Re: Notice of Public Meeting

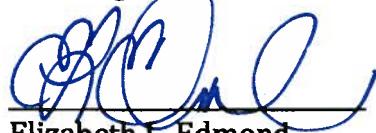

Request for restricted parking within the bike lane on the West side of Fair Isle Drive between Lockerton Lane and Abernathy during park hours. I live on Lockerton Lane, which is parking by pass only and a cul-de-sac. I live directly across the street from the park and people are parked in front of my house and directly across the street on a nightly basis, way past park hours. I've called the police a few times, other times I don't. The mailbox has been stolen twice, I do not get my mail here anymore.

If parking is allowed on Fair Isle between Lockerton and Abernathy that will only make these people who are already having sex (leaving used condoms), smoking illegal drugs, littering, urinating on the sidewalk use our street without regard to the posted 'pass only' street parking signs continue to do so. I'm sure it will get worse.

I cannot make it to the meeting but I implore you to reject this proposal. I will be calling the authorities every time a car is parked on Lockerton Lane without a pass from now on. I've had to deal with litter and late night noise for years. Just two nights ago I watched as a young man and woman had sex in their car and then he urinated on the sidewalk plus left litter on our street directly in front of my home.

I can be reached at 951-315-2089.

Best Regards,

Elizabeth L. Edmond
