The Charter of the City of Riverside, Section 412, provides that the City Council may establish, and uniformly apply rules for the conduct of its proceeds. By accordance with said authority, and when not in conflict with the Charter of the City of Riverside and the Constitution

1 and laws of the State of California, the following set of rules shall be in effect upon adoption by
2 the City Council and until such time as they are amended or new rules adopted in the manner
3 hereinafter provided and shall prevail to govern the conduct of the proceedings and order of
4 business of the City Council of the City of Riverside. The City Attorney, or designee, shall serve
5 in an advisory capacity to procedural rules for the City. Final rulings on parliamentary
6 procedures shall be made by the Presiding Officer and may be appealed to the City Council with a
7 supermajority of at least five affirmative votes.

8 **II**

9 **ACT IN THE PUBLIC INTEREST**

10 A. The City Council and staff shall recognize that stewardship of the public interest must be
11 the primary concern.

12 B. The City Council will work for the common good of the people of Riverside.

13 C. The City Council will assure fair and equal treatment of all persons, claims and
14 transactions coming before the City Council and Boards and Commissions.

15 **III**

16 **ADVOCACY**

17 A. The City Council shall represent the official policies or positions of the City Council when
18 designated as delegates for this purpose.

19 B. When representing their individual opinions and positions, City Council members shall
20 explicitly state they do not represent the City Council of the City, nor will they allow the
21 inference that they do.

22 **IV**

23 **DUTIES**

24 A. **DUTIES OF MAYOR; MAYOR PRO TEMPORE**

25 The Mayor shall be the presiding officer at all meetings of the City Council and shall have
26 a voice in all its proceedings but shall not vote except for appointments to City Boards &
27 Commissions or to break a City Council tie-vote which exists for any cause. The Mayor shall be
28 the official head of the City for all ceremonial purposes. The Mayor shall have the primary but

1 not exclusive responsibility for interpreting the policies, programs and needs of the city
2 government to the people, and of informing the people of any major change in policy or program.
3 The Mayor shall advise the City Council on all matters of policy and public relations and perform
4 such other duties as may be prescribed by the City Charter. At any time before the adjournment
5 of a meeting, the Mayor may, by public declaration spread upon the minutes of the meeting, veto
6 any formal action taken by vote of the City Council including any ordinance or resolution, except
7 an emergency ordinance, the annual budget or an ordinance proposed by initiative petition.
8 Thereupon, pending the vote to override the veto as herein provided, such ordinance, resolution or
9 action shall be deemed neither approved nor adopted. The Mayor shall, no more than twenty days
10 following the veto, provide to Council members, in writing, reasons for the Mayor's veto. If the
11 Mayor fails to provide a written veto message within the time allotted, the original action of the
12 City Council shall stand. At any regular or adjourned meeting held not less than thirty days, nor
13 more than sixty days after veto the City Council shall reconsider such ordinance, resolution or
14 action and vote on the question of overriding the veto. Five affirmative votes shall be required for
15 its adoption or approval. The Mayor shall have no right to veto the veto override of any
16 ordinance, resolution or action.

17 In the absence of the Mayor, the Mayor Pro Tempore shall assume the duties of the
18 Mayor. The Mayor Pro Tempore shall be appointed from members of the City Council on the
19 following ward rotational basis with each member serving for a term of six months: Ward 7,
20 Ward 6, Ward 5, Ward 4, Ward 3, Ward 2, and Ward 1 or as otherwise determined by the City
21 Council. In the event the Mayor and Mayor Pro Tempore are absent, the Councilmember last
22 serving as Mayor Pro Tempore shall be assigned said role. The Mayor Pro Tempore shall
23 conduct the City Council meetings and shall vote only as a member of the City Council, not as
24 Mayor Pro Tempore. In the event of a tie-vote, the Mayor Pro Tempore shall not have a tie-
25 breaking vote and the City Council vote shall be recorded as a negative or "nay" vote. The Mayor
26 Pro Tempore shall not have the power to veto acts of the City Council.

27 In addition to the duties enumerated above, the Mayor Pro Tempore shall be responsible
28 for the coordination of any special or annual evaluation of the City Manager, City Attorney or the

1 City Clerk. Said responsibility may include but not be limited to the distribution, collection and
2 tabulation of any written evaluations; and the calendaring of any closed session during which time
3 the evaluations shall be conducted.

4 The Mayor Pro Tempore shall also use their best efforts to participate in the agenda-
5 setting meeting, as set forth in Article IX(D) below, preceding each City Council meeting.

