The incentive pay calculation will be based off of the employee's base salary.

Section 2.6 FIELD TRAINING OFFICER (FTO) PREMIUM PAY

2.6.1 Field Training Officers earn straight compensatory time at the rate of 1.25 hours for each ten hours that they train a trainee. Each training shift will be entered on a Field Training Officer Log and these should normally be submitted when 80 hours of training have accrued, with an overtime slip requesting 10 hours of straight compensatory time.

Section 2.9

SHIFT DIFFERENTIAL

- 2.9.1 Non-probationary Police Officers with five or more years service as a police officer who are regularly assigned to Watch A (Graveyard shift) shall receive additional compensation in the amount of \$24.00 for each such shift; non-probationary police officers with five or more years of service as a police officer who are regularly assigned to Watch C (Swing shift) shall receive additional compensation in the amount of \$18.00 for each such shift.
- 2.9.2 For the limited purpose of shift differential eligibility under this clause, "years of service as a police officer" shall mean service as defined under California Penal Code section 830.1 excluding time spent in Police Reserves, at the Academy and/or as a Cadet.
- 2.9.3 Under no circumstances shall assignments to Watches be considered "special assignments." Shift differential applies only to employees classified as Police Officer, and Police Pilot/Pilot Observer.
- 2.9.4 Subject to the conditions described herein, shift differential shall apply to officers assigned to Police Motorcycle Duty ("Motors"), Accident Investigation ("AI"), Metro Unit ("Metro"), Galleria Substation, and Parole And Corrections Team ("PACT").
- 2.9.5 Police Motorcycle Duty ("Motors"), Accident Investigation ("AI"), Metro Unit ("Metro"), Galleria Substation, and Parole And Corrections Team ("PACT") whose regularly assigned shift begins at 12:00 p.m. are eligible for the Watch C (Swing shift) differential. The foregoing language does not limit the Department's latitude to adjust the shift starting times as circumstances require.

2.9.6 The City and Association agree that it is a reasonable goal to have at least 50% of the officers assigned to Watch A and Watch C to be experienced Police Officers.

2.9.7 Accordingly, if the shift change bidding results in fewer than 50% of officers with five or more years of experience on either Watch A or Watch C, the Department reserves the right to assign the least senior officers with five or more years of experience to such Watches. If this process creates a need to assign to both Watches, the officers to be reassigned may select Watch A (Graveyard) or Watch C (Swing Shift) in seniority order.

Section 2.10 **PROBATIONARY PERIOD**

2.10.1 All employees shall serve a probationary period of 18 months with the exception of lateral police officers, (who have completed a probationary period in another law enforcement agency), who will serve a probationary period of 12 months. 3.1.1 **MODIFIED DUTY MEDICAL APPOINTMENTS**

Doctor appointments and physical therapy appointments are not compensated by overtime.

Section 3.2 **4 - 10 PROGRAM**

The regularly scheduled hours of work for all sworn personnel classified as Police Officer, Detective, Helicopter Pilots and Tactical Flight Officers shall be four (4) days per week, ten (10) hours per day (the "4-10 program") subject to the conditions below:

3.2.1 MEAL PERIODS

Employees assigned to uniformed and non-uniformed services shall continue to be scheduled for the 4-10 program and their meal periods will continue to occur during the ten hour shift.

3.2.2 EXCLUSIONS

A special assignment is one that is for a limited defined duration, such as, for example, school resource officer, personnel and training, and public information officer. Such schedules will be determined by the Chief. Personnel applying for such special assignments will be notified of the applicable schedule prior to the time applications for the assignment are due.

Members who have been determined to have a work related injury (whether off work or on a modified duty assignment) will be assigned to work in the Personnel and Training Division during the hours of 0700 to 1700 Monday through Thursday. All medical appointments shall be expected to be scheduled on an assigned work day (Monday through Thursday between 0700 hours and 1700 hours). If an appointment is unavailable during those times and medical services are required on a Friday, Saturday, or Sunday, then the Member shall be expected to "flex" his or her time so as to avoid exceeding the 40 hour work week.

the option of cashing out earned compensatory time, with two weeks notice.

