31 or next available working day.

If PACT ceases provision of services for any period, then no payment will apply for that period. Probation will reimburse participating PACT agencies for services provided in accordance with the terms and conditions contained herein.

Additional clarifications on the reimbursement process are provided as part of the Frequently Asked Questions, attached hereto and incorporated herein as Exhibit D.

14.3 Use of Funds:

PACT agencies shall not use any funds received pursuant to this MOU for any other program, project, or purpose. The parties shall not use realignment funds to supplant by claiming reimbursement from Probation for any costs which have been paid by another source of revenue. The parties agree not to use funds received pursuant to this MOU, either directly or indirectly, for purposes of obtaining funds under any other program without prior written approval of Probation. Additional guidelines for use of funds received pursuant to this MOU are provided in the Funding and Reimbursement Policy and Guidelines for Regional PAC Teams as developed by the Association of Riverside County Chiefs of Police and Sheriff (ARCCOPS) in cooperation with Probation, attached hereto and incorporated herein as Exhibit E. Frequently Asked Questions

1. Year End:
 - a. What is a year-end estimate claim and what needs to be included?
 - i. A year-end estimate claim allows Probation to encumber funds for payment from the current fiscal year into the beginning of the next to cover expenditures incurred during the month of June and have a record that the final submittal is pending.
 - ii. If funds are not encumbered to cover final year-end claims and a claim is submitted, the reimbursement may be charged against the PACT agency's allocation for the next fiscal year.
 - iii. To submit a year-end estimate claim form:
 1. Use the Invoice Template (Exhibit B) provided,
 2. In the location on the form for listing the month/year of the claim, please mark as the June Estimate,
 3. Based on remaining annual funds and use of funds to date generate estimated expenditures for the month of June.
 4. Attach any advance approvals for services/supply/equipment purchases, and
 5. Submit estimate to Probation no later than June 20 of each year.
 - b. What if the claim for actual year-end expenditures is not submitted before the County's year-end submission deadline?
 - i. If the claim for actual year-end expenditures is not received by the deadline, Probation will process payment to the PACT agency using the estimate provided.
 - ii. When the claim is received (after the deadline), if expenditures exceed the estimate, Probation will process payment for the difference and the difference will be paid from any rollover funds. If the expenditures are less than the estimate, the PACT agency is required to refund the overpayment back to Probation.
 - c. What documentation is needed to include major purchases in the year-end estimate?

4. Staff Time

- a. Can vacation, sick, and compensation time earned be paid?
 - i. Yes, vacation, sick, and compensation time earned while performing PACT duties can be paid.
 - ii. Detailed tracking of when the time is earned and when it is paid will need to be provided as back-up to the claim. The tracking is necessary to ensure no duplication of payment is requested (i.e. reimbursement for compensation time on one pay period and on the next pay period requesting reimbursement for time-off using those same backed compensation time hours). A tracking sheet can be provided upon request.
 - iii. PACT Agencies that allow their officers to 'sell back' their compensation time at the end of the year can claim those hours as part of their reimbursement. Detailed tracking reflecting that the compensation time is earned while performing PACT duties must be submitted as back-up.
- b. Our police department uses electronic timesheets. Is a report from the timesheet system acceptable back-up?
 - i. Yes, a report from the timesheet system is acceptable as long as it reflects when the employee approved their timesheet and when the supervisors counter-approved their timesheets.
