**CART MAINTENANCE SERVICE FOR A FLEET OF MIXED CART BRANDS  
AND/OR EXISTING TOTER CARTS  
City of Tucson/National IPA  
RFP #171717 - Proposal Pricing  
May 1, 2020 through July 31, 2020**

This service is intended to provide high productivity cart maintenance and cart delivery/retrieval service at a predictable cost while insuring uninterrupted collection service to all city or county residents

1. Toter will provide Cart Maintenance Service (as defined below) up to the specified maximum number of work orders per calendar month for the fee indicated. Unused work orders do not carry forward at the end of the month. Work orders are defined as city or county (hereafter "the City") requests for cart repair, replacement, washing, and/or delivery of carts and retrieval of carts no longer needed for service ("Cart Maintenance Service"). Cart washing service at homes and/or on the street is not included in Cart Maintenance Services.
2. Toter will bill the City the stated fee for each work order in excess of the maximum number of orders in a calendar month.
3. Should the buyer consistently experience a level of work orders well above the purchased level of service the buyer and Toter may mutually agree on permanently changing to a higher level of service from those offered below. Toter will inform the buyer of the time period necessary to implement the higher service level.
4. Toter will use its best efforts to complete all work orders within three (3) to four (4) business days after receipt of the City's work order. In cases where the resident does not leave the cart accessible for service, Toter will log that exception and will attempt a second service call within two (2) business days.
5. Toter will use City provided hardware and software if it is an integral part of delivering service to the residents. The City will provide both at no cost to Toter and will train Toter staff on its usage. Should the City's system fail to function or not function properly Toter will document work order completion in another format for reporting to the City until the system is operating satisfactorily.
6. The City will provide, at no cost to Toter, a fenced in or otherwise secured work site with access to a bathroom for Toter's Cart Maintenance Service operation. The site will include a station for the washing of returned carts that complies with federal, state and local environmental protection and wastewater laws and regulations as well as to a continuous supply of water for such washing. The site shall be of sufficient size for the parking of trucks and trailers as well as parts inventory. A small office with electricity, heat and air conditioning and potable water shall also be made available to Toter at no charge.
7. Toter will supply, at no charge to the City, replacement parts for Toter carts that are within the stated Toter warranty period and fall under the Toter warranty's stated coverage. All other parts for Toter and other cart brands will be supplied by the City to Toter at no cost to Toter. The City will maintain the necessary parts inventory to insure work orders can be carried out within the specified time period.
8. Should City parts inventory not be available to repair damaged carts Toter will remove damaged cart from the residence and replace it with a new Toter cart from the City's inventory of new, purchased carts. The damaged cart will be stripped of usable parts which will be delivered to the City's inventory for use on future work orders. Toter will also redeploy cleaned, used carts if so directed by the City.
9. The City will provide Toter with a written list of the types of damage, by brand of cart, that are not to be repaired. Instead, a new Toter cart from the City's purchased cart inventory will be delivered and the damaged cart removed.
10. Used carts that are still serviceable will, at the City's direction, be retrieved, washed and returned to the City's cart inventory for future redeployment. Carts damaged by graffiti will not be redeployed. Unrepairable/unusable carts will be prepared for recycling of the plastic components. Toter will arrange for the recycling of the unusable plastic and any revenue from that recycling will be shared equally by the City and Toter. Toter and the City will cooperate in locating a local recycler to accept steel components. The City will arrange for and provide, at no cost to Toter, a disposal container and the collection/disposal service for wheels and other waste materials that cannot be recycled.
11. The City will grant permission to Toter for its employees and authorized agents to service City owned carts left at the curb regardless of whether the cart is in a public right of way or on private property near the curb. Toter employees and its authorized agents will not enter garages, car ports, back yards, fenced or other non-public areas to retrieve carts for service without authorization.
12. Toter will submit periodic reports as required by the City to monitor the performance of the program.
13. The contract will extend for a mutually agreed upon period of from one (1) to ten (10) years and may be extended annually by mutual agreement, with the City paying Toter in arrears on the 10th day of the month following the delivery of service.
14. Either party may terminate the contract with six (6) months advance written notice.

**Pricing:** Service price for the stated MAXIMUM number of work orders per month.  
This service is not available for fewer than a maximum of 700 monthly work orders.