- 3.3.4 During each December, all accumulated compensatory time shall be paid for in cash unless the employee elects to retain time into the following year, wherein he/she may carry-forward forty (40) hours of accrued compensatory time upon such election. Should the employee have less than forty (40) hours of accumulated time and elects not to have it paid for in cash, the employee may retain and carry-forward the balance of his/her accumulated time.

Section 3.4

COURT TIME

- 3.4.1 The minimum compensation for court time shall be two (2) hours at the applicable overtime rate.
- 3.4.2 On each occasion where an employee covered by this agreement is required to appear in court in response to an order or subpoena in relation to an incident or event arising out of the course and scope of employment with the City at a time outside of the employee's regularly scheduled work shift, and an hour or more prior to the commencement of the employee's regularly scheduled work shift, such employee shall receive at least two (2) hours overtime compensation at the applicable regular rate of pay (i.e., the premium rate).
- 3.4.3 If such court appearance lasts for more than two (2) hours of off-duty time, the employee shall receive overtime compensation for the actual amount of all such off-duty time at the premium rate.
- 3.4.4 In circumstances where the court appearance is scheduled to commence less than one hour prior to the beginning of the employee's regularly scheduled work shift, the employee shall receive overtime compensation at the premium rate for the entire period between the scheduled commencement time of the court appearance and the time the employee's shift is scheduled to begin.
- 3.4.5 When an employee commences a court appearance during the course of a regularly scheduled work shift and the court appearance extends beyond the scheduled expiration of that shift, the employee shall receive overtime compensation at the premium rate for the entire portion of the court appearance that extends

beyond the scheduled termination of the employee's regular work shift.

3.4.6 Except as modified above, the existing practices, procedures and policies regarding court appearances and court time shall not be changed by this agreement and will continue in full force and effect.

3.4.7 For purposes of providing appropriate overtime compensation out of city travel to court, travel to and from court in Moreno Valley shall be standardized at thirty (30) minutes prior to the subpoena reporting time and at thirty (30) minutes following the officer's release from court, regardless of actual travel time.

Section 3.5 ON-CALL PAY

3.5.1 An employee on call from the end of the regularly scheduled work shift to the beginning of the next day's regularly scheduled work shift shall be paid therefore at the rate of one (1) hour straight time pay; four (4) hours straight time pay shall be paid for each continuous twenty-four (24) hours on call. This provision also applies when an off duty unit member is on call for court.

3.5.2 Employees in a paid on-call status are required to promptly respond to the designated location and arrive within a reasonable period of time after being notified to respond. Reasonable response time shall be the time required to get ready and then drive at normal speeds to the designated duty location (including the need to first stop at the station if necessary). Employees subject to this provision must be able to arrive at the designated duty location within 60 minutes of notification.

Section 3.6 SHIFT CHANGE

Section 10.4 28 DAY WORK PERIODS IDENTIFIED

Current year FLSA twenty-eight (28) day work periods shall be identified by the Police Department by making some notation on the paycheck stubs of each RPOA member, or provide such information to the police accounting section who will generate a calendar and disseminate it to all sections, which shows the work period for each RPOA member and which indicates the length of that period and its starting time.

Section 10.5 FAILURE TO PROVIDE 28 DAY NOTICE

In the event there are 3 openings, the top ranked seven (7) candidates (3+2+2) would be indicated on the list provided to the Chief of Police. If one or more candidates receive an identical score for ranking on the certified list (tied), the candidates with the same score will hold the same ranking on the list. The tied candidates will all be referred for selection when their ranking is reached on the list. There will be a gap in the list numbering based upon the number of tied candidates (i.e. if 2 employees are tied for third place, the list will have 2 employees ranked #3, no one will be ranked #4 on the list.)

- 12.1.3 The Chief of Police with concurrence of the Director of Human Resources may remove a candidate from the list if a factual basis for doing so exists. The Director of Human Resources shall notify that candidate, in writing, that he or she has been removed from the list.
- 12.1.4 The Chief of Police may promote from the certified list provided by the Human Resources Department in accordance with Section 12.1.4.6 or the Chief may, with concurrence of the Director of Human Resources, reject or terminate the certified list with good cause.

