Vendor ALLSTAR FIRE EQUIPMENT

Question Is the City of Riverside doing this upgrade expecting to meet NFPA 2018 Certification? If so, please note all the service parts for bid RFB #8170 will not give your equipment a complete NPFA 2018 certification/Approval it will only give you the compatibility to connect to the new NFPA 2018 rectus connection units. The new parts will carry a one-year warranty from the date of installation and your existing bumper to bumper warranty will still be valid until the warranty expires 10 years from the manufacturer date printed on your SCBA's .

6. Inquiries

If prior to the date fixed for submission of Proposals, a prospective Company discovers any ambiguity, conflict, discrepancy, omission or other errors in this RFB or any of its appendices or exhibits, the Company shall immediately notify the City of such error in writing and request modification or clarification of the document. Modifications shall be made by written Addenda to the RFB.

If a Company fails to notify the City, prior to the date fixed for submissions of Proposals, of an error in the RFB known to the Company, or an error that reasonably should have been known to the Company, the Company shall submit its Proposal at its own risk, and if the Company is awarded a Purchase Order, it shall not be entitled to additional compensation or time by reason of the error or its later correction.

All requests for clarifications, changes, exceptions, deviations to the terms and conditions set forth in this RFB must be submitted via "Q&A" through the City's Electronic Bidding System, PlanetBids Vendor Portal.

The Final day for receipt of questions from the Proposer shall be on or before the date stated within the Section 2. Schedule of Events. 7. Completion of Proposal

Proposals shall be completed in all respects as required by this RFB. A proposal may be rejected if conditional or incomplete, or if it contains any alterations or other irregularities of any kind, and will be rejected if any such

defect or irregularity can materially affect the quality of the proposal. Proposals which contain false or misleading statements may be rejected. If, in the opinion of the City's Selection Committee, such information was intended to mislead the City in its evaluation of the proposal, and the attribute, condition, or capability is a requirement of this RFB, the proposal will be rejected. Statements made by a Company shall also be without ambiguity, and with adequate elaboration, where necessary, for clear understanding.

Unauthorized conditions, exemptions, limitations, qualifications, or provisions attached to a Proposal will render it non-responsive and will cause its rejection.

The Company, in responding to this RFB, must submit Proposals in the format identified in this RFB. The Proposal must address all requirements of the RFB even if a "no response" is appropriate.

Costs for developing Proposals are entirely the responsibility of the Company and shall not be chargeable to the City. If a Company is unable to register or download the RFB from the bidding website, a representative may contact Planet Bids at (818) 992-1771.

All proposal documents and supplementary documents must be uploaded using the City's bidding website prior to event date and time as instructed in this solicitation. Once file(s) have been uploaded and the Submission Status shows as "Submitted" the submission is complete. At that point respondents will receive an email confirmation from the bidding website.

The City reserves the right to reject any and all proposals and to waive information and minor irregularities in any proposal received.

Acceptance of Purchase Order Terms and Conditions - Submission of a proposal pursuant to this RFB shall constitute acknowledgment and acceptance of all terms and conditions hereinafter set forth in this RFB.

The time and date are fixed, and extensions will not be granted unless specifically stated by the City in an addendum to this RFB. Proposals not received before the bid event time will not be accepted.

9. Alternative Proposals

Only one proposal is to be submitted by each Company for this RFB. Multiple simultaneous proposals will

result in rejection of all Proposals submitted by Company. A Company may, prior to the proposal due date and time, withdraw a proposal and submit a new proposal, so long as the new proposal is submitted before the proposal due date and time.

10. Proposal Format and Content

Proposals should be prepared in such a way as to provide a straightforward, concise delineation of capabilities to satisfy the requirements of this RFB. 11. Examination of RFB and Sites of Work

The Company shall carefully examine the RFB and all sites, if applicable, of the services or goods contemplated. The submission of a Proposal shall be conclusive evidence that the Company has investigated and is satisfied as to the conditions to be encountered, as to the character, quality, and quantities of services or goods to be performed and materials to be furnished, the difficulties to be encountered, and to the requirements of the Proposal, RFB, and other Purchase Order and Contract Documents.

By submitting a Proposal, the Company hereby certifies that it has: examined the local conditions, read each and every clause of this RFB, included all costs necessary to complete the specified services or goods in its proposed prices, and agrees that if it is awarded the Company shall will make no claim against the City based upon ignorance of local conditions or misunderstanding of any provision.