UP TO A MAXIMUM number of work orders per calendar month	Monthly Premium	Incremental Fee for each work order over the maximum
700 Work Orders	\$25,930.50	\$35.00
1400 Work Orders	\$44,114.20	\$31.00
2100 Work Orders	\$56,429.10	\$27.00
2800 Work Orders	\$74,392.10	\$26.00
3500 Work Orders	\$86,927.70	\$24.00

**OPTIONS:**

Price per "swap" (exchange of one cart size for another)	\$13.15 per swap
Cart Washing and Washing of Parts that have been returned to the City-provide maintenance site. City provides wash point including U.S. E.P.A. compliant wastewater drainage.	\$5.05 per cart
Rental of Maintenance Facility - City-provided maintenance facility consisting of a paved, secure lot, with a minimum of 7,500 square feet. Must be accessible to 53 foot tractor trailer. Must have access to a single office at the site (Toter to provide necessary IT equipment; City to provide utilities).	Maximum \$2,000.00 per month

## FULL SERVICE CART MAINTENANCE

**City of Tucson/National IPA**

**RFP #171717 - Proposal Pricing**

**May 1, 2020 through July 31, 2020**

This service is intended to ensure that all City-owned Toter Carts remain in complete working order and that the City can accurately budget its annual cart program cost.

1. Toter must provide field repair or replacement of all City-owned Toter Carts requiring maintenance service and deliver new carts to new residences within five (5) business days of receiving an electronic written work order from the City.
2. Toter is responsible for all repair or replacement cost, regardless of the cause of the maintenance problem (except fire, loss, theft or vandalism), including the cost of parts and City approved replacement carts.
3. Should the City choose to allow a resident to request "swap" of the cart size at his residence, Toter will retrieve the old cart and deliver a new or approved used cart provided by the City. The cost for each cart swap will be billed to the City at the end of each month.
4. Toter will base its maintenance decisions on the following: 1) specifically excluded items under Toter's Limited Warranty; 2) expired warranty; or 3) fire/ vandalism/ lost/ stolen. Maintenance will be provided to the City using City provided parts/carts. Toter's decisions as they relate to maintenance regarding these items shall be final.
5. The City and Toter will coordinate the submittal of periodic reports as required by the City to monitor the performance of the service program. The City will, at no cost to Toter, make space available on its yard and one small office space for Toter to operate this service from.
6. The contract shall extend for a period of from 1 to 10 years, at the City's discretion, with the City paying the contractor, in arrears on the first day of each month, a fee for each cart in service. Maintenance service on an additional cart delivered after the first day of a new month will be billed to the City, beginning on the first day of the month following the delivery to a resident. The contract shall be renewable in one year increments by mutual agreement of the City and Toter.

**PRICING:**

Service price, per cart, per month in service at a City residence.

Service is not available for fewer than 50,000 carts

## MANUFACTURER'S DIRECT LIMITED WARRANTY (SUMMARY) RESIDENTIAL WHOLESALE/MUNICIPAL

The following is a **summary** of Toter, LLC's updated limited warranty of its Residential Wholesale/Municipal Products ("Limited Warranty"). The complete Limited Warranty can be found in the Wastequip Terms and Conditions of Sale at: <http://www.wastequip.com/terms-conditions-of-sale> the terms of which are made a part hereof, a hardcopy of which is available upon request. If this summary and the complete Limited Warranty documents conflict, the terms of this summary, where more narrowly defined, will control.

### Toter® Residential Wholesale/Municipal Products

TOTER, LLC (Toter) warrants its Residential Wholesale/Municipal Products manufactured and sold by Toter, or by a Toter authorized dealer, distributor or retailer, to the original purchaser for normal and intended use and service against operational failure caused by proven defective material or workmanship as set forth below. This Limited Warranty equally covers Toter Products molded of either virgin resin or recycled content plastic materials.

Product	Limited Warranty Term
Toter Bear Resistant Containers	Toter Bear Resistant Containers - 5 years from date of original purchase; 90-days from date of original purchase for steel components, including locking mechanism.

This warranty is expressly limited to any Product parts which are proven to Toter's satisfaction to be defective in material or workmanship under this Limited Warranty. Parts determined to be defective by Toter shall be repaired or replaced at Toter's option. Repaired or replaced parts are warranted for the balance of the original Limited Warranty period of the original part. Repair or replacement, credit on account in an amount equal to the original purchase Price of the defective Product, and/or tender of warranty claims to third party manufacturer or supplier, all at Toter's sole discretion, are the sole remedies available under this Limited Warranty and do not extend the Limited Warranty beyond the original warranties set forth herein.

