

**Beverage Container Recycling City/County Payment Program
City/County Annual Payment and Reporting System
Funding Request Certification**

Riverside

Funding Request Cycle: FY 2022-23

Type: Individual

Eligible Funds (\$): 79,215

Program Requirements

1) PRC 14581 (a)(3)(B)

Project Description:

The City of Riverside would utilize the Beverage Container Recycling Grant program funds to provide beverage container recycling opportunities for residents.

The grant funding would go to the procurement of beverage container recycling receptacles, program promotion, and the implementation/tracking and monitoring of those materials collected.

The City of Riverside purchases recycling automated carts for new homes and replaces damaged, lost or stolen carts for customers in City serviced areas as well as those in areas serviced by the franchised hauler, Burrtec Waste Industries, Inc.

Currently, there are approximately 68,000 households in the City of Riverside. The City purchases and/or replaces approximately 8268 Blue recycling bins for fiscal year 21/22 (July 1 to June 30) which totals \$611,000.00. This funding will help to support a small amount of funding to purchase the carts and provide education to residents and schools. The prices of materials, labor, and CPI have increased tremendously, so the cost of 1 recycling cart is \$73.89. The City has already exhausted 90% of the fiscal year 20/21 grant of \$80,515 just from purchasing automated recycling carts from Toter Inc, and 10% of the grant is used for education and outreach programs for recycling. The city is requesting that the committee would reconsider increasing the award for the fiscal year 2223.

During the summer the City has organized a summer camp for kids and youth, back to school, America Recycles Day, and Earth Day. The booths are coordinated by City staff and staffed by interns/students to educate the student population on the program and how to effectively recycle on campus. Staff will also purchase advertising and promotional/print ads and billboards to encourage beverage container recycling awareness.

The City of Riverside would also utilize funds for Beverage Container Recycling Education in schools, and primary, for general workshops, develop recycling guides, and for assemblies and shows for beverage container recycling awareness through live streaming and online education. The City will partner with EcoHero to conduct Livestream presentations to the Riverside Unified School District

2) PRC 14581 (a)(3)(F) (Supermarket sites refer to certified recycling centers at supermarkets (PRC 14526.6))

Have you prohibited the siting of a supermarket site?

No

Have you caused a supermarket to close its business?

No

Have you adopted a land use policy that restricts or prohibits the siting of a supermarket site within your jurisdiction?

No

3) Are you currently participating in mediation mandated by AB 506 ? Have you attempted to initiate such mediation or have you declared a fiscal emergency within the last 12 months? Note: The answer is for informational purposes and will not be used to determine eligibility for payment funding.

No

4) California Labor Code section 1782 prohibits a charter city from receiving state funding or financial assistance for construction projects if that charter city does not comply with Labor Code sections 1770-1782. If any applicants or participating jurisdictions are charter cities, the lead applicant must certify that Labor Code section 1782 does not prohibit any included charter city from receiving state funds for the project described in this Funding Request. If it is determined after award that a participating jurisdiction is a charter city prohibited from receiving state funds for this project, the agreement will be terminated and any disbursed program funds shall be returned to CalRecycle. If any applicant or participating jurisdiction is a charter city , does Labor Code section 1782 prohibit those charter cities from receiving state funding for the project described in this Funding Request? Check the following, as applicable.

Not Applicable, This Funding Request does not include any charter cities.

5) These funds shall not be used for activities unrelated to beverage container recycling or litter reduction, Public Resources Code 14581 (a)(3)(C). Applicant acknowledges that submittal of this Funding Request constitutes acceptance of all provisions contained in the [City/County Payment Program Guidelines](#).