6 B. DUTIES OF MAYOR AND COUNCIL MEMBERS

7 Promptly at the hour set by law on the date of each regular meeting, the Mayor and
8 Councilmembers shall take their regular stations in the Art Pick Council Chamber and the
9 business of the City Council shall be taken up for consideration and disposition.

10 C. MOTIONS TO BE STATED BY PRESIDING OFFICER

11 When a motion is made, it shall be stated by the presiding officer or the City Clerk before
12 debate.

13 D. DECORUM

14 1. While the City Council is in session, the members must preserve order and decorum, and a
15 member shall not, by conversation or otherwise, delay or interrupt the proceedings or the peace of
16 the City Council nor disturb any member while speaking, nor refuse to obey the orders of the City
17 Council, or the presiding officer, except as otherwise herein provided.

18 2. During City Council and Standing Committee meetings noticed and open to the public
19 pursuant to the Brown Act, the use of Electronic Communication System Devices by members is
20 discouraged with limited access.

21 E. VOTES REQUIRED TO TAKE ACTION

22 Unless a higher vote is required by provisions of the City Charter, the affirmative votes of
23 at least four members of the City Council shall be required in order for the City Council to act on
24 an item of business or the adoption of any ordinance or resolution, or for the making or approving
25 of any order for the payment of money.

26 Any ordinance declared by the City Council to be necessary as an emergency measure as
27 hereinafter defined may be introduced and adopted at one and the same meeting if passed by at
28 least five affirmative votes.

1 At any meeting after the adoption of the City's budget, the City Council may amend or
2 supplement the budget by motion adopted by the affirmative votes of at least five members so as
3 to authorize the transfer of unused balances appropriated for one purpose to another purpose or to
4 appropriate available funds not included in the budget.

5 F. VOTING DISQUALIFICATION

6 Neither the Mayor nor any Council member who is disqualified shall vote upon the matter
7 on which the member is disqualified. Any member shall openly state that they are recusing
8 themselves because of a disqualifying financial or other conflict of interest. The Mayor or any
9 councilmember who is disqualified due to a financial interest shall publicly identify the financial
10 interest in detail sufficient to be understood by the public except that disclosure of the exact street
11 address of a residence is not required. As to any other conflict of interest, the member's
12 determination may be accompanied by an oral or written disclosure of such conflict of interest. A
13 member who is disqualified by a conflict of interest in any matter shall not remain in the
14 member's chair during the discussion and vote on such matter unless the matter has been placed
15 on the consent agenda.

16 G. PARTICIPATION ON NON-PROFIT BOARDS OF DIRECTORS AND CONFLICTS
17 OF INTEREST.

18 It shall be the policy of this Council that the Mayor and members of the City Council
19 should not serve as members of the board of directors of a non-profit corporation which is
20 receiving or will be reasonably likely in the future to seek and/or receive funding from the City of
21 Riverside so as to avoid any appearance of a conflict of interest.

22 In the event that the Mayor and/or a member of the City Council serves as a non-
23 compensated member of the board of directors of a non-profit corporation, then a contract may be
24 made between the City of Riverside and the non-profit corporation provided that:

- 25 • The public official discloses his/her participation on the non-profit corporation's
26 board of directors to the City Council at the time the City Council is considering the contract with
27 the non-profit corporation;

28

1 • The public official’s interest as a member of the non-profit corporation’s board of
2 directors is noted in the official minutes of the City Council meeting; and

3 • The public official disqualifies themselves from any vote, deliberation or influence
4 on the matter before the City Council.

5 Furthermore, if it is determined based upon a factual analysis that the Mayor or a City
6 Council member serves as a non-compensated member of the board of director of a non-profit
7 corporation, and that the non-profit supports functions of the City as one of its primary purposes,
8 then the public official is determined to have a “non-interest” and may therefore participate in the
9 deliberation and vote on the matter before it. However, the public official’s interest as a member
10 of the non-profit corporation’s board of directors must be noted in the official minutes of the City
11 Council meeting.

12 Further, the City Manager, City Attorney and City Clerk shall not serve as a member of
13 the board of directors of a non-profit corporation which is receiving or will be reasonably likely in
14 the future to seek and/or receive funding from the City of Riverside so as to avoid any appearance
15 of a conflict of interest.

