To Whom It May Concern:

The Board of Directors for The Arc of Riverside County is submitting an application to the City of Riverside to name the Universally Accessible Playground at Fairmount Park in memory of James Nichols Stream (1947-2017).

James Stream was the Executive Director for The Arc of Riverside County from 1988 until his untimely death in June, 2017. He was widely respected for his work in the disability community and admired by his peers throughout the country. Jim was a leading advocate and pioneered many important initiatives to improve the quality of life for people with intellectual and other disabilities. He was also engaged in efforts to promote and improve the quality of life in his home community of Riverside. The National Wall of Respect, which he envisioned and built, represents a beautiful mosaic pictorial of inclusive activities here in the City of Riverside. This beautiful piece of art was unveiled in October, 2013, and remains a permanent contribution to Riverside as the "City of Arts and Innovation".

This application is presented in keeping with the City's requirements for naming city owned properties as outlined in the City of Riverside Administrative Manual, Number 01.021.00, dated 12/22/14. Enclosed please find:

- Completed Application
- Resolution from The Arc of Riverside County Board of Directors, dated January, 23, 2018
- Resolution from The Arc of California Board of Directors, dated March 10th, 2018
- Letter of support from the immediate family

We recognize that this application must go through the administrative procedures as outlined in your policy and we remain available to assist in this process. Please send us notification of meetings and direct any questions to the attention of our Interim CEO, Mr. Fred W. Robinson. He may be reached at our Corporate Office on Market Street at (951) 275-5344 ext. 227. Thank you for your consideration.

Sincerely,

Ron Domme, President
