Under existing California law, a member of a board or commission may not make, participate in making, or attempt to influence a governmental decision if it is reasonably foreseeable that the decision could have a material financial effect on that member, the member's immediate family, or any of his or her financial interests. There is also a special category of conflicts of interest which strictly forbids members and/or their employers from having financial interests in city contracts. Careful consideration should be given to this issue and applicants are encouraged to contact the City Clerk's Office if they have any questions.

Note: Board and Commission Chairs may be called upon to serve as members of an adjudicating body to review complaints alleging violations of the City's Code of Ethics and Conduct by elected officials or members of boards and commissions.

COMMUNITY POLICE REVIEW COMMISSION:

Have you ever been convicted of a felony or misdemeanor? ☐ Yes ☒ No

CPRC applicants must undergo a limited background check by the Police Department prior to serving on the Commission due to the sensitivity and confidentiality of the materials you will review that have certain legal restrictions. The background check consists of the following:

Completion of a Background Personal Information form; live scan fingerprint process through the FBI and Department of Justice, a local police records check, a records check of the National Crime Information Center (NCIC), and a DMV records check that includes vehicles registered to the applicant. The purpose of the DMV records check is due to liability issues since Commissioners occasionally drive their personal vehicles to public outreach events. The background check takes approximately two weeks to complete.

WHY YOU WANT TO SERVE ON A CITY BOARD OR COMMISSION:

As a boy, my father told me that civic responsibilities are not an option, they are an obligation. Service to my community has always been a priority. While living overseas, I served on various community boards and community support groups. On two occasions, I served as president of my local homeowners' association. Most recently I served as Chairman of the Mayor's Commission on Aging ((City of Riverside) and the Board of Directors of the Riverside County YMCA. I currently serve as Vice Chairman of the Calif. Republican Assembly- Riverside.

I enjoy public service and feel that I can bring a different perspective to the table.

EXPERIENCE OF SPECIAL KNOWLEDGE PERTAINING TO AREA OF INTERST:

During my 27 years living and working overseas, great deal of my time and effort was spent working in the public safety arena. As president of my local homeowners' association (Philippines) I was ultimately responsible for the operations and training of a fourteen member police force. Much of my fifteen years in Thailand was spent working in jails, prisons, detention centers. I was involved in a number of covert operations, involving the investigation and recovery of foreign citizens held in "cult" groups. Without going into detail, I will simply make mention of having had a professional relationship with US intelligence agency.

Aside from involvement in the public safety arena, I have managed up to thirty employees from a variety of cultural and ethnic backgrounds. In any form of negotiations, be they friendly or hostile, I have always managed to approach issues from all perspectives.

In dealing with police and community matters, I believe I would be objective and impartial. I do not believe the police are always right, nor do I believe the public is always right. Justice is not political, nor is it partial.

EDUCATIONAL BACKGROUND:

I hold a bachelor's degree and have completed a doctoral program in education (all but dissertation). I hold (held) a Washington State K-12, Lifetime Teaching Credential and a California Teaching Credential. I have served on the boards of education of two major private schools (Bangkok, Thailand).

OCCUPATIONAL EXPERIENCE:**COMMUNITY ACTIVITIES:**

Please refer to my resume.
