DISCUSSION**3. STREET TREE PROGRAM --- ESTABLISHMENT OF AN AD-HOC COMMITTEE TO PROVIDE RECOMMENDED UPDATES TO THE URBAN FORESTRY POLICY MANUAL**

Urban Forester Filiar informed the Commission the Department generally updates the Urban Forestry Policy Manual every three years and it's been five years since the last update. He is inviting three Commissioners to join the Ad-Hoc Committee for a six-month long process.

Commissioner Cardullo asked who the Ad-Hoc Committee will consist of.

Urban Forester Filiar confirmed the Ad-Hoc Committee will consist of Park and Recreation Commission members, Riverside Public Works Staff and Community Group members.

After discussion, Commissioners Feola, Mitchell and Iverson offered their time to be part of the Ad-Hoc Committee.

4. VERBAL REPORT --- FAIRMOUNT PARK TOPICS AND STATUS OF PARK RANGER PROGRAM

Director Cruz presented this item.

Vice-Chair Mitchell asked Commissioners to view the pictures on pages 48 and 49 in the agenda packet. She emphasized the amount of dedication the park patrons give to Fairmount Park. She would like a certificate for the Sir who takes cares of the park fowl, removes fishing wires from the lake and disposes of pellet gun cartridges. Vice-Chair Mitchell also asked the Department to post more signs at the park regarding proper fishing spots and no littering.

Director Cruz assured Vice-Chair Mitchell that proper recognition will be given to a few Fairmount Park volunteers for years of dedication. Director Cruz confirmed the Department is in the beginning stages of designing signs and they will be posted as soon as they are approved. Director Cruz mentioned the park ranger program has two possibilities, 1) Restore the park ranger program which ended in 2008. The operational plan is being worked on with the Police Department; plus, the budget is being reviewed; or, 2) Deputy Director McDaniel has been working with the County of Riverside to work alongside them with their current contracted park ranger program.

Vice-Chair Mitchell inquired if the old boy scout area will be turned into an RV Park.

Deputy Director McDaniel stated that extensive community outreach is needed to truly know what the "old boy scout" area will turn into; but, the preliminary plan is to work with the San Bernardino Valley District and convert the area into a natural habitat area. There are currently multiple awarded grants to fulfill multiple aspects of future projects.

After discussion, a motion was made to accept report for file.
