**Subject:** Application for Landmark Status - 2931 12th Street, Orange Valley  
Masonic Lodge #13

Dear Mr. Watson:

The leadership of the Orange Valley Masonic Lodge #13 is aware of, and fully supports, the application prepared by Jennifer Mermilliod for the Riverside Housing Development Corporation (RHDC) to designate our historic home as a City of Riverside Landmark.

We are currently cooperating with the RHDC on this, and potentially other activities on our property.

The Masonic Lodge hopes that the Cultural Heritage Board acts affirmatively on this application to formally recognize an important part of our community's history.

Thank you for your interest.

Sincerely,

Worshipful Master ..
