BACKGROUND:

Summary

The County of Riverside Fire Department desires to contract for Automatic Aid Fire Protection Services with the City of Riverside, and as such, the two agencies have reached an agreement as to the level of services to be provided. Under this Agreement the City of Riverside shall respond into the unincorporated area of the County of Riverside as outlined in the Agreement's Emergency Response area. This area is located within the Reuse Territory of the March Joint Powers Authority. The term of this agreement shall be for 5 years and shall be effective January 1, 2019. The agreement can be terminated by either Party, at its sole discretion for any or no reason, by giving one hundred and eighty (180) days written notice to the other Party.

Impact on Residents and Businesses

The County of Riverside and the City of Riverside will benefit with the Automatic Aid Fire Protection Services, by securing automatic aid in fire protection; in the protection of life and property, and in firefighting and providing medical aid for the residents and visitors of the area. The Automatic Aid Fire Protection Services will also create a greater and better relationship between both Parties.

SUPPLEMENTAL:

Additional Fiscal Information

The total estimated contract cost for FY 18/19 shall be \$51,232 with an estimate of \$87,826 annually. The total compensation shall be adjusted on July 1, 2019 and each July 1st thereafter. The City and County shall meet annually on or before March 1st to review and adjust the total compensation to be paid for the upcoming fiscal year, based upon data for the prior calendar year, as provided in Section 5.2 of this Agreement. Following such meeting, the City shall notify County in writing of the adjusted total compensation to be paid for the upcoming fiscal year and shall provide any data used to substantiate the adjusted total compensation.

Contract History and Price Reasonableness

There is no previous automatic aid agreement for Fire Protection services between the City of Riverside and the Riverside County Fire Department.
