# DEPARTMENT EXPENDITURE DETAILS

---

The following schedule lists total proposed appropriations by department, fund, and major expenditure category. The schedule excludes the allocation of General Fund internal service departments produced by the cost allocation plan to provide a more informative picture of the department's operating costs within each fund. Significant changes between the FY 2020/21 Adopted Emergency Budget and the FY 2021/20 Proposed Annual Budget are annotated and explained.

(32) Change is primarily attributable to approximately \$7 million UAL savings resulting from the issuance of a Pension Obligation Bond; a \$1 million reduction in PERS Normal costs due to a CalPERS Normal rate reduction of 0.72% for the Safety retirement group; and a \$2.3 million increase in workers compensation due to the implementation of industry best practice to calculate rates based on five-year claims history.

(33) Change is primarily attributable to a \$1.3 million reduction in general liability insurance due to the implementation of industry best practice to calculate rates based on five-year claims history. An increase of approximately \$274,000 is included for the ongoing cost of body worn cameras approved by the City Council on September 15, 2020.

(34) FY 2020/21 budget included a vacancy savings target which decreased the personnel budget; FY 2021/22 is fully funded.

(35) Decrease is primarily due to a reduction in general liability insurance and a decrease in discretionary items based on historical trends. On May 25, 2021, the City Council approved an annual allocation of \$45,000 to motorhome removal and disposal costs.

(36) Addition of Spending Item #45 - Park and Neighborhood Specialists (PANS) Program; includes 20 new full-time equivalent positions. If this item is approved by Council as part of the adopted budget, the budget amounts will be recorded in the appropriate expenditure categories.

(45) FY 2020/21 budget included a vacancy savings target which decreased the personnel budget; FY 2021/22 is fully funded. Increase is partially offset by approximately \$244,000 in UAL savings resulting from the issuance of a Pension Obligation Bond.

(46) Increase is attributable to a rise in refuse/disposal fees, including approximately \$2 million in new recycling costs due to changes in the recycling market.

(47) Change is attributable to an increase in the Burrtec agreement for outsourced services due to a scheduled refuse rate increase and an increase in recycling costs.

(48) Increase represents the Refuse Fund's share of the new Pension Obligation Bond.

(49) FY 2020/21 budget included a vacancy savings target which decreased the personnel budget; FY 2021/22 is fully funded. Increase is partially offset by approximately \$770,000 in UAL savings resulting from the issuance of a Pension Obligation Bond.

(50) Change is primarily attributable to an approximate \$700,000 increase in general liability insurance due to the implementation of industry best practice to calculate rates based on five-year claims history, as well as increases in refuse/disposal, maintenance, and repair costs.

(51) Increase represents the Sewer Fund's share of the new Pension Obligation Bond.

(66) Decrease is primarily attributable to UAL savings resulting from issuance of Pension Obligation Bond.

(67) Change is primarily attributable to the following (amounts listed are approximate): \$700,000 increase in general liability insurance due to the implementation of industry best practice to calculate rates based on five-year claims history; \$4 million reduction in electric transmission charges; \$1.3 million reduction in energy charges; \$8.3 million reduction in capacity charges; \$2.3 million increase in gas fuel purchases, \$780,000 reduction in decommissioning costs; and \$500,000 decrease in generating plants maintenance.

(68) The increase in debt costs is due to the issuance of the 2019A Electric Revenue Refunding bonds issued to finance electric capital projects; and the Electric Fund's share of the Pension Obligation Bond.

(81) The majority of activity not classified to departments is operating transfers required for accounting purposes, such as moving funding between related funds. Additionally, the Successor Agency activity is not department-specific as this is considered a separate legal entity. However, the appropriations require approval and are therefore included in the City's budget.
