ALUC OVERRULE

Pursuant to California Government Public Utilities Code section 21676 the City Council has the authority to overrule ALUC's determination based upon the findings that the:

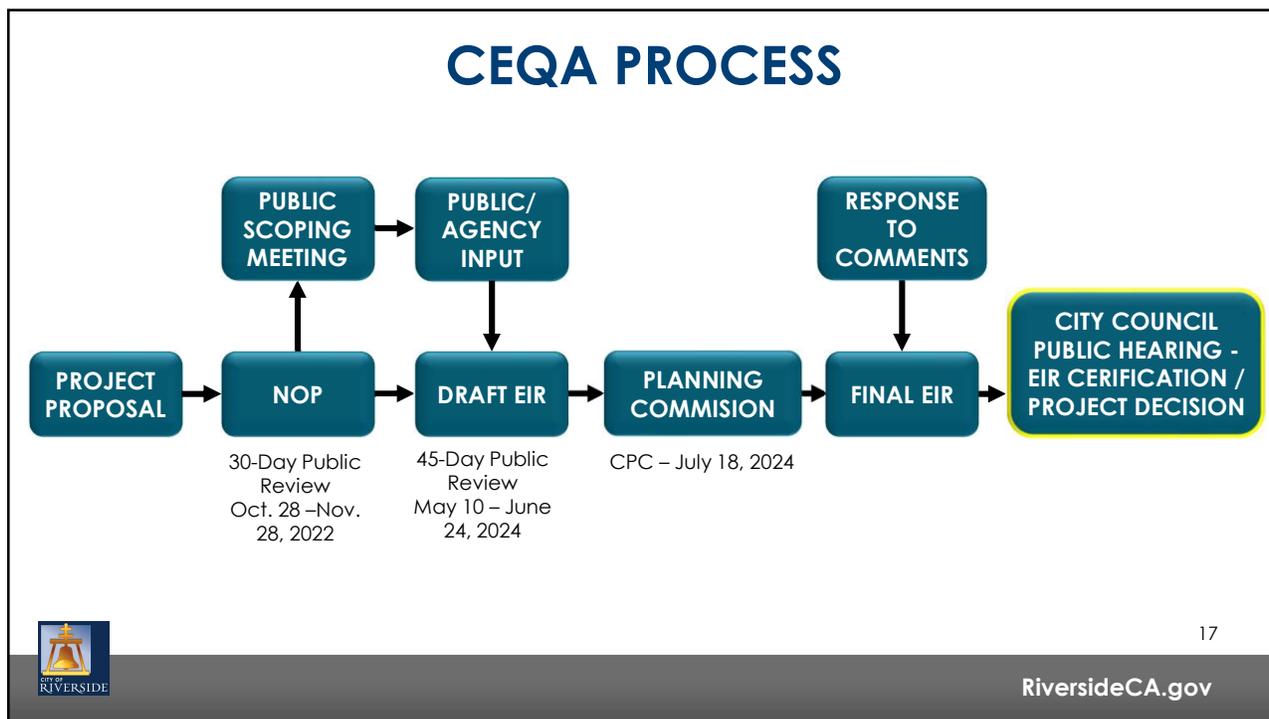

1. Project will not affect the orderly expansion of the March Air Reserve Base; and
2. The project minimizes the public's exposure to excessive noise and safety hazards around the March Air Reserve Base.

ENVIRONMENTAL IMPACT REPORT

With the exception of the following sections, all impacts related to the proposed project have been identified as less than significant in the Environmental Impact Report:

- Hazards & Hazardous Materials - Implementation of the Project will result in inconsistency with Riverside County Airport Land Use Commission policies.
- Land Use/Planning - Implementation of the Project will cause impacts to Land Use and Planning related to Airport Land Use Policy.
- Transportation - Implementation of the Project will result in continued unacceptable Levels of Service (LOS) for the eastbound connector roadway between California Avenue to Arlington Avenue. This is a cumulative impact and not a project specific impact.

RECOMMENDATIONS

That the City Council:

1. Approve and Adopt the attached Resolution making specific findings overruling Riverside County Airport Land Use Commission's finding of inconsistency with March Air Reserve Base Land Use Compatibility Plan, and if in agreement, adopt the Resolution to Overrule Riverside County Airport Land Use Commissions determination.

20
RiversideCA.gov

RECOMMENDATIONS

If the Resolution overruling Riverside County Airport Land Use Commission is adopted, then the City Council shall:

1. Adopt the attached Resolution certifying the Final Environmental Impact Report for the Mission Grove Apartments development, and finding that the Final Environmental Impact Report:
 - a. Has been completed in compliance with the California Environmental Quality Act;
 - b. Was presented to the City Council and the City Council reviewed and considered the information contained in the Final Environmental Impact Report prior to approving the Project; and
 - c. Reflects the City's independent judgment and analysis and making certain findings of fact.

21

RiversideCA.gov

21

RECOMMENDATIONS

2. Concur with the findings contained in the Final Environmental Impact Report, the attached California Environmental Quality Act Resolution, the case file and the administrative record, and adopt the Findings of Fact attached to the California Environmental Quality Act Resolution;
3. Adopt the Statement of Overriding Considerations, related to hazards, land use & planning and transportation, attached to the California Environmental Quality Act Resolution;
4. Adopt the Mitigation Monitoring and Reporting Program attached to the California Environmental Quality Act Resolution;
5. Find that no feasible alternatives to the Project have been proposed that will avoid or substantially lessen the significant environmental effects as set forth in the Final Environmental Impact Report;
6. Reject all late comments as untimely;

22

RiversideCA.gov

22

RECOMMENDATIONS

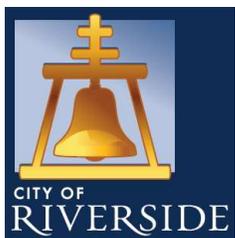

- 7. Uphold the applicants appeal of the Riverside County Airport Land Use Commission;
- 8. Adopt the attached Resolutions amending the General Plan Land Use Designation and the Mission Grove Specific Plan ;
- 9. Introduce and subsequently adopt the attached Ordinance amending the Zoning Map; and
- 10. Approve Planning Cases PR-2022-001359 – General Plan Amendment, Specific Plan Amendment, Rezone, Parcel Map, Design Review, and Environmental Impact Report based on and subject to the Planning Commission findings and recommended conditions found in the attached staff report.
