Counsel,

I am a member of the Riverside Charter Review Committee and have been asked to contact you.

The Riverside Charter Review Committee would like to extend an invitation to you to join us on May 19, 2021 at 5:00 PM.

The purpose of this invitation is to allow you to present your client's position on the General Fund Transfer. We are extending you this invitation because your client has initiated litigation against the City on this topic and the Riverside City Council has asked this Committee to explore a Charter Amendment that would authorize such a transfer.

Should this Committee and the Council recommend such an Amendment, it may have an impact on your litigation against the City.

You may be asked questions regarding your Client's position, you are free to answer any or no questions.

If you would like to participate, please let me know and I will make arrangements with City Staff since the meeting is virtual.

If you would prefer to send your position in writing, please forward any response directly to me and I will present it to the full Committee.

James Goldman
