PROPOSED QUIET ZONES - LOCATION MAP

2

RiversideCA.gov

PANORAMA ROAD TO CRIDGE STREET QUIET ZONE

1. Construction and Maintenance (C&M) Agreement negotiations with BNSF, UP, and SCRRA are in progress.
2. Construction is expected to begin in Q1, 2021, and last three months.
3. Notice of New Quiet Zone Establishment (NOE) will be filed once construction is complete.
4. Project cost is estimated at \$6 million.

3

RiversideCA.gov

PALM AVENUE TO BROCKTON AVENUE QUIET ZONE

1. On August 14, 2018, City filed a Notice of Intent to create new Quiet Zone.
2. City to finalize design.
3. UP to provide cost estimates and C&M agreement.
4. Construction is expected to begin in Q1, 2021, and last three months.
5. NOE will be filed once construction is complete.
6. Project cost is estimated at \$2.0 million.

RiversideCA.gov

BNSF QUIET ZONE – MISSION INN AVENUE, THIRD STREET & SPRUCE STREET

1. Project is partially funded - \$798,100
2. Project will be fully funded by FY2022/23 - \$3.163 M
3. Project was programmed in CIP for delivery in FY2022/23 or beyond
4. In March & July 2019 – Conducted preliminary field meeting with FRA, CPUC, SCRRRA, RCTC, and BNSF to determine the scope of improvements needed

5

RiversideCA.gov

BNSF QUIET ZONE – MISSION INN AVENUE, THIRD STREET & SPRUCE STREET

5. Third St. grade separation is currently in design. If City secures the \$16 M funding gap the project may be in construction by the second half of 2022
6. If the Third St grade separation is significantly delayed, interim Third Street QZ improvements may be considered at an estimated cost up to \$1 million
7. PW is currently not pursuing the interim Third St QZ improvements as it may hinder grant proposals to close the Third St grade separation funding shortage