This Limited Warranty is non-transferable.

Specifically excluded from this Limited Warranty are labor and installation, alterations, damage due to negligent or abusive use, or normal wear and tear, including, but not limited to, those items listed on Schedule A (attached). Alterations, negligent, abusive, or specifically excluded use of Product voids this Limited Warranty thereafter. In no event shall Toter be liable for incidental, special, punitive, liquidated, or consequential damages, for loss of product or time, for any delay in performance under this Limited Warranty or for claims of customers of purchaser.

**TOTER MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING WARRANTY OF**

**BUILT FOR EXTREMES™**

## SCHEDULE A

Toter Products are designed for storage, transport, and dumping of normal household residential and commercial solid wastes and recyclables, excluding circumstances in which the load rating would be exceeded.

Following are descriptions of several situations where the Limited Warranty does not apply. Exclusion is not limited to these situations.

### EXAMPLES OF NORMAL WEAR AND TEAR:

- \* Scratches - normal use may cause scratches
- \* Dirt, including accumulation of dirt or any other substance
- \* Normal deterioration during service
- \* Normal discoloration due to atmospheric exposure

### EXAMPLES OF ALTERATIONS, NEGLIGENCE OR ABUSIVE USE:

- \* Alteration of the original design, functionality or integrity of the cart/container
- \* Vandalism
- \* Cuts or scores from any source
- \* Extraordinary impacts such as being hit by a vehicle
- \* Burns, scorches, melting, or any damage from excessive heat
- \* Improper handling, including dropping stacks off delivery trucks, improper stacking, improper /excessive storage, forcing cart/container through narrow openings, allowing packer mechanism to hit cart/container or lid during dumping cycle, abrasion from excessive dragging, or cracks caused by improper handling or dumping
- \* Damage from automated grasper or semi-automated lifter, including any scratches, creases, cracks or breaks from a maladjusted, incorrectly operated, or improper automated grasper or semi-automated lifter. Includes any semi-automated lift speed faster than ANSI specifications for either the lift cycle or the down cycle.
- \* Chemicals - being exposed to solvents, petrochemicals, paints, acids, or other chemical substance which damages plastic or metal parts
- \* Failure to follow instructions imprinted on Product parts (i.e., exceeding stated maximum load rating)

(Rev. 03/2020)

**MERCHANTABILITY AND OF FITNESS FOR A PARTICULAR, SPECIFIED OR INTENDED PURPOSE.**

Some states do not allow limitations on how long an implied warranty lasts, the exclusion or limitation of incidental or consequential damages, and any such limitations will conform these warranties thereto (Buyers may also have other specific rights which vary from state to state).

TOTER, LLC

**Effective for qualified purchases on or after March 31, 2020**

**BEAR-TOUGH CARTS**

# Toter®

## We tell the toughest bears to grin and bear it.

### BEAR-TOUGH CARTS

Toter's Bear-Tough Carts stand up to the toughest of beasts. With a bear-tight lock, double-walled lid and steel-reinforced rim, they're virtually indestructible and inaccessible to bears and other predators. Featuring a locking mechanism to help prevent bears from getting inside, the Bear-Tough Cart is strong enough to withstand repeated clawing and chewing.

Bear-resistant lock

Double-walled lid

Steel-reinforced Rugged Rim® for impact resistance

- Manufactured with stress-free Advanced Rotational Molding™ for superior durability
- Contains up to 50% recycled content and is 100% recyclable
- Compatible with fully-automated\* and semi-automatic waste collection
- Nestable when fully assembled for easy delivery

### AVAILABLE IN 64- and 96-GALLON SIZES

Part	Size	Dimensions (L x W x H)	Wheel Size	Load Rating
79B64	64 Gallons	31.50" x 24.75" x 42.25"	10"	224 lbs. / 101.6 kg
79B96	96 Gallons	35.50" x 30.25" x 43.75"	10"	335 lbs. / 152 kg

### AVAILABLE COLORS

Toter cans are available in a variety of colors and textures. Granite finishes mask normal wear by helping hide scuffs, scratches, and dirt, keeping cans looking new for years.

GREENSTONE  
(#968)

BLACKSTONE  
(#209)

Colors shown are as accurate as printing allows. Actual product colors are subject to variation from printed sample.

\*Only if left unlatched for waste collection

Certified by the Interagency Grizzly Bear Committee.