Re: Riverside Police Officers' Association/City of Riverside Fund

Dear Larry:

Per our recent meetings, conversations and correspondence, this letter will serve to advise you of the contemplated procedures and safeguards the Riverside Police Officers' Association (RPOA) intends to take if the City agrees to transfer control of, and the entire balance of, the Riverside Police Officers' Association/City of Riverside Fund (Fund) established on July 7, 1991, to the RPOA.

RPOA will assume total control of and responsibility for the Fund as well as sole liability for the money which will be held separately from other RPOA assets. RPOA will ensure that the original purpose and intent of the Fund continues by establishing a trust and an appropriate administrative and fiduciary oversight structure and policy.

As envisioned, upon completion of the transfer of the Fund, RPOA will oversee the governance and administration of the Trust by a board of overseers made up of members of the RPOA Board of Directors and/or other active and retired RPOA members. Administrative functions and duties will be assumed by that board of overseers and by the paid staff of RPOA. To fulfill its fiduciary responsibilities in overseeing the assets of the Trust, RPOA will develop and incorporate an Investment Policy Statement in the Trust Document. In addition, RPOA will name the Investment Brokerage firm of A.G. Edwards & Sons, Inc. as Investment Advisor to the Trust.

As you are aware, the Fund as established was specifically maintained as a government plan which was not subject to the strictures and requirements of the Employees' Retirement Income Security Act of 1974 (29 USC § 301, et seq., ERISA). RPOA will obtain expert legal advice as to its need to be subject to ERISA once it assumes control of the Fund. It may choose to do so, even if not so required. In addition, RPOA stands ready to release, indemnify and defend the City in all appropriate and legal ways from future responsibility for the transferred Fund and for its subsequent operation by RPOA.

Please let me know if you require further specifics. We can get you this information immediately. Also, we may want to discuss whether probationers who wish to contribute to the Fund once they become permanent employees will be able to do so through payroll deductions.

Sincerely,

SUSAN SILVER

PROTOCOL FOR TRANSFER OF FUND

The City of Riverside (City) and the Riverside Police Officers Association (RPOA or Association) recognize the following elements as essential components for transferring the RPOA/City of Riverside Fund (Fund) assets and administration to a new trust fund to be established and administered by and through RPOA. In accepting these elements, the parties rely, in part, upon the representations from counsel for the RPOA as stated in her letter dated May 10, 1999:

1. Fund Assets and administrative responsibility for the Fund shall be transferred to the Association, subject to the following conditions.
2. The current Memorandum of Understanding will be amended as necessary to reflect this transfer.
3. RPOA will agree to defend, indemnify and hold the City harmless in connection with both the transfer and the administration of the Fund on or after the effective date of transfer.
4. The Transfer agreement will recite that the Fund's Principal shall be for the sole and exclusive use and distribution to eligible retirees for purposes of defraying the cost of premiums for approved medical insurance programs.
5. The definition of eligible retirees shall not change from that contained in the current Memorandum of Understanding for a period of at least three (3) years after the transfer; no such change in definition may occur without the City's approval, which approval will not unreasonably be withheld.
6. The RPOA will assume any and all tax consequences which may arise from the transfer and defend, indemnify and hold the City harmless for the tax consequences, if any, of such transfer.
7. If, at any time, the RPOA decides to terminate operation of the Fund, the excess amount remaining in the Fund will revert to the benefit of the bargaining unit and the City as currently outlined in Section 16, paragraph 9(a) of the parties' current Memorandum of

Understanding.

8. RPOA will secure a legal opinion upon which the City will rely informing the parties as to whether or not there must be City representation on the Board administering the Trust and, if so, in what proportion.

9. RPOA will secure a legal opinion upon which the City will rely informing the parties about the extent of liability or responsibility attaching prior to the date of transfer in the event the Fund becomes an ERISA Fund as a result of the transfer.

10. The parties waive any contention that this transfer triggers the dissolution provisions contained in Section 16, paragraph 13 of the parties' current Memorandum of Understanding.

Adopted for purposes of proceeding with the transfer this 2nd day of July, 1999.