16 H. MAYOR AND COUNCIL MEMBERS TO AVOID IMPROPER CONSIDERATION OF
17 PENDING OR CONTEMPLATED MATTERS

28

1 E. PUBLIC DISCUSSION

6 PUBLIC DISCUSSION

7 The City Council may limit the total amount of time of testimony on particular issues and
8 for each individual speaker. Presentations for other than quasi-judicial hearings, are to be limited
9 to no more than one 3-minute presentation. More or less time may be authorized by a majority of
10 the City Council. For quasi-judicial hearings, presentations are to be limited as follows: an
11 appellant or applicant may be allowed one ten minute presentation and an additional five (5)

17 timing system which provides them with notice of their remaining time to complete their
18 presentations. A green light on the timing system will be activated at the start of a presentation; a
19 yellow light will be activated as a warning that one minute remains; when the red light is
20 activated, the speaker shall cease speaking. In the further interest of time, speakers will be asked
21 to limit their comments to new materials and not repeat what a prior speaker said. Organized

25 **FACILITIES**

26 A. COUNCIL CHAMBER CAPACITY

27 Council Chamber attendance shall be limited to the posted seating capacity thereof.
28 Entrance to the Council Chamber will be appropriately regulated by the City Manager on

3 Council Chamber except to address the City Council, and sitting on the floor shall not be
4 permitted.

5 B. ALTERNATE FACILITIES FOR CITY COUNCIL MEETINGS

6 If the City Manager has reason to anticipate that the attendance for a meeting will be
7 substantially greater than the capacity of the City Council Chamber and insufficient time exists to
8 secure the approval of the City Council to hold the meeting at an alternate facility, the City
9 Manager, or his or her designee, shall make arrangements for the use of a suitable alternate
10 facility to which such meeting may be moved.

11 Furthermore, if, because of fire, flood, earthquake or other emergency, it would be unsafe
12 to meet in the customary location, the meetings may be held for the duration of the emergency at
13 some other place specified by the City Manager or his or her designee. The change of meeting
14 site shall be announced, by the most rapid means of communication available at the time, in a
15 notice to media organizations who have requested written notice of meetings.

16 **XII**

17 **PROCEDURAL MATTERS**

18 A. PERSONS AUTHORIZED TO SIT AT TABLES

19 No person, except officials, officers, employees and agents of the City shall be permitted
20 to sit at the tables in front of the City Council without the consent of the City Council.

21 B. DECORUM

22 It is the policy of the City Council that the right to express one's views at a City Council
23 meeting is fundamental to a free society; however, it is not absolute and is subject to valid
24 regulations. The public has a right to address the City Council at any meeting on any subject that
25 is within the City Council's subject matter jurisdiction and further, the public has the right to
26 express its criticism of the policies, procedures, programs or services of the City or its acts or
27 omissions. We must balance the right of the public to address the City Council with the need to
28

1 ensure that public comment does not hinder the smooth and efficient legislative function of the
2 City Council.

3 No member of the public shall approach the speaker's podium while the City Council is in
4 session, unless specifically requested to do so by the presiding officer. Unruly conduct, such as
5 undue noise, hissing, profanity, insult or physical disturbance which disrupts, disturbs or
6 otherwise impedes the orderly conduct of the Council meeting shall not be permitted. Any person
7 making personal, impertinent, slanderous or profane remarks to any member of the Council, staff
8 or general public which disrupts, disturbs, or otherwise impedes the orderly conduct of any
9 Council meeting shall, at the discretion of the presiding officer or a majority of the Council, be
10 barred from further audience before the City Council at said meeting, unless permission to
11 continue be granted by a majority vote of the Council.

12 C. ENFORCEMENT OF DECORUM

13 Any law enforcement or security officers on duty or whose services are commanded by
14 the presiding officer shall be Sergeant-at-Arms of the City Council meetings. The Sergeant-at-
15 Arms shall carry out all orders and instructions given by the presiding officer for the purpose of
16 maintaining order and decorum at the City Council's meetings. Upon instructions of the presiding
17 officer, it shall be the duty of the Sergeant-of-Arms, or any of them present, to place any person
18 who violates the order and decorum of the meeting under arrest, and cause the person to be
19 prosecuted under the provisions of applicable law, the complaint to be signed by the presiding
20 officer.

21 D. PRECEDENCE OF MOTIONS

22 When a question is before the City Council, no motion shall be entertained except:

23 1. Motion To Adjourn.

24 A motion to adjourn requires a second and is not debatable except to set the date and time
25 to which the meeting is adjourned to consider the unfinished business. The purpose of a motion
26 to adjourn is to terminate the meeting forthwith, notwithstanding that the business on the agenda
27 has not been completed, and notwithstanding a time fixed for adjournment has not yet arrived. A
28 motion to adjourn shall be in order at any time, except as follows: (i) When repeated without

1 intervening business or discussion; (ii) when made as an interruption of a Councilmember while
2 speaking; (iii) when the previous question has been moved; and (iv) while a vote is being taken.

