BACKGROUND

City Charter section 702, “Eligibility, powers and duties of City Attorney,” provides, in part, that “the City Council shall have control of all legal business and proceedings and may employ other attorneys to take charge of any litigation or matter or to assist the City Attorney therein.”

On February 4, 2015, the Governmental Affairs Committee first reviewed and considered a proposed policy for the retention of outside counsel by the City Attorney’s Office. At that time, the Committee requested that the City Attorney’s Office revise the policy to include a provision for recommended signature authority for the City Attorney on outside counsel contracts, how long the initial term of the contracts should be, and further refine the process. On April 1, 2015, the Committee met again to review and comment on the policy. The Committee unanimously recommended that the City Council approve the policy, limiting the City Attorney’s signature authority to \$25,000 without prior City Council approval.

On June 16, 2015, the City Council adopted the policy and authority of the City Attorney for retention of outside counsel, approved the proposed panel of attorneys, and instructed the City Attorney to return to the Governmental Affairs Committee in six months to review the policy implementation.

On March 26, 2019, the City Council approved certain First Amendments to Attorney Services Agreements for the panel attorneys, extending the terms of the agreements by an additional three years. Although some of the agreements were properly extended, there are many agreements that were not. This action will ensure the City has validly approved agreements for outside attorney engagements. The City Attorney’s Office has been working on oversight and internal controls since January and has implemented internal controls related to all outside legal services contracts in an effort to prevent this situation from occurring in the future.

* The termination dates for these law firms are dependent upon the particular legal matter being completed.

The current Legal Services Agreements with 13 of the 23 law firms that will remain on the panel have expired. Although not legally required, the City Attorney's Office is beginning the process of preparing a Request for Proposal for Legal Services and expects to issue such RFP in 2023. Accordingly, the City Attorney's Office requests that all current agreements be extended only until June 30, 2023, pending completion of the Request for Proposal process and award of new agreements.

The City Attorney's Office has requested that all law firms on the approved panel execute amendments to their legal services agreements to properly extend the term. To date, executed agreements have been received by 9 of the 13 law firms with expired agreements. Each amendment sets forth the expiration date of the current agreement and the new expiration date of June 30, 2023. The City Attorney's Office will present all other amendments for approval to the City Council by June 30, 2022, or those law firms will be dropped from the approved panel.

STRATEGIC PLAN ALIGNMENT: The retention of experienced outside counsel to provide legal advice and supports all priorities of the City of Riverside's Envision Riverside 2025 Strategic Plan, as such advice is provided to all departments of the City, the City Council, Boards and Commissions.

This item aligns with each of the five Cross-Cutting Threads as follows:

1. **Community Trust** – Riverside is transparent and makes decisions based on sound policy, inclusive community engagement, involvement of City Boards & Commissions, and timely and reliable information. Use of outside counsel that specialize in specific areas of the law supports and aids the making of such decisions.
2. **Equity** – Use of outside counsel that specialize in specific areas of the law benefits the entire community by ensuring that such efforts comply with all aspects of the law.
3. **Fiscal Responsibility** – The City Attorney's Office is expending funds in a careful and judicious manner balanced against the need for specialized legal counsel when the circumstances warrant.
4. **Innovation** – The retention of specialized legal counsel to provide specialized legal advice supports City innovation efforts by ensuring that such efforts comply with all aspects of the law.
5. **Sustainability & Resiliency** – The retention of specialized legal counsel to provide specialized legal advice supports City goals of sustainability and resiliency by ensuring that such efforts comply with all aspects of the law.

FISCAL IMPACT:

There is no fiscal impact associated with the extension of legal service agreements. Any impact will occur when an individual firm/attorney is retained for a particular engagement. The approval of the budget for Greines, Martin, Stein & Richland LLP for specialized appellate legal services in the *Riversiders Against Increased Taxes v. City of Riverside* appeal, is anticipated to have a fiscal impact not to exceed \$110,000, and funds will come from Liability Trust Fund account no. 1310000-421100.