3 2. Motion To Lay On The Table.

4 The purpose of the motion is to terminate further consideration of the subject being
5 discussed, without qualification. The effect of the motion, if approved, is to not only end
6 discussion on any other motion being considered, but to preclude any other motion being made.
7 A motion to table requires a second, is not amendable, and is not debatable. The foregoing shall
8 not preclude any Councilmember from placing the subject on an agenda for a later City Council
9 meeting.

10 3. Motion to Call for The Question (Close Debate).

11 The Councilmember moving any item before the City Council, including, the adoption of
12 an ordinance or resolution, or the Mayor Pro Tem, shall have the privilege of moving to close the
13 debate and at once to take the vote on the immediately pending question. Such a motion requires
14 a second and is not debatable, and is not amendable, and shall require a two-thirds vote of
15 Councilmembers present and voting for adoption. Such a motion also requires that each
16 Councilmember be afforded at least one opportunity to speak on the item before closing the
17 debate. The making of the motion shall not constitute a violation of Section V of these rules.

18 4. Motion To Postpone To A Certain Time/Day.

19 A motion to postpone to a time certain is amendable and is debatable as to the propriety of
20 postponement and as to time set in the motion. The purpose of the motion is to postpone the
21 subject under discussion to another specified time.

22 5. Motion to Substitute.

23 A motion to substitute the motion under consideration with another motion requires a
24 second, is not amendable and is debatable. A motion to substitute must be germane to the subject
25 and compatible with the underlying purpose of the motion under consideration; and if passed, the
26 substitute motion will, by its own action, eliminate the necessity to vote on the motion being
27 substituted. If the substitute motion fails to pass, debate will resume on the motion previously
28 being contested. Only two substitute motions shall be on the floor at any time.

1 6. Motion to Amend.

2 A motion to amend the motion under consideration requires a second, but the proposed
3 amendment must be germane, or related, to the main motion, and is debatable. A motion to
4 amend is defined as amending a motion that is on the floor and has been seconded, by inserting or
5 adding, striking out, or striking out and inserting words within the main motion. The proposed
6 amendment is voted on first, and if adopted, there is a vote on the main motion as amended. If
7 the motion fails, debate will resume on the main motion.

8 7. Motion To Reconsider.

9 A motion to reconsider any action taken by the City Council must be made not later than
10 the third succeeding official regular meeting of the City Council. Such a motion can only be
11 made by a member who voted with the majority. The motion to reconsider must be specifically
12 agendized as a motion for reconsideration and cannot be acted upon under Future Agenda Items.
13 However, if the motion to reconsider is made at the same Council meeting when the motion was
14 originally adopted, it does not have to be included on the agenda. At the time such
15 reconsideration is heard by the City Council, testimony shall be limited to debate in support of the
16 motion. No question shall be twice reconsidered, except by unanimous consent of the City
17 Council, except that action relating to any contract may be reconsidered at any time before the
18 final execution thereof.

19 These motions shall have precedence in the order indicated. Any such motion, except to
20 adjourn, amend, or substitute, shall be put to a vote without discussion.

21 E. RULES OF DISCUSSION

22 1. Presiding Officer May Debate: The presiding officer may debate from the chair,

7 4. Division of Question: If the question contains two or more divisional propositions,
8 each of which is capable of standing as a complete proposition if the others are removed, the
9 presiding officer may, and upon request of a Councilmember shall (unless appealed), divide the
10 question.

11 5. Withdrawal of Motion: A motion may not be withdrawn by the mover without the
12 consent of the Councilmember seconding it.

13 6. Voting: On the passage of every motion, the vote shall be taken by electronic
14 voting device and entered in full upon the record. If the device is inoperable, the vote shall be
15 taken by roll call voice vote recorded by the City Clerk. The presiding officer shall announce the
16 result of the vote. No Councilmember shall be excused from voting except on matters involving
17 the consideration of the Councilmembers' own official conduct, or where a conflict of interest
18 exists. Abstaining votes consent with the majority. An explanation of the reason for abstentions
19 is encouraged.

7 is on the agenda for that meeting.

9 address the City Council by reading protests, petitions, or communications relating to matters then
10 under consideration, subject to the time limitations imposed by the City Council.

11 4. Public Comment. Interested persons may address the City Council on any issue
12 concerning City business during the period assigned to Public Comment, except comments
13 relating to appeals before the City Council where the City Council must make its decision based
14 on the written record or set the matter for public hearing.

15 G. ADDRESSING THE CITY COUNCIL AFTER MOTION MADE

16 When a motion is pending before the City Council, no person other than a Councilmember
